## MEMORANDUM

**TO:** Candidates for the 2020 City Council Election

**FROM:** Jannette Goodall, City Clerk

**DATE:** May 1, 2020

**SUBJECT:** Election Information

The Candidates Guide is a packet containing important information and forms for anyone interested in running for the Austin City Council. On the ballot for the November 3, 2020 election are Council Districts 2, 4, 6, 7 and 10. Article II, Section 2 of the City Charter specifies the eligibility requirements to serve on Council. The requirements to serve as a City Council Member are:

- A candidate for city council from a council district must meet all eligibility requirements listed in the Texas Election Code, Section 141.001 and must have resided continuously in the state for 12 months and in the council district from which the member is seeking election for six months immediately preceding the regular filing deadline for a council candidate's application for a place on the ballot.

The regular filing deadline for the application for a place on the November 3, 2020 ballot is Monday, August 17, 2020 at 5 PM. Based on the filing deadline and the eligibility requirements, the relevant residency deadlines are:

- Resident of the state as of August 17, 2019; and
- Resident of the city and if appropriate the respective council district as of February 17, 2020.

The Candidates Guide and all relevant forms are available on-line at <http://austintexas.gov/election2020>. Forms that were not created by the City of Austin have been downloaded from the appropriate website. The forms were current as of April 15, 2020; however, candidates should be aware that it is possible that the Secretary of State or the Texas Ethics Commission may update their forms without notice. Prior to using a form contained in the Guide, you should compare the date of the form in the Guide with the date of the form currently

posted on the appropriate State agency website. The web address for each form included in the Guide is listed in the Table of Contents immediately below the name of the form. While the Candidates Guide has provided website, links published in both English and Spanish, the destination website may or may not contain Spanish translations. The Guide also provide instructions on the City requirements for electronic filing of campaign finance data as required by City Code, Section 2-2-26.

The duty of the City Clerk's Office is to accept, retain and provide access to the election documents including the application for place on the ballot and campaign finance documents. The Office is not responsible for providing campaign advice or completing, correcting or ensuring the timeliness or accuracy of the documents filed. Election law, especially campaign finance law is complex. For this reason, a candidate may want to consider retaining legal counsel or an experienced campaign manager to assist you during your campaign. A candidate may email specific questions to the City Clerk's Office at [Elections@austintexas.gov](mailto:Elections@austintexas.gov) or calling 512-974-2210. Where ever possible, the staff will assist you in either determining the answer or direct you to the correct State agency for a response.

For more information about navigating the election process, please visit the Candidate Resources page: [www.austintexas.gov/candidateresources](http://www.austintexas.gov/candidateresources).

Dear Candidate:

By seeking public office, you have demonstrated your commitment to Austin's vision of being the most livable city in the country. Austinites value a community that is clean and green. To that end, we ask you to ensure that your campaign follows the City Code regarding the placement of campaign signage and encourage recycling of signs after the election.

We recognize that placement of your signs is important. However, the City has a sign ordinance ([Chapter 25-10 Sign Regulations](#)) that regulates all signage, including political campaign signs. Please share the sign standards below with your staff and supporters:

### Campaign Sign Placement

- Signs cannot be attached to utility poles, traffic control boxes, light poles, or traffic sign poles, and cannot be placed on public property.
- Signs cannot be placed in the median, at intersection corners, or on traffic islands.
- Signs cannot be placed between the street and the first expansion joint in a driveway, the street and the sidewalk, or the street and the utility poles.

Please see the enclosed flyer **Facts About Prohibited Signs** for more detailed information and diagrams of where signage is allowed. Signs unlawfully placed in the public right-of-way will be removed by the Austin Code Department and recycled appropriately. For questions, call 3-1-1.

### Make Sure Your Signs Can Be Recycled

To ensure your signs are eligible to be recycled, please share the following information with your sign vendor before your signs are printed:

- All sizes and colors of polypropylene Coroplast™ signs will be accepted.
- Signs must not include vinyl lettering or vinyl overlays.

### Free Recycling of Campaign Signs

After the election, we encourage you to have your campaign staff collect and recycle your signs for free! Austin Resource Recovery has coordinated with one of the City's contracted recycling partners, Texas Disposal Systems, to offer free recycling of campaign signs. # **POLITICAL ADVERTISING**

## **What You Need to Know**

The Texas Election Code requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

**NOTICE:** This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under [Chapter 255 of the Election Code](#), which is distinct from political reporting requirements under [Chapter 254 of the Election Code](#).

## REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

### I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

#### Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

#### Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

### II. When Is a Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wis. Right to Life, Inc.*, 551 U.S. 449 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way, there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

### **III. What Should the Disclosure Statement Say?**

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising is audio only and does not include written text.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

### **IV. Are There Any Exceptions to the Disclosure Statement Requirement?**

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute;
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)
6. postings or re-postings on an Internet website if the person posting or re-posting is not an officeholder, candidate, or political committee and did not make an expenditure exceeding \$100 in a reporting period for political advertising beyond the basic cost of hardware messaging software and bandwidth;
7. an Internet social media profile webpage of a candidate or officeholder, if the webpage clearly and conspicuously displays the full name of the candidate or officeholder; and
8. postings or re-postings on an Internet website if the advertising is posted with a link to a publicly viewable Internet webpage that either contains the disclosure statement or is an Internet social media profile webpage of a candidate or officeholder that clearly and conspicuously displays the candidate's or officeholder's full name.

#### **V. What Should I Do If I Discover That My Political Advertising Does Not Contain a Disclosure Statement?**

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

#### **VI. The Fair Campaign Practices Act.**

The [Fair Campaign Practices Act](#) sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign

treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

**(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.**

## **VII. Special Notice to Political Subdivisions and School Districts.**

You may not use public funds or resources for political advertising. Please see our “Publications and Guides” section of our website for more information.

## **ROAD SIGNS**

### **I. When Is the “Right-Of-Way” Notice Required?**

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

### **II. What Should the “Right-Of-Way” Notice Say?**

Section 259.001 of the Texas Election Code prescribes the exact language of the notice:

**NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.**

### **III. Do Yard Signs Have to Have the “Right-Of-Way” Notice?**

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

### **IV. What About Bumper Stickers?**

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

### **V. Where May I Place My Signs and How Long May Signs Be Posted?**

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government or your homeowner’s association. The Texas Ethics Commission does not have

jurisdiction over matters involving the location of signs, and the length of time that they may be posted.

## MISREPRESENTATION

### I. Are There Restrictions on the Contents of Political Advertising?

Political advertising and campaign communications may not misrepresent a person’s identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

### II. Misrepresentation of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don’t hold that office.** The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe  
for Attorney General**

**John Doe  
For  
Attorney General**

A non-incumbent may not be allowed to use the following verbiage:

**Elect John Doe  
Attorney General**

**John Doe  
Attorney General**

### **III. Misrepresentation of Identity or Source.**

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

### **IV. Use of State Seal.**

Only current officeholders may use the state seal in political advertising.

### **V. Criminal Offenses.**

Be aware that many violations of the Election Code are criminal offenses. For example, unlawfully using public funds for political advertising can be a Class A misdemeanor. So can misrepresenting one's identity or office title in political advertising. For more details on these offenses and political advertising in general, see [Chapter 255 of the Election Code](#).

## SWORN COMPLAINTS

An individual may file a sworn complaint with the Ethics Commission alleging a violation of any of the laws it administers, and Sections 334.025 and 335.055, Local Government Code, concerning false and misleading campaign material supporting or opposing the authorization of a sports or community venue project. The Commission does not have the authority to enforce the Penal Code.

A sworn complaint sets in motion a process that may include a preliminary review hearing and a formal hearing, and which permits resolution of the matter at several points in the process. The Commission may ultimately resolve a sworn complaint by dismissal, referral for criminal prosecution, or imposition of a civil penalty. A final decision of the Commission in a sworn complaint process may be appealed to a district court for a trial de novo. During most stages of the process, the Commissioners and Commission staff members are required to keep the complaint confidential.

## ENFORCEMENT AND INVESTIGATIVE POWERS

The Ethics Commission is authorized to undertake civil enforcement actions on its own motion or in response to a sworn complaint, hold enforcement hearings, issue orders, and impose civil penalties.

*Revised January 10, 2017*

## **THE TEXAS ETHICS COMMISSION**

On November 5, 1991, Texas voters approved an amendment that added Article III, Section 24a, to the Texas Constitution. The constitutional amendment created the Texas Ethics Commission. The amendment set out the method by which the eight members of the Commission are to be appointed, with four of the Commissioners appointed by the Governor, two appointed by the Lieutenant Governor, and two appointed by the Speaker of the Texas House of Representatives. No more than four members may be from the same political party.

### **CONSTITUTIONAL DUTIES**

The Texas Constitution provides that the Ethics Commission may recommend the salary of members of the Legislature, the Lieutenant Governor, and the Speaker of the House of Representatives, subject to approval by the voters at the subsequent general election for state and county officers. Also, the Commission must set the *per diem* of members of the Legislature and of the Lieutenant Governor. The Legislature is to determine the other powers and duties of the Commission.

### **RULEMAKING**

The Ethics Commission has rulemaking authority with respect to the laws it administers. Adoption of a rule requires an affirmative vote by six Commissioners.

## **LAWS ADMINISTERED BY THE TEXAS ETHICS COMMISSION**

Statutory duties of the Ethics Commission are in Chapter 571 of the Government Code. The agency is responsible for administering these laws: (1) Title 15, Election Code, concerning political contributions and expenditures, and political advertising; (2) Chapter 302, Government Code, concerning the election of the Speaker of the Texas House of Representatives; (3) Chapter 303, Government Code, concerning the governor for a day and speaker's reunion day ceremonies; (4) Chapter 305, Government Code, concerning lobbyist registration, reports, and activities; (5) Chapter 572, Government Code, concerning personal financial disclosure of state officers and conduct of state officers and employees; (6) Chapter 2004, Government Code, concerning representation before state agencies; (7) Chapter 159, Local Government Code, concerning judges of statutory county courts or statutory probate courts who elect to file a financial statement with the Commission; (8) Government Code, Section 2152.064 (concerning Conflict of Interest in Certain Transactions involving the Texas Facilities Commission); and (9) Government Code, Section 2155.003 (concerning Conflict of Interest involving the Office of the Texas Comptroller of Public Accounts).

## **ADVISORY OPINIONS**

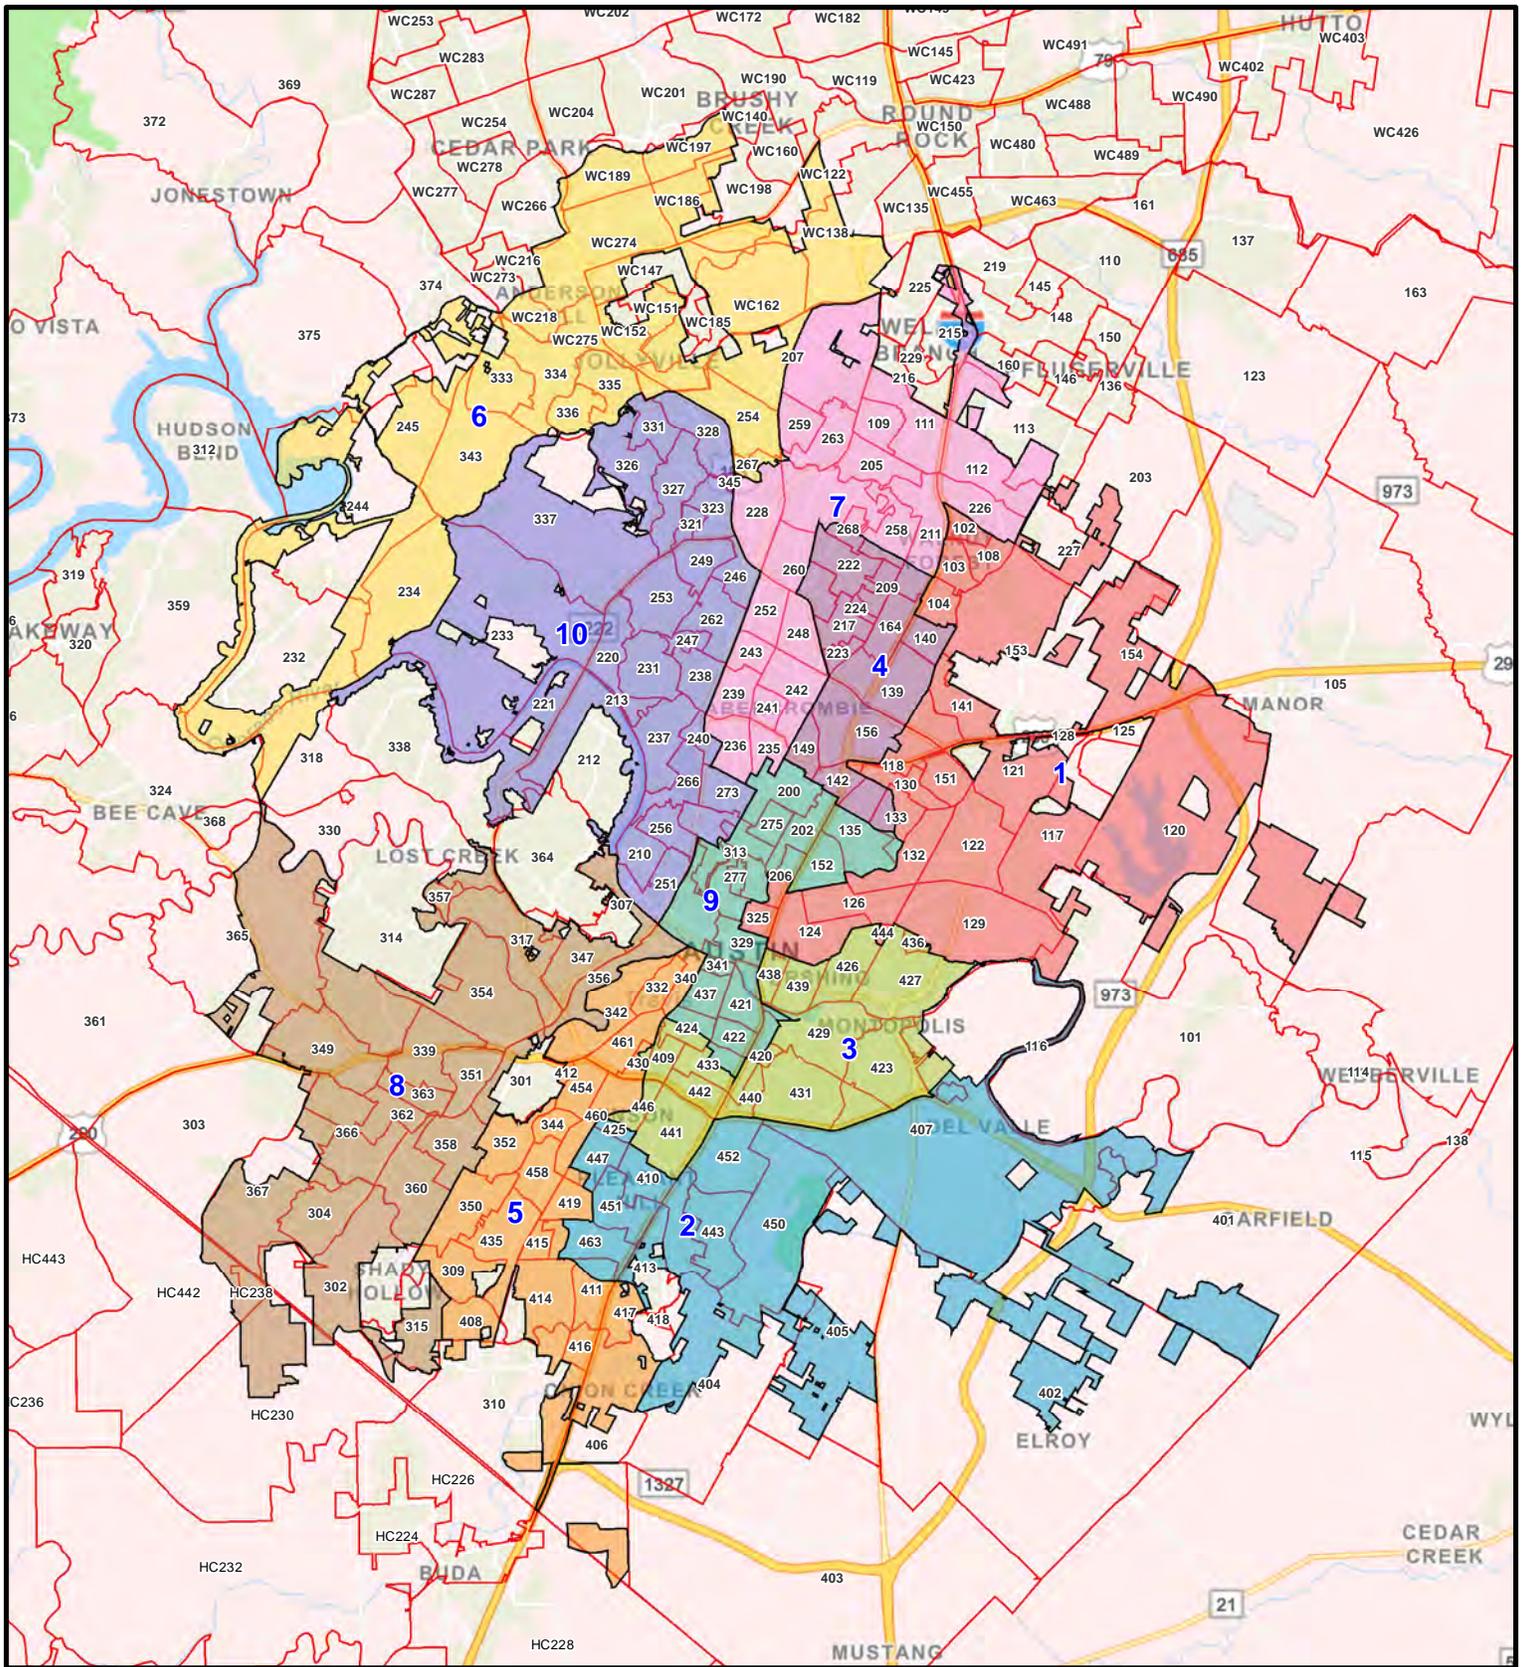

The Commission has the authority to issue an advisory opinion in response to a request from a person subject to any of the laws it administers, as well as Chapter 36, Penal Code, concerning bribery and corrupt influence, and Chapter 39, Penal Code, concerning abuse of office. It is a defense to prosecution or the imposition of a civil penalty under any of these laws that a person reasonably relied on an advisory opinion of the Commission. The name of a person requesting an advisory opinion must be kept confidential by the Commission.

### **FINANCIAL DISCLOSURE**

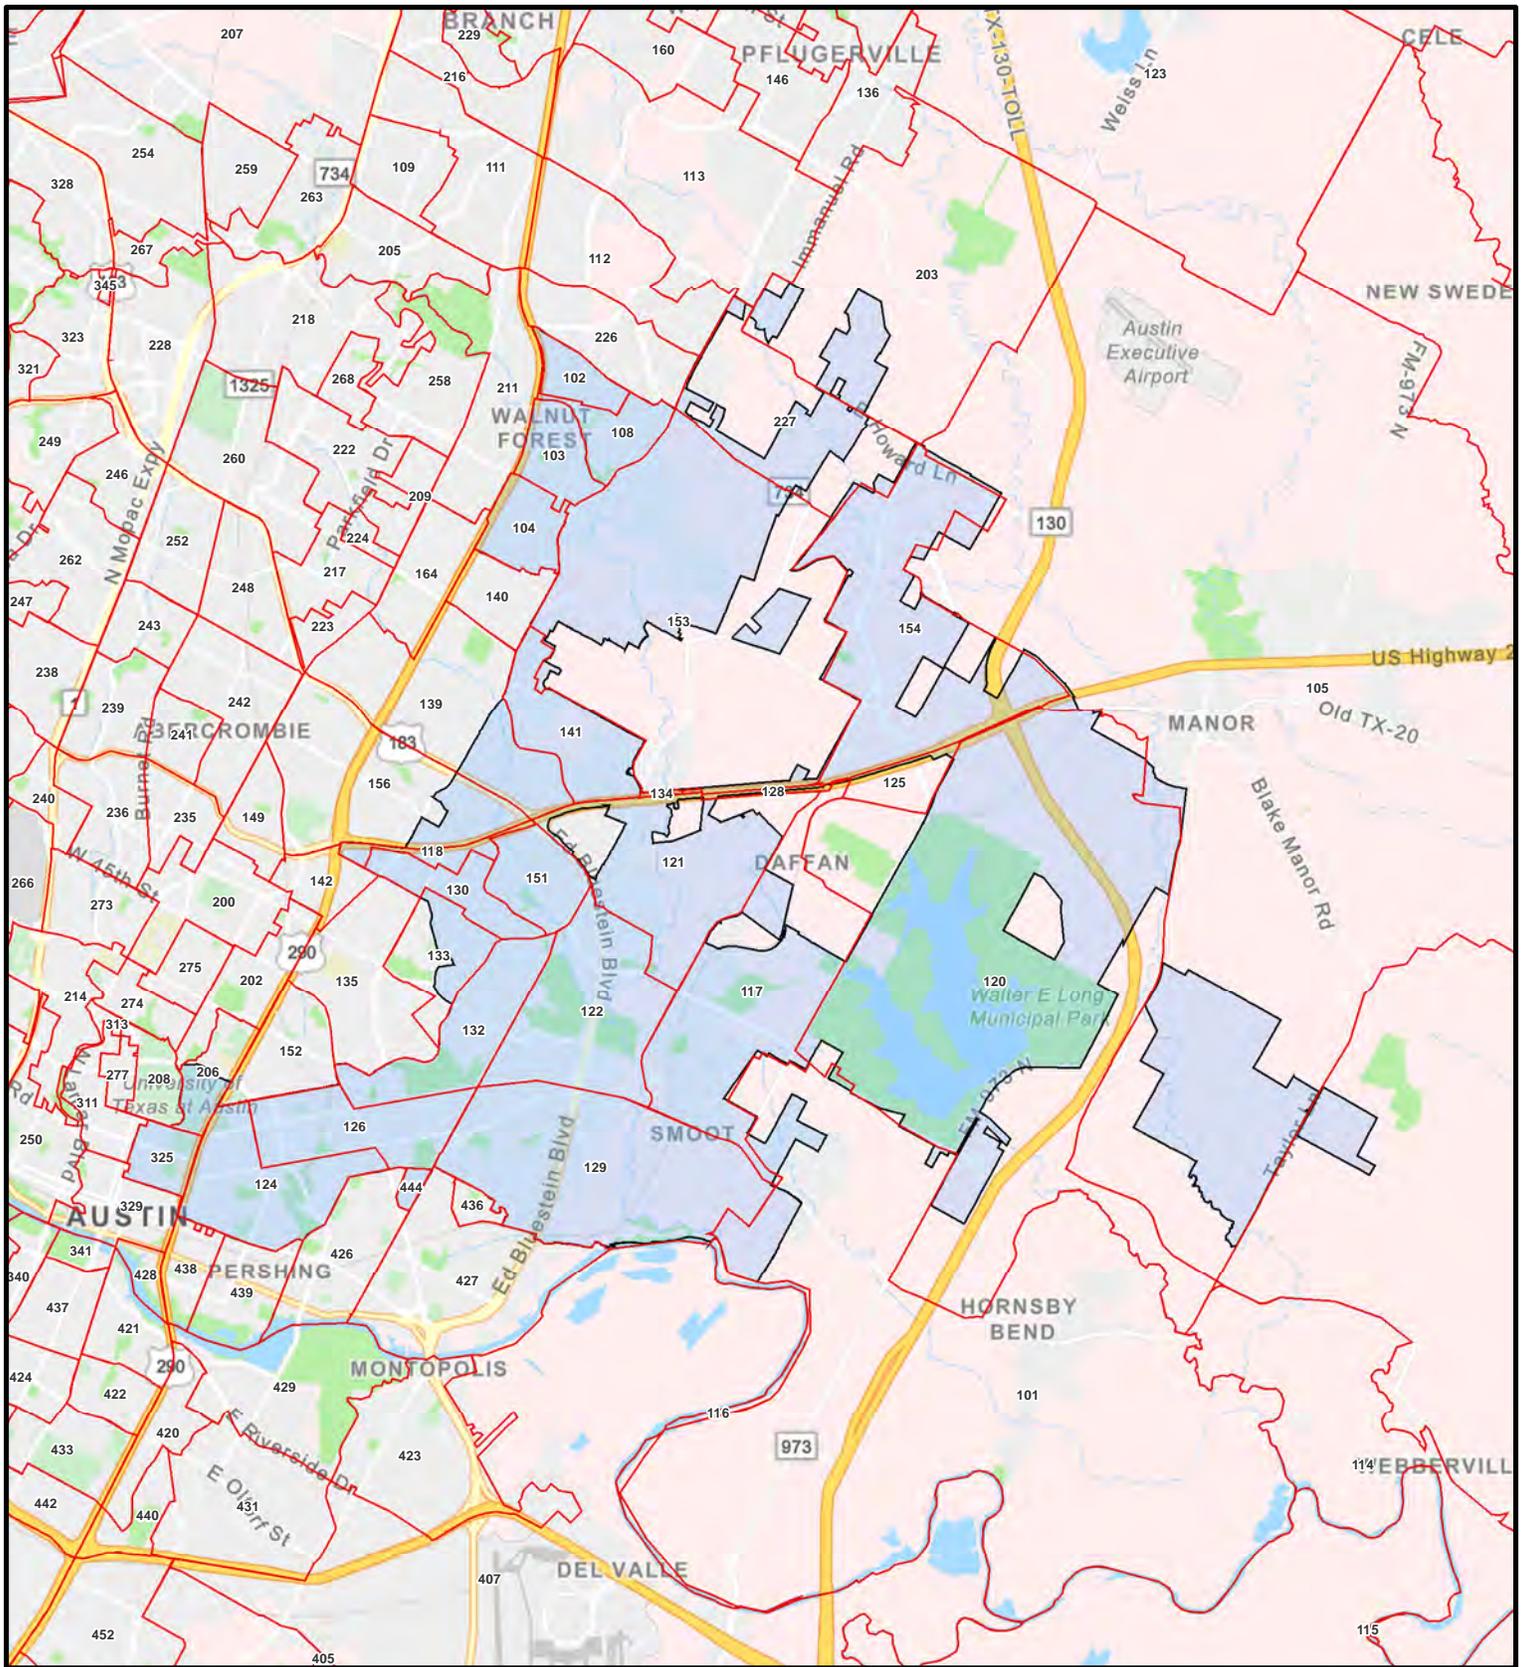

The Ethics Commission serves as a repository of required disclosure statements for state officials, candidates, political committees, lobbyists, and certain district and county judicial officers.

### **TRAINING**

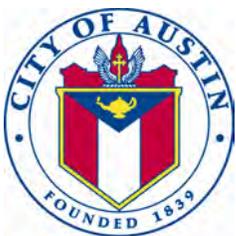

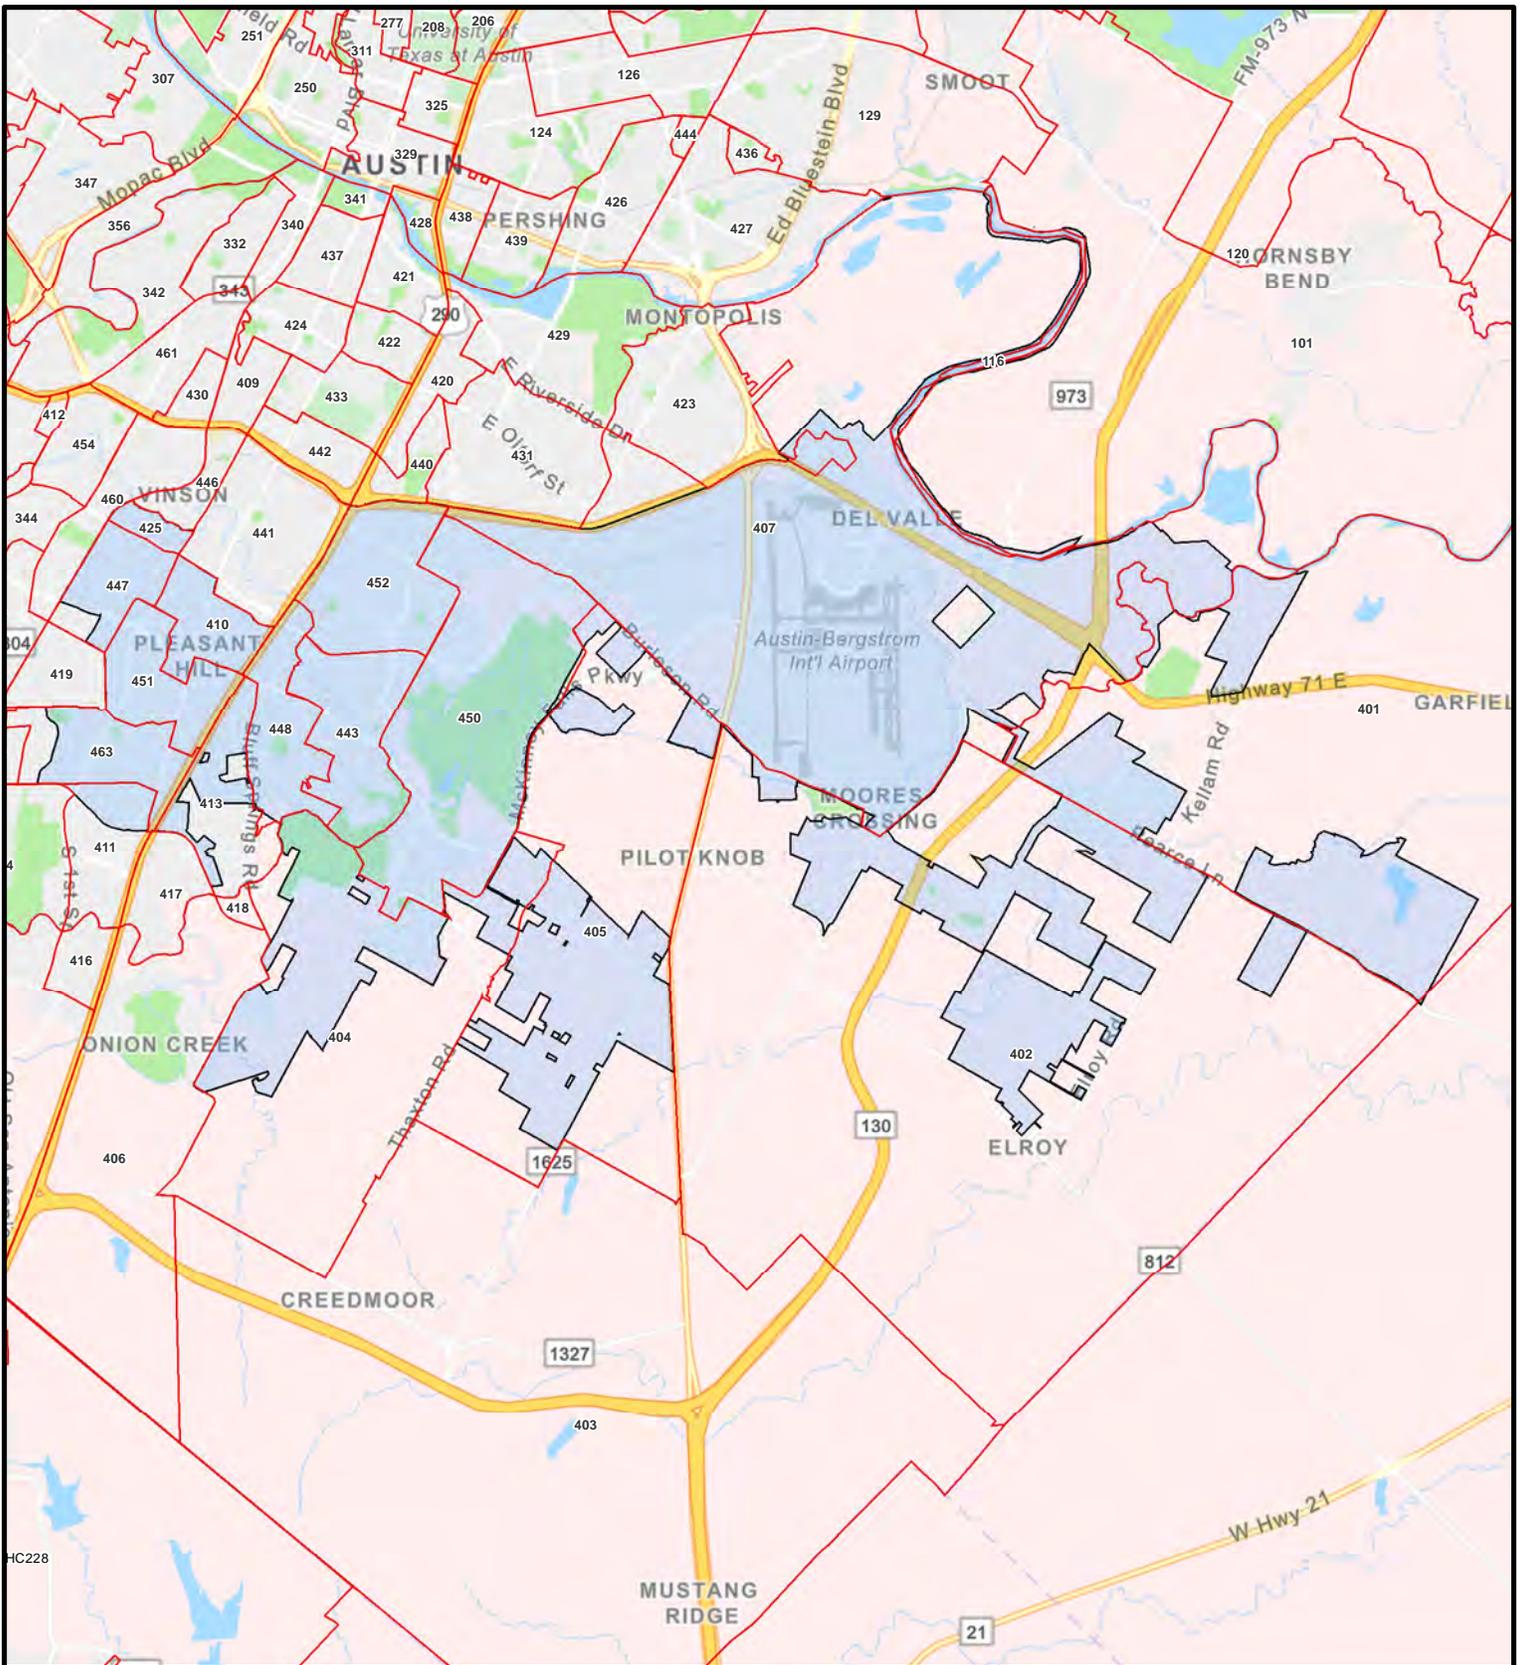

The Ethics Commission provides, in cooperation with state agencies, a program of ethics training for state employees, and also provides training for members and members-elect of the Texas Legislature concerning compliance with laws administered by the Commission. The Commission also produces educational materials and provides training programs for other groups affected by laws administered by the Commission.

## APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

### GENERAL INSTRUCTIONS

*These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.*

**DUTIES OF A CANDIDATE OR OFFICEHOLDER.** As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

**QUALIFICATIONS OF CAMPAIGN TREASURER.** A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

**DUTIES OF A CAMPAIGN TREASURER.** State law does not impose any obligations on a candidate's campaign treasurer.

**REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN.** If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;

- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

**WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT.** The appropriate filing authority depends on the office sought or held.

**a. Texas Ethics Commission.** The Texas Ethics Commission is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
- State Senator or State Representative.
- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.\*
- State Board of Education.
- A multi-county district judge\* or multi-county district attorney.
- A single-county district judge.\*

- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
  - A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
  - A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.
- \* Judicial candidates use FORM JCTA to appoint a campaign treasurer.

**b. County Clerk.** The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

**c. Local Filing Authority.** If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

**FILING WITH A DIFFERENT AUTHORITY.** If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority.

**FORMING A POLITICAL COMMITTEE.** As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

**NOTE:** See the *Campaign Finance Guide for Political Committees* for further information about specific-purpose committees.

**CHANGING A CAMPAIGN TREASURER.** If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

**AMENDING A CAMPAIGN TREASURER APPOINTMENT.** If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

**REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS.** If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

**TERMINATING A CAMPAIGN TREASURER APPOINTMENT.** You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

**FILING A FINAL REPORT.** For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

**ELECTRONIC FILING.** All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Ethics Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

**GUIDES.** All candidates should review the applicable Ethics Commission’s campaign finance guide. Guides are available on the Ethics Commission’s website at <http://www.ethics.state.tx.us>.

Please do not enter a P.O. Box.

- 9. CAMPAIGN TREASURER PHONE:** Enter the phone number of your campaign treasurer, including the area code and extension, if applicable.
- 10. CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
  - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
  - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
  - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

**PAGE 2**

- 11. CANDIDATE NAME:** Enter your name as you did on Page 1.
- 12. MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

**EXCEEDING \$500 IN CONTRIBUTIONS OR EXPENDITURES.** If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the amendment form (ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

*For more information, see the Ethics Commission’s campaign finance guide that applies to you.*

Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
- A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
- A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
- Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The *degree of consanguinity* is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. **Examples:** (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual’s brother or sister. For example, a wife is related to her husband’s grandmother in the second degree by affinity.

**Note:** The changes you have made on this form will replace the information on your previous APPOINTMENT form (Form CTA).

**PAGE 2**

**13. CANDIDATE NAME:** Enter your name as you did on Page 1, Section 1.

**14. MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semi-annual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

**Exceeding \$500 in contributions or expenditures.** If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use another amendment form (ACTA) to renew your option to file under the modified schedule.

*For more information, see the Ethics Commission's campaign finance guide that applies to you.*

# CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

**THEREFORE:**

- (1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent’s record and stated positions on issues.
- (2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate’s personal or family life.
- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
- (4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.
- (5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.
- (6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.
- (7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

NOW THEREFORE, for good and valuable consideration, the parties agree as follows:

## SECTION II

### Parties

The parties to this Contract are the City of Austin and the Candidate. The Candidate's  
contractual obligation extends to any agent of the Candidate that acts on the Candidate's  
behalf, or in any way assists, promotes, manages, volunteers, or is hired for the Candidate's

campaign. The Candidate's contractual obligation extends to any person who acts with the prior consent of or cooperation or strategic communication between the person and the Candidate or the Candidate's committee. The Candidate agrees that each opposing candidate who has signed a campaign contract is a beneficiary of the Candidate's compliance with the terms of this Contract, and agrees that each opposing candidate who has signed a campaign contract may enforce the terms of this Contract as a party to this Contract.

### SECTION III

#### Construction of the Agreement

This agreement is to be construed in a manner that is consistent with the purpose and spirit of the Charter and the Austin Fair Campaign Ordinance. The Charter and the Austin Fair Campaign Ordinance are incorporated into this Contract by reference. The Candidate must follow the requirements of the Charter and the Austin Fair Campaign Ordinance.

### SECTION IV

#### Consideration

Candidate: The Candidate agrees to be bound by the terms of this Contract in exchange for the mutual promises and obligations set forth herein, including, without limitation, the following:

- (1) The opportunity to qualify for available funds from the Austin Fair Campaign Finance Fund, as provided in the Austin Fair Campaign Ordinance;
- (2) The use of the statement of compliance with the Austin Fair Campaign Ordinance provided by section 2-2-14 of the City Code;
- (3) The right to participate in candidate forums; and
- (4) Compliance with the terms of a campaign contract by an opposing candidate who may sign one.

The Candidate accepts the foregoing as full consideration for the Candidate's obligations under this contract with the full understanding that funds might be limited, and that opposing candidates might not enter into campaign contracts.

City of Austin: The City of Austin agrees to be bound by the terms of this Contract in exchange for the mutual promises and obligations set forth herein, including, without limitation the following:

- (1) The Candidate's full compliance, except as provided by section 2-2-17 of the City Code, with the limits on contributions and expenditures set forth in sections 2-2-12 and 2-2-13 of the Austin City Code, as modified by the Charter, Article III, Section 8, and
- (2) The Candidate's participation in the series of forums provided by section 2-2-65 of the Austin City Code, as amended.

## SECTION V

### The Obligations

In exchange for the consideration stated above, the City of Austin will provide available funds to the Candidate in accordance with section 2-2-64 of the City Code. The City will use reasonable efforts to maintain funding for the Campaign Finance Fund. To the extent that funds are available from the Austin Fair Campaign Finance Fund, the Candidate shall receive a distribution of the available funds equal to that received by other qualifying candidates.

In exchange for the consideration stated above, the Candidate will comply, except as provided by section 2-2-17 of the City Code, with the limits on contributions and expenditures set forth in sections 2-2-12 and 2-2-13 of the City Code, as modified by the Charter, Article III, Section 8, will participate in three candidate forums provided by section 2-2-65 of the City Code, and will be liable for liquidated damages and enforcement sanctions as provided below.

The three candidate forums in which the signing candidate must participate are arranged by the City's Ethics Review Commission and include the following:

- 1) A five-minute taped statement;
- 2) A written candidate questionnaire; and
- 3) The live forum moderated by the LWVAA, for the office for which the candidate is running.

If a candidate enters into a campaign contract with the City, not participating in any of the three candidate forums listed above constitutes a violation of Section 2-2-65(A) of City Code and will result in the candidate being deemed ineligible for funds.

The Candidate has no expectation, neither implicit nor explicit, concerning the amount of matching public funds that the Candidate will be eligible for under this Contract. Furthermore, in the event that sufficient funds are not appropriated by the City Council in succeeding fiscal years, or in the event there is no money available for funds, or in the event that the Candidate is dissatisfied with the amount of money that is available for funds, the Candidate agrees that no contractual cause of action exists against the City for the Candidate's dissatisfaction.

The Candidate understands that other causes of actions may accrue against the Candidate in regard to the Candidate's campaign, and the Candidate agrees that this Contract is not intended to abridge or otherwise limit the rights of others against the Candidate in matters arising from or related to the Candidate's campaign.

This Contract imposes upon the Candidate and upon the City of Austin the duty of good faith compliance. The Candidate and the City of Austin are obligated to act in accordance with all substantive and procedural requirements of the Charter and the Austin Fair Campaign Ordinance.

## SECTION VI

### Term

The term of this Contract begins on the date it is signed by the Candidate and extends through the date of the election for the office sought by the Candidate, except in the event

the Candidate is in a runoff election, in which event the term of this Contract shall extend through the date of the runoff election.

### Termination

This Contract cannot be terminated by either party except as provided by section 2-2-17(B) of the City Code.

## SECTION VII

### Liquidated Damages

The Candidate understands and agrees that the actual damages that might be sustained by the City and by opposing candidates who have signed campaign contracts by reason of the Candidate's breach of this Contract are uncertain and are difficult to ascertain. Therefore, the Candidate accepts liability for liquidated damages in the event that Candidate or a person to whom the Candidate's contractual obligation extends under Section II of this Contract acts in a manner or fails to act in a manner that breaches the Candidate's obligations under the Contract.

It is stipulated that a reasonable and just compensation to each damaged party, including the City and each opposing candidate who has signed a campaign contract, for the Candidate's breach of the contribution or expenditure limits set forth in sections 2-2-12 and 2-2-13 of the City Code, as modified by the Charter, Article III, Section 8, would be three times the amount of the excessive expenditure made, or three times the amount of the excessive contribution accepted. In addition, if the Candidate breaches this Contract, the City may recover as damages from the Candidate any amount paid to the Candidate from the Austin Fair Campaign Finance Fund.

The Candidate promises to pay, and the City of Austin and each opposing candidate who signs a campaign contract agrees to accept, in lieu of other damages, the amounts set out in this Section VII as liquidated damages, and not as a penalty, in the event of a breach of this Contract. The Candidate further agrees that the City of Austin and each opposing candidate who has signed a campaign contract shall recover reasonable attorney's fees

from the Candidate in connection with a lawsuit for liquidated damages, in the event a court of competent jurisdiction finds the Candidate has breached this Contract.

#### SECTION VIII

##### Other Enforcement and Sanctions

If the Candidate breaches this Contract, the Candidate shall not be considered as a provider of goods or services to the City of Austin under a contract for a period of four years following the date of the election in which the breach occurred, unless controlling state law requires that his or her bid or proposal be accepted by the City. The City Council may waive this ineligibility by a unanimous vote.

##### Enforcement

This contract shall be enforceable as a matter of contract law in the courts of the state of Texas.

#### SECTION IX.

##### Severability of Provisions

If any provision of this Contract is held to be invalid, illegal or unenforceable by a court of competent jurisdiction, that holding (1) shall not invalidate the remainder of this Contract, (2) shall be limited to the specific parts of this Contract described in that holding, and (3) shall not affect the validity of this Agreement in any other way.

#### SECTION X.

##### Assignment Prohibited

In no event shall the Candidate assign or transfer any rights or obligations under this Contract.

#### SECTION XI.

##### Entire Agreement

This Contract supersedes all negotiations, agreements, and discussions, if any, between the City of Austin and the Candidate concerning all or any part of the subject matter of this Fair Campaign Contract.

## **CITY OF AUSTIN ETHICS REVIEW COMMISSION**

The Ethics Review Commission (ERC) is an eleven-member board of the City of Austin. It has numerous responsibilities regarding campaign finance, including but not limited to recommending guidelines for ethical standards of conduct for City officials and employees; prescribing forms for reports, statements, notices, and miscellaneous documents required by City campaign finance laws; and scheduling and overseeing public candidate forums held in connection with City elections.

City Code Chapter 2-7, Article 2, entitled *Ethics Review Commission*, provides the ERC with jurisdiction over City Code Chapter 2-2 (*Campaign Finance*) and Charter Article III, Section 8 (*Limits on Campaign Contributions and Expenditures*). City Code § 2-7-26. The ERC hears and rules on sworn complaints of alleged violations in these areas, and may impose a range of sanctions. City Code §§ 2-7-30(A)(6) and 2-7-49.

## **CITY OF AUSTIN CAMPAIGN FINANCE LAWS**

City-imposed Additional Requirements. The City's campaign finance laws mandate reporting requirements and impose restrictions on the receipt, timing, and use of political funds that are in addition to those found in state law. Most significantly, the City Charter imposes limitations on contributions and expenditures (Article III, Section 8, Limits on Campaign Contributions and Expenditures) and imposes a requirement for filing a structured data file for campaign finance reports. City Code §2-2-26.

Candidates may voluntarily contract with the City to abide by limitations on expenditures, thereby becoming eligible to potentially receive benefits/funding under the Austin Fair Campaign Chapter of the City Code Chapter 2-2, § 2-2-1 *et. seq.*

The Austin Fair Campaign Chapter is discussed more fully below under its own subheading.

- Persons Subject to City of Austin Campaign Finance Laws. The mayor, council members, and candidates for those offices are subject to the City's campaign finance laws, requirements, and regulations. Additionally, some campaign finance laws affect political action committees, contributors, and others who participate in City elections.
- Time when Person Becomes Subject to City of Austin Campaign Finance Laws. For purposes of both City of Austin campaign finance laws and state campaign finance statutes, a person becomes a candidate – and therefore subject to campaign finance laws – when that person takes any action for the purpose of gaining election to public office. Examples of such actions include but are not limited to filing an Appointment of Campaign Treasurer form, circulating a petition for placement on the

ballot, soliciting pledges or actual contributions, or holding a press conference in which candidacy is effectively announced.

- Appointment of Campaign Treasurer Form.
  - **Filing an Appointment of Campaign Treasurer form should be the first act of a person's candidacy.**
  - The form is obtainable from, and is filed with, the City Clerk. <https://www.austintexas.gov/elections> A candidate should make certain to obtain the instruction booklet that accompanies the form.
  - A candidate may not begin to accept contributions or make political expenditures until the form has been correctly completed and filed.
  - A candidate may not spend personal funds for campaign purposes without first properly designating a treasurer by filing the form.
  - Filing the form does not place a candidate's name on the ballot. For information on securing a position on the ballot, candidates should contact the City Clerk<sup>1</sup>.
  - Immediately upon filing the form, a candidate becomes responsible for filing required periodic reports of contributions and expenditures with the City Clerk. There are criminal and civil penalties for failure to timely file required reports. Filing required reports is the responsibility of the candidate, not the campaign treasurer.

## **CAMPAIGN CONTRIBUTIONS**

- **Definition.** City Code Section 2-2-2(7) defines “contribution” as follows: CONTRIBUTION means a direct or indirect transfer of money, goods, services, or any other thing of value, including a pledge or an agreement or other obligation incurred, whether legally enforceable or not, to make a transfer.” The term does include an in-kind contribution, except for in-kind labor as defined in City Code Section 2-2-2(11). *See* Tex. Election Code § 251.001(21). The term includes a guarantee of a loan or extension of credit, as well as a loan or extension of credit, except that the term does not include “a loan made in the due course of business by a corporation that is legally engaged in the business of lending money and that has conducted the business continuously for more than one year before the loan is made” or “an expenditure required to be reported under Texas Government Code, Section 305.006(b).” Tex. Election Code § 251.001(2).
- **City Charter Limitations on Campaign Contributions.** State law imposes no limits on the size of campaign contributions. However, the Charter in Article III, Section 8 imposes the following limitations on contributions for all City elections:

---

<sup>1</sup> Phone: 512-974-2210; Email link: <http://www.austintexas.gov/email/city.clerk>; Mailing Address: P.O. Box 1088, Austin, TX 78767; Physical Address: 301 W. Second Street, Austin, TX 78701

- **A candidate may authorize, establish, administer, or control only one campaign committee at one time.**
- **A candidate and the candidate’s campaign committee must not accept contributions in excess of \$400 (the current limit adjusted for inflation) per contributor per election from any person, except for the candidate and small-donor political committees.** Under Section 8(A) of the Charter, the amount of the contribution limit must be modified each year with the adoption of the budget to increase or decrease in accordance with the most recently published federal government Bureau of Labor Statistics Indicator, Consumer Price Index (CPI-W) U.S. City Average. The June 2019 Consumer Price Index published on July 11, 2019, was used for the adjustment.
- A candidate and the candidate’s campaign committee must not accept an aggregate contribution total of more than \$38,000 **(the current limit adjusted for inflation)** per election, and \$25,000 **(the current limit adjusted for inflation)** in the case of a runoff election, from sources other than natural persons eligible to vote in a postal zip code completely or partially within the Austin city limits. The amount of the contribution limit must be modified each year with the adoption of the budget to increase or decrease in accordance with the most recently published federal government Bureau of Labor Statistics Indicator, Consumer Price Index (CPI-W) U.S. City Average. The June 2019 Consumer Price Index published on July 11, 2019, was used for the adjustment.
- **A small-donor political committee, as defined in City Charter Article III, Section 8(B)(2), must not contribute more than \$1,000 per candidate per election for the offices of Mayor and City Council. Each donation accepted by a small-donor committee cannot exceed \$25. See City Charter, Article III, Section 8(B)(1).**
- **The candidate has the responsibility of preventing violations. The candidate or the candidate’s campaign committee must determine whether accepting each contribution would violate City Charter Article III, Section 8 before accepting the contribution. City Charter, Article III, Section 8(E).**
- **Additional Restrictions on Accepting Contributions.**
  - City-owned Buildings. A person must not make a contribution to a candidate or officeholder, and a candidate or officeholder must not solicit or accept a contribution at a City-owned building, except at a City-owned building that is available for rental to the general public and that is rented for a campaign-related event at the time the contribution is made. This prohibition does not apply to acceptance of contributions mailed to officeholders at a City mailing address. See City Code Section 2-2-52.
  - Cash Contributions. State law prohibits a candidate, officeholder, or special-purpose committee from accepting from a contributor in a reporting period, political contributions in cash that total more than \$100. Tex. Election Code § 253.033 Checks are not considered to be cash.

A candidate or officeholder who accepts cash contributions in connection with a City election must maintain a receipt book for cash contributions. The receipt book must list the date of any cash contributions and the contributor's name and address. However, this is not the case if the cash contributions are received by a candidate or officeholder at one or more fundraising events having a stated ticket price of \$25 per person or less. Such contributions may be aggregated if the treasurer files with the next contribution and expenditure report an affidavit stating the amount of cash proceeds received at the event and verifies that no individual made a cash contribution of more than \$50 in connection with the event. *See* City Code Section 2-2-51.

- Contributions from Lobbyists. No person who is compensated to lobby the mayor or city council and who is required to register with the City as a lobbyist, and no spouse of any such person, may contribute more than \$25 in a campaign period to an officeholder or candidate for mayor or city council, or to a specific-purpose political committee involved in an election for mayor or city council. *See* City Code Section 2-2-53. Lobbyists can be individuals, corporations, associations, firms, partnerships, committees, clubs, organizations, or a group of persons who are voluntarily acting in concert. For information on lobbyist registration requirements, see City Code Chapter 4-8, and more specifically, section 4-8-3. Texas law generally prohibits accepting political contributions from corporations. Tex. Election Code § 253.094; *King Street Patriots v. Texas Democratic Party*, 521 S.W.3d 729, 741-43 (Tex. 2017). For more information on the prohibition on corporate political contributions, contact the Texas Ethics Commission.

## “AUSTIN FAIR CAMPAIGN CHAPTER”

- Voluntary Contract. As previously stated, candidates may voluntarily contract with the City to abide by limitations on expenditures, thereby becoming eligible to potentially receive benefits/funding under the Austin Fair Campaign Chapter. City Code Chapter 2-2, Article 2 (Voluntary Limitations on Contributions and Expenditures), Sections 2-2-11 through 2-2-17.
- **Time for Signing Campaign Contract. A candidate who wishes to sign the Campaign Contract must personally execute it the earlier of (1) 30 days after becoming a candidate under the Texas Election Code; or (2) the date the candidate files for a place on the ballot. City Code § 2-2-11.**
- Campaign Contract Availability. City Code Section 2-2-11(A) states: “A candidate for mayor or city council may sign a contract with the City agreeing to abide by limitations on that candidate’s contributions and expenditures as specified in this article in exchange for benefits provide under this chapter.” Such contract is called the “Campaign Contract” and may be obtained from the City Clerk.
- Available Funding. City Code Section 2-2-11(C) provides as follows: “Only a candidate who signs a campaign contract with the City will qualify for public funds from the Austin Fair Campaign Finance Fund...” Additionally, the signing candidate must agree to participate in a series of three candidate forums arranged by the City’s Ethics Review Commission. Shortly after the deadline for filing an application for place on the ballot, August 17, 2020, the Ethics Review Commission will send a letter

to all candidates for Mayor and City Council. The letter will invite each candidate to participate in the three required candidate forums:

(1) a five-minute candidate video statement recorded and aired by ATXN, the City of Austin's government access channel. See <http://www.austintexas.gov/atxn>.

(2) a City Council Candidate questionnaire, which has historically been prepared by the League of Women Voters of the Austin Area (LWVAA). Each candidate's answers to the questionnaire will be published online through the LWVAA's website, and will also be available on the City's website and at City of Austin Public Library branches.

(3) a live candidate forum moderated by the LWVAA. The live candidate forums will be scheduled no earlier than ten days following the deadline for filing an application for place on the ballot and no later than October 18, 2020 (with the exception of a live candidate forum for a runoff election, which if needed will occur between the election and runoff election). Each live candidate forum will be broadcast on ATXN and will be available for replay on ATXN's website archive.

- **Participation in all Three Candidate Forums Required for Receipt of Public Campaign Funds.** Candidates who enter into a campaign contract under the City's Campaign Finance Ordinance (City Code, Chapter 2-2) are required to participate in the three candidate forums (five-minute video statement, written candidate questionnaire, and the live candidate forum(s) moderated by the LWVAA). If a candidate enters into a campaign contract with the City, not participating in the three candidate forums constitutes a violation of Section 2-2-65(A) of City Code. The Fair Campaign Finance Fund is found in Chapter 2-2, Article 7 of the City Code, Sections 2-2-61 through 2-2-65.

The Fair Campaign Finance Fund provides partial public support for qualifying candidates in runoff elections. Funding is subject to availability, and is not provided to candidates in uncontested elections, recall elections, or elections to fill vacancies created by a recall election. The fund itself is comprised from monies garnered from lobbyist fees, donations, liquidated damages and criminal fines collected for violations of campaign laws, and filing fees from candidates.

- Limitations on Contributions. City Code Section 2-2-13 imposes the following limitations on contributions for those signing the Campaign Contract:
  - **Candidates for Mayor:** A candidate must not accept contributions from an individual or any political committee in excess of the aggregate contribution amount set by City Charter Article III, Section 8(A)(1) for both the campaign period for the election and the campaign period for a runoff election; and more than \$24,000 from political committees for a regular election, or an additional \$16,000 for a runoff election.
  - **Candidates for City Council:** A candidate must not accept contributions from an individual or any political committee in excess of the aggregate contribution amount set by City Charter Article III, Section 8(A)(3) for both the campaign period for the election and the campaign period for a runoff election; and more than \$15,000 from political committees for a regular election, or an additional \$10,000 for a runoff election.

- Limitations on Expenditures. City Code Section 2-2-12 imposes the following limitations on expenditures for those signing the Campaign Contract:
  - **Candidates for Mayor: A candidate for mayor must not make expenditures in excess of \$120,000 for the campaign period for the election, and an additional \$80,000 for a runoff election.**
  - **Candidates for City Council: A candidate for city council must not make expenditures in excess of \$75,000 for the campaign period for the election, and an additional \$50,000 for a runoff election.**
  - **A candidate in a race for mayor or city council must not make expenditures from the candidate’s own funds that exceed five percent of the applicable voluntary expenditure limits delineated above for an election or runoff election.**
  
- Disclosure Statement Required.
  - City Code Section 2-2-14 mandates that **a candidate who has signed a Campaign Contract** must include the following notice in all political advertising, verbatim and in a clear and conspicuous manner: **“This campaign has agreed to comply with the contribution and expenditure limits of the Austin Fair Campaign Chapter.”**
  - The same City Code section also mandates that **if a candidate has not signed a Campaign Contract**, the following notice must be included in all political advertising, verbatim and in a clear and conspicuous manner: **“This campaign has not agreed to comply with the contribution and expenditure limits of the Austin Fair Campaign Chapter.”**
  
- Consequences of Violation of Campaign Contract.
  - Breach of a candidate’s Campaign Contract can be the result of violating the contribution or expenditure limits, authorizing the publication of political advertising without the required notice, or the like.
  - The Campaign Contract provides for liquidated damages payable to the City and to other candidates for the same office who have signed a Campaign Contract, and the amount of liquidated damages is three times the amount of the excessive expenditure made or contribution accepted. City Code § 2-2-15. Additionally, the City and each opposing candidate with standing to enforce a Campaign Contract are entitled to recover reasonable attorney’s fees from the breaching party in connection with a lawsuit for liquidated damages. City Code § 2-2-15. The City may also recover from the breaching party any amount paid to that candidate from the Fair Campaign Finance Fund. The breaching party may also be barred for four years from being considered as a provider of goods or services to the City.
  - The Campaign Contract is enforceable as a matter of contract law in the courts. It is not intended to create criminal liability.

## **TIME RESTRICTIONS ON CANDIDATE FUNDRAISING**

A candidate may only raise funds for an election during an authorized campaign period. City Code § 2-2-7(G). The campaign period for a general election begins 365 days<sup>2</sup> before the date of the general election. City Code § 2-2-7(B). The campaign period for a runoff election begins the day after the date of an election. City Code § 2-2-7(C).

## **RESTRICTIONS ON USE OF CONTRIBUTIONS**

- State law prohibits converting contributions to personal use.
- Candidates are not required to disgorge (or distribute the balance of) campaign funds at the end of an election.<sup>3</sup>
- City Charter Article III, Section 8(F)(6-8) allows an officeholder to retain up to \$20,000 of funds received from political contributions for the purposes of officeholder expenditures, with the provision that such funds be held in a separate account, be used only for officeholder expenditures and not for campaign expenditures, and be paid to the Fair Campaign Fund when the officeholder leaves the council.
- City Charter Article III, Section 8(F)(4) allows an unsuccessful candidate having unpaid expenses after an election, or who has unreimbursed campaign expenditures from personal funds that were made with the intent to seek reimbursement from political contributions, to solicit and accept political contributions after the election until the unpaid expenses are paid and the unreimbursed expenditures are reimbursed.
- City Charter Article III, Section 8(F)(5) allows an officeholder having unpaid expenses after an election, or who has unreimbursed campaign expenditures from personal funds that were made with the intent to seek reimbursement from political contributions, to solicit and accept political contributions after leaving office until the unpaid expenses are paid and the unreimbursed expenditures are reimbursed. An officeholder may also pay the unpaid expenses and reimburse the unreimbursed expenditures from political contributions received during a subsequent campaign.

---

<sup>2</sup> The 365-day campaign period was adopted by city council after a federal court struck down the 180-day campaign period (which is set forth in City Charter Article III, section 8(F)(2)). *Zimmerman v. City of Austin*, 881 F.3d 378, 392 (5<sup>th</sup> Cir. 2018).

<sup>3</sup> See *Zimmerman v. City of Austin*, 881 F.3d at 395 (5<sup>th</sup> Cir. 2018) (holding unconstitutional City Charter Article III, Section 8(F)(3), which required disgorgement of campaign funds).

## **CONTRIBUTION AND EXPENDITURE REPORTS; OTHER REPORTS**

- City Code Section 2-2-2(3) defines “campaign finance report” as “a periodic report of contributions, loans, credits, interests, gains, reimbursements, and expenditures of a candidate, officeholder, or political committee required to be filed under Chapter 254, Texas Election Code, including any other matters and reports required to be disclosed under City Code Chapter 2-2”.
- Under City Code Section 2-2-21 and Texas Election Code Section 254.202, candidates for mayor and city council must file campaign finance reports with the City Clerk’s office. The report must include any information required by the Texas Election Code or City Code Chapter 2-2 (Campaign Finance).
- Under City Code Section 2-2-26, a candidate, officeholder, or political committee, required by the City Code or state law to file a campaign finance report with the city clerk, must also provide the city clerk a structured data file containing the contents of the campaign finance report. The data file must comply with specifications and be on media determined by the city clerk. The data file must be provided to the city clerk no later than the date that the associated campaign finance report must be filed.
- Other Reports. As mandated by and in accordance with the Texas Election Code or City Code, a candidate must file the following:
  - A campaign treasurer appointment;
  - Semiannual sworn statements of contributions and expenditures;
  - Pre-election sworn statements of contributions and expenditures due 30 days before an election and eight days before an election (for opposed candidates);
  - Runoff reports (in the event of a runoff);
  - A final report (as a candidate);
  - Annual reports of unexpended contributions (for candidates who have unexpended contributions after having filed a final report); and
  - A report of final disposition of unexpended contributions.
  - City of Austin Pre-Election Reports
  - City of Austin Bundling Report
  - City of Austin Direct Campaign Expenditure Report
  - City of Austin Candidate and Officeholder Data File

State law also encourages candidates and political committees to subscribe to the Code of Fair Campaign Practices. Tex. Election Code Chapter 258. Subscription to the Texas Fair Campaign Practices Code is voluntary. Tex. Election Code § 258.003. Candidates may subscribe to and file the Code of Fair Campaign Practices.

Candidates may obtain the Code of Fair Campaign Practices forms, as well as Austin Fair Campaign Chapter forms, at the City Clerk's Office at 301 West Second Street, First Floor, Austin, Texas. Tex. Election Code § 258.005; City Code § 2-2-6.

### **DIRECT CAMPAIGN EXPENDITURES MADE BY PERSON OTHER THAN A CANDIDATE OR A CANDIDATE'S COMMITTEE**

- City Code Section 2-2-32 sets forth reporting requirements for persons other than a candidate or a candidate's committee who make expenditures for or opposing a candidate or ballot measure. An expenditure supporting or opposing the election of a candidate or ballot measure is considered independent of the candidate's campaign if pursuant to Code Section 2-2-31(A):
  - 1) The expenditure is made independently of the candidate and the candidate's committee;
  - 2) The expenditure is made without prior consent, cooperation, strategic communication, or consultation between (a) any candidate, any candidate's campaign staff, any candidate's campaign committee, or an agent or employee of any candidate or candidate's campaign committee; and (b) the person or entity making the expenditure, or that person's agent or employee; and
  - 3) The expenditure is made without prior sharing of material information regarding the communication's content, intended audience, timing, or method of dissemination between: (a) any candidate, any candidate's campaign staff, any candidate's campaign committee, or an agent or employee of any candidate or candidate's campaign committee; and (b) the person or entity making the expenditure, or that person's agent or employee.
- City Code Section 2-2-32 requires reporting of direct campaign expenditures that in the aggregate meet or exceed \$500. The form identified as Schedule ATX.1, "Report of Direct Campaign Expenditures", must be filed with the City Clerk's office by every person, including political action committees other than a candidate or a candidate's committee, that makes independent expenditures of \$500 or more in the aggregate to promote the election or defeat of any candidate or ballot measure in a City election. The report must be filed within the deadlines specified in Section 2-2-32 and in compliance with any other campaign finance reporting deadlines under state law or the City Code.

### **LENGTH OF TIME FOR RETAINING RECORDS**

- City Code Section 2-2-28 requires that copies of checks, bank statements, and deposit slips must be kept for a period of five years after the close of the reporting period to which the records are applicable. Information / records necessary to prove compliance with City Code Chapter 2-2 (Campaign Finance) should also be retained for five years. *See e.g.*, Code § 2-2-22(C).

## CORRECTION/AMENDMENT AFFIDAVIT FOR CANDIDATE/OFFICEHOLDER

**All Reports:** A filer who files a corrected report must submit a correction affidavit. The affidavit must identify the information that has changed.

**Reports filed with Texas Ethics Commission:** A corrected report (other than a report due 8 days before an election or a special report near election) filed with the Ethics Commission after its due date is not considered late for purposes of late-filing penalties if: (1) any error or omission in the report as originally filed was made in good faith, and (2) the person filing the report files a corrected report and a good-faith affidavit not later than the 14th business day after the date the person learns that the report as originally filed is inaccurate or incomplete.

**Semiannual Reports:** Effective September 1, 2011, a semiannual report (due January 15 or July 15) that is amended/corrected before the eighth day after the original report was filed is considered to have been filed on the date the original report was filed. Attach additional pages as necessary.

### INSTRUCTIONS FOR COMPLETING THIS FORM

*The following numbers correspond to the numbered boxes on the other side.*

**1. Filer ID.** If you file with the Ethics Commission, you should have received a letter acknowledging receipt of your campaign treasurer appointment and assigning you a Filer ID. Put that number in this box. If you do not file with the Ethics Commission, skip this box.

**2. Total Pages Filed.** After completing this form and any attachments, count the number of pages. Enter that number in this box. Each side of a two-sided form counts as a page. In other words, this form is two pages.

**3. Candidate/Officeholder Name.** Put your full name here. Enter your name in the same way as on the report you are correcting.

**4. Original Report Type.** Mark the type of report you are correcting.

**5. Original Period Covered.** Enter the period covered by the report you are correcting. The year is important because filers sometimes correct reports years after filing the original.

**6. Explanation of Correction.** Attach any part of the campaign finance report form needed to report and explain corrections. Explain why there was an error on the original report. Also explain what information is being corrected and how the new information is different from the information on the original report. (Use additional pages if you need more space.) You may also use this area to request a waiver or reduction of a late-filing penalty and state the basis of your request.

**7. Affidavit.** Read the affidavit before signing. You must sign the affidavit in the presence of an individual authorized to take oaths. If signed before a notary public, the affidavit must include the notary's signature and seal.

**8th Day Before Election Report:** [Opposed candidates](#) in an election who did not choose the [modified reporting](#) schedule must file this pre-election report. If an [opposed candidate](#) chose [modified reporting](#) but then exceeded a threshold before the 8th day before the election, the candidate must file this report. (Note: Candidates who are [unopposed](#) in an election are not required to file pre-election reports for that

election.) The report is due no later than 8 days before the election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**Exceeded \$500 Limit Report:** Candidates who chose to file under the [modified reporting](#) schedule but then, after the 30th day before the election, exceeded \$500 in contributions or \$500 in expenditures in connection with the election must file this Exceeded \$500 Limit report within 48 hours after exceeding the \$500 limit.

**Runoff Report:** Candidates who are participating in a runoff election and did not choose the [modified reporting](#) schedule must file this runoff report. The report is due no later than 8 days before the runoff election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**Less Commonly Filed Reports:** These reports are only required if you meet certain criteria. You can select one of the following report types as a stand-alone report or in combination with one of the reports listed above, if applicable. Select the radio button for one of these less commonly filed reports only if the report type applies to the event for which you are filing.

**Final Report:** You may file a Final report if you have a campaign treasurer appointment (Form CTA) on file with the COA-EFS and meet all of the following: 1) do not expect to accept any more campaign contributions or make or authorize any more campaign expenditures, 2) expect to take no further action to get elected to a public office, and 3) do not intend to continue accepting contributions to pay campaign debts. There is not a fixed deadline for this report.

***Important Things to Know Before Filing a Final Report:***

- You must have a CTA on file to accept contributions to offset campaign debts or to pay campaign debts. If you intend to continue this campaign activity, do not file a final report at this time.
- A final report will terminate your CTA and relieve you from any additional filing obligations as a candidate. If you are an officeholder, you will still be subject to the filing requirements applicable to officeholders. If you are not an officeholder but have surplus political funds or assets, you will be required to file annual Unexpended Contribution reports. (See Unexpended Contributions under "Other Reports" for more information.)
- Terminating a CTA does not relieve you of your responsibility for any delinquent reports or outstanding civil penalties.
- A candidate who does not have a CTA on file is still required to file a personal financial statement (PFS) in accordance with chapter 572 of the Government

Code. You can set up a PFS filer type with COA-EFS to file PFS using this filing application, if applicable.

**15 Day After Treasurer Appointment Report (For Officeholders Only):** An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment (Form CTA) on file. This report is due no later than midnight Central Time on the 15th day after an officeholder files Form CTA with the COA-EFS. It is not required of officeholders who are merely changing their campaign treasurers. Candidates who are not officeholders do not file this report.

**Other Reports:** These other reports are only required in certain circumstances and cannot be combined with other report types. Read the information concerning each of the report types. Select the radio button for one of these other reports only if the report type applies to the event for which you are filing.

**Daily Pre-election Report of Contributions:** Daily Pre-election reports are time-sensitive reports due during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. If you are an [opposed candidate](#) in an election for statewide office; district office filled by voters of more than one county; judicial district office filled by voters of only one county; State Board of Education; state senator; or state representative, you must file a Daily report each time you accept contribution(s) from a single source that in the aggregate total more than \$1,000 during the Daily report period. You may be required to file more than one Daily report during the Daily report period. A Daily report must be received by the COA-EFS no later than midnight Central Time the first business day after the date you accepted the contribution that triggered the reporting requirement. *Note:* Contributions disclosed on a Daily report must be disclosed again on the next required report. Don't worry; the filing application will automatically copy contributions from any Daily report you file into your next required report.

**Legislative Special Session Report:** This report is filed after a special legislative session called by the governor. You must file this report ONLY IF you are a statewide or legislative candidate or officeholder who accepted contributions during the period covered by the Special Session report. (Statewide officeholders and members of the legislature may not accept political contributions during a regular legislative session. This restriction does not apply during a special session.) The Special Session report must be filed no later than 30 days after the date of final adjournment and must cover the period beginning on the date the governor signs the proclamation calling the special session and ending on the date of final adjournment of the special session. You are not required to file a separate Special Session report if another report is due no later than the 10th day after the date on which the Special Session report would be due.

If you do not accept any contributions during the period covered by the Special Session report, you are not required to file the report. (This is an exception from the usual requirement that you must file a report even if you have no activity to report.)

A Special Session report is a report of contributions only, not expenditures. Contributions reported on a Special Session report must be reported again on your next regular report. (Don't worry; the filing application will automatically copy contributions from any Special Session report you file into your next required report.) In addition, you must include on your next regular report any expenditures that occurred during the period covered by the Special Session report.

**Unexpended Contributions Report-Annual (For Former Candidates and Former Officeholders without a Campaign Treasurer Appointment on File):** You must file this report if one of the following descriptions applies to you:

- (1) You filed a final report as a candidate at a time when you were not an officeholder, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you filed the final report; or
- (2) You ceased to be an officeholder at a time when you did not have a campaign treasurer on file, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you ceased to be an officeholder.

If you are a former candidate or officeholder with unexpended funds or assets, you must file an annual Unexpended Contributions report by midnight Central Time on January 15 following each year in which you maintained unexpended contributions or assets. You must continue to file annual Unexpended Contribution reports until you have disposed of all your unexpended contributions or assets. (See "Unexpended Contributions Report-Final" below for more information about the report of final disposition.) [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Unexpended Contributions Report-Final (For Former Candidates and Former Officeholders without a Campaign Treasurer Appointment on File):** You must file Unexpended Contribution reports if one of the following descriptions applies to you:

- (1) You filed a final report as a candidate at a time when you were not an officeholder, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you filed the final report; or
- (2) You ceased to be an officeholder at a time when you did not have a campaign treasurer on file, and you had unexpended political contributions, interest,

assets, or other money earned from political contributions at the time you ceased to be an officeholder.

(See "Unexpended Contributions Report-Annual" above for more information about the annual reports.) Once you have disposed of all your political contributions or assets, you will file an "Unexpended Contributions-Final" report. You may not retain unexpended contributions or assets longer than 6 years after the date you filed your final report or ceased being an officeholder, as applicable. The latest possible date for filing a "final disposition" report of unexpended contributions is 30 days after the end of that six-year period. [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Period Covered:** The filing application will calculate the period covered for your report based on the report type you select. You can modify the start and end dates as long as your modified start date does not precede the filing application calculated start date and your modified end date does not extend past the filing application calculated end date. If you need to report activity outside of the filing application calculated date range for this report, you will need to file multiple reports.

A reporting period includes the Start date and the End date. The report due date will be after the end of the period. Generally, a report picks up where the last report left off and there should be no gaps or overlapping periods. The exceptions are Daily Pre-election reports and Special Session reports, which do create overlaps because you are required to report the activity twice.

**First Reports.** If this is the first campaign finance report that you have filed, the start date will depend on the date your campaign treasurer appointment (Form CTA) was filed or the date you took office.

- If you are a candidate (an individual who has filed a Form CTA) and you are filing your first report, the start date will be the date your Form CTA was filed.
- If you are an officeholder who was appointed to an elective office and who did not have a Form CTA on file at the time of the appointment, the beginning date for your first report will be the date you took office.

**January 15th Semiannual Report Period:** The start date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the "First Reports" section above. The end date is December 31 of the previous year.

**July 15th Semiannual Report Period:** The start date is January 1 or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the "First Reports" section above. The ending date is June 30.

**30th Day Before Election Report Period:** The start date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the "First Reports" section above. The end date is the 40th day before the election. (This report is not required for [unopposed candidates](#) or candidates who are filing under the [modified reporting](#) schedule.)

**8th Day Before Election Report Period:** The start date is the 39th day before the election if you were required to file a 30th Day Before Election Report. If you were not required to file the 30th Day Before Election Report, the start date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the "First Reports" section above. The end date is the 10th day before the election. (This report is not required for [unopposed candidates](#) or candidates who are filing under the [modified reporting](#) schedule.)

**Exceeded \$500 Limit Report Period:** (This report is only required for candidates who selected the [modified reporting](#) schedule but exceeded the \$500 limit after the 30th day before the election.) The start date for the report is either the day you appointed your campaign treasurer or the day after the last day covered by your last required report, whichever is later. The end date is the day you exceeded the \$500 limit for contributions or expenditures. (See "Exceeded \$500 Limit Report" in the "Report Type" section above for more information.)

**Runoff Report Period:** The start date is the 9th day before the main election if you filed an 8th Day Before Election report in connection with the main election. Otherwise, the start date is the day after the last day covered by your last required report or the day you appointed a campaign treasurer, whichever is later. The end date is the 10th day before the runoff election. (This report is not required for candidates who are filing under the [modified reporting](#) schedule.)

**Final Report Period:** The start date is the day after the last day covered by your last required report. The end date is the day you file the final report.

**15 Day After Treasurer Appointment Report Period (Officeholders Only):** The start date is either the day after the last day covered by your last required report or the day you began serving an appointment to elective office. The end date is the day before the campaign treasurer appointment was filed. This report is due no later than 15 days after the campaign treasurer appointment was filed.

**Daily Pre-election Report Period:** The start date is the day you accepted the contribution(s) that triggered the reporting requirement. The end date is the day you file the report. A Daily report must be received by the COA-EFS no later than midnight Central Time the first business day after the date you accepted the contribution that triggered the reporting requirement. (See [Daily Pre-election Report of Contributions](#) in the "Report Type" section for more information.)

Legislative Special Session Report Period: (This report is only required if you are a statewide or legislative candidate or officeholder who accepted contributions during the period covered by the Special Session report.) The start date is the day the governor signs the proclamation calling the special legislative session. The end date is the day of final adjournment of the special legislative session. (See [Legislative Special Session Report](#) in the "Report Type" section for more information.)

**Unexpended Contributions Report-Annual Period:** If this is the first Unexpended Contributions-Annual report you have filed, the start date is the day after the day you filed your Final Report. The start date for all other Unexpended Contributions-Annual reports is January 1 of the previous year. The end date for all Unexpended Contributions-Annual reports is December 31 of the previous year. (See [Unexpended Contributions Report-Annual](#) in the "Report Type" section for more information.) [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Unexpended Contributions Report-Final Period:** If this is an Unexpended Contributions-Final report, the start date is the day after the period covered by your most recent Unexpended Contributions-Annual report. The end date is the date you file the Unexpended Contributions-Final report. (See [Unexpended Contributions Report-Final](#) in the "Report Type" section for more information.) You are required to disclose the receipt of such a notice in the report covering the period in which you receive the notice. ## C/OH: Worksheet Summary

**Worksheet Summary** is a new page in the filing application designed to help you keep track of the schedules required for this report and the activity you enter. If you indicated by answering "Yes" on the previous **Reporting Period Activities** screen that you have activity to report, those schedules/categories are highlighted in **green** in the grid.

**Return to Cover Sheet button:** Click on this button to go to the beginning of this report's **Cover Sheet** (report type and period covered). You may also go to the cover sheet by clicking on the link in the Report Menu navigation sidebar always displayed down the left side of your screen.

**Walk me through all schedules button:** Click on this button to be guided through a series of questions to determine whether-or-not you may have activity to disclose on a report schedule. This option takes you through ALL the schedules in the report from beginning to end. During the walk-through, any schedules that you choose to "work on this later" will be flagged with a check mark in the **Work on Later** column on the **Worksheet Summary** screen.

**Report Totals button:** Click on this button to go to this report's **Subtotals** and **Totals** pages, where you can view the calculated totals of activity entered in this report and enter lump sum totals for unitemized contributions, pledges, loans, and expenditures.

**Upload File button:** Click on this button to import your contribution and expenditure data into the filing application.

**Worksheet Summary Grid:** The reporting schedules/categories are organized into three main areas:

- **Incoming Funds** – any money coming into your political account(s);
- **Outgoing Funds** – any payments going out of your political account(s); and
- **Additional Activity** – other types of activity, such as non-monetary (in-kind) contributions, pledged contributions, or unpaid incurred expenditure obligations.

Under each main area, the information is displayed in the following columns:

**Category:** This column displays the name and letter code of each schedule/category you may possibly need for this report. (For example, the name of the first schedule is Monetary Political

Contributions and the letter code for that schedule is A1.) If you indicated on a previous screen that you have activity to report, those schedules/categories are highlighted in **green** in the grid.

**Walk Thru:** Click this link to be guided through a series of questions to help you determine whether or not you may have activity to disclose on a particular report schedule. This option allows you to walk-through a single schedule only. During the walk-through, if you choose to "work on this later" the schedule will be flagged with a check mark in the Work on Later column.

**Count:** This column keeps a running tally and displays the number of transactions you have entered and saved for a particular schedule/category.

**Sub-Total:** This column displays the total amount of transactions you have entered and saved plus any lump sum-total you entered on the **Schedule Subtotals** page for a particular schedule/category.

**Action:** To begin entering activity for a particular schedule/category, click on "Start" in this column. After you have saved your first transaction, the link that you click on changes to "Continue" in this column.

**Work on Later:** If you choose to do a "walk thru" of all schedules or one particular schedule, any schedules that you choose to "work on this later" will be flagged with a check mark in this column. Once you enter and save data on a checked schedule, the check mark will be removed; but remember, you can always enter information on any category/schedule, as needed, until you file the report.

## **C/OH: Schedule A1**

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **monetary** contributions on Schedule A1. (Non-monetary (in-kind) contributions are now entered on Schedule A2.)

**Schedule A1** is used to itemize incoming monetary [political contributions](#) that exceed \$50 from one person during the reporting period. If you accepted other types of incoming funds (such as loans or interest) or non-monetary contributions (such as in-kind contributions or pledges), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contributions List:** After you enter and save your first contribution, the filing application will begin a list of all contributions entered on Schedule A1 for this report. The list will display columns showing pertinent information for each contribution:

Date	Contributor	Amount	Action
01/01/2015	Contributor, Connie	\$1,000.00	<a href="#">Edit</a> <a href="#">Delete</a>

(1 of 1) [Navigation icons] 5

[Add](#) [Memo](#) [Done with Contributions](#)

The contribution list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered contribution. To enter new contributions, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding contribution(s) entered on this schedule.

**From Individual or Entity?** Indicate whether the contributor is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over **\$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept **\$500 or less in a reporting period** from an out-of-state PAC (including pledges), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If you accepted contributions from an out-of-state PAC and do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Contribution Date:** Enter the date you *accepted* the contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

**Contribution Amount:** Enter the amount of the contribution.

**Itemize box:** Checking this box indicates that this contribution will be itemized on Schedule A1. The automatic default is to itemize. You are required to itemize contributions that exceed \$50 (in the aggregate) from a single contributor. If you accepted two or more contributions from the same contributor, the total of which exceeded \$50, enter each contribution separately and be sure the box is checked for each entry.

**Contributions of \$50 or less.** Although you are not required to do so, you may also itemize on Schedule A1 monetary contributions that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize monetary contributions of \$50 and less on Schedule A1, you must total all such contributions and enter the lump sum-total on the **Schedule Subtotals** page of this report. If you enter information about such contributions here and remove the check from the "Itemize" box, the system will include the amount on the Totals page but the entry will not appear on Schedule A1.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter [the full name of the contributor](#). If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the contributor.

**Contributor Employer and Occupation Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

**Principal Occupation or Job Title:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**Employer:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

## **C/OH: Schedule E**

**Schedule E** is used to itemize loans made for campaign or officeholder purposes by financial institutions or individuals, and loans to your campaign from personal funds. You must itemize all loans that you accepted during the reporting period from [financial institutions](#) regardless of the amount. Additionally, you must itemize loans exceeding \$50 from one person that you accepted during the reporting period.

**Loans to Your Campaign from Your Personal Funds:** If you make a political expenditure from personal funds and intend to seek reimbursement of any amount, the simplest way to disclose the expenditure is to use Schedule G (see the [Schedule G Page Help](#) for more information). Another way is to disclose political expenditures from personal funds as a loan to your campaign on Schedule E. Outgoing political expenditures made from that loan must then be disclosed on Schedule F1. Remember: The amount you disclose as a loan from yourself in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from your personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, disclose the reimbursement as another outgoing political expenditure on Schedule F1. (Note: The reimbursement may not exceed the amount disclosed as a loan.)

**Personal Funds Deposited into a Political Account:** If you choose to deposit personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, disclose the deposited amount as a loan on Schedule E and check the box indicating "Personal Funds Deposited into Political Account." (Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.) Disclose the outgoing political expenditures made from that loan on Schedule F1. When you reimburse yourself, which could be months or years later, disclose the reimbursement as another outgoing political expenditure on Schedule F1. (Note: The reimbursement may not exceed the amount disclosed as a loan.)

[Examples of Reporting Expenses from Personal Funds](#)

**Loans List:** After you enter and save your first loan, the filing application will begin a list of all loans entered on Schedule E for this report. The list will display columns showing pertinent information for each loan:

Lender	Amount	Loan Date	Maturity Date	Interest Rate	Collateral	Guarantor	Action
Lender, Larry	\$1,000.00	01/01/2015	12/31/2015	5	N	N	Edit Delete

Add Memo Done with loans

The loans list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered loan. To enter a new loan, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding loan(s) entered on this schedule.

**Loan Date:** Enter the date you accepted the loan.

**Maturity Date:** Enter the maturity date of the loan.

**Loan Amount:** Enter the principal amount of the loan.

**Itemize box:** Checking this box indicates that this loan will be itemized on Schedule E. The automatic default is to itemize. You are required to itemize all loans from financial institutions, regardless of the amount. Additionally, you must itemize loans exceeding \$50 from one person that you accepted during the reporting period. If you accepted two or more loans from the same person, the total of which exceeds \$50, enter each loan separately.

**Loans of \$50 or less from persons other than financial institutions:** Although you are not required to do so, you may itemize on this schedule loans from persons other than

financial institutions that do not exceed \$50 for the reporting period. If you do not itemize loans of \$50 and less from persons other than financial institutions on Schedule E, you must total all such loans and enter the lump sum-total on the **Schedule Subtotals** page of this report.

**Interest Rate:** Enter the interest rate of the loan.

**From Individual or Entity?** Indicate whether the lender is an individual or an entity.

**Loans from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of lender.)*

**Is the Lender an out of state PAC?** Check this box only if the lender is an out-of-state political committee (PAC). Certain restrictions apply to contributions (including loans) from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over **\$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept **\$500 or less in a reporting period** from an out-of-state PAC (including pledges), you must **include one of the following** with your report:

The purchased investments list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered investment purchased with political contributions. To enter a new purchased investment, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding purchased investment(s) entered on this schedule.

**From Individual or Entity?** Indicate whether the person from whom you purchased the investment is an individual or an entity.

**Expense Date:** Enter the date you purchased the investment.

**Expense Amount:** Enter the amount paid for the investment.

**Itemize box:** The box is always checked on this schedule. You are required to itemize investments that exceed \$100. If you made two or more payments to the same payee to purchase an investment, the total of which exceeded \$100, enter each payment separately.

**Payments of \$100 or less.** Although you are not required to do so, you may also itemize on Schedule F3 a political payment to purchase an investment that does not exceed \$100 for the reporting period. All such payments entered here will be itemized and appear on Schedule F3.

**Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the person or business from whom you purchased the investment. If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity.

## C/OH: Schedule A2

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **non-monetary (in-kind)** contributions of goods, services, or other thing of value on Schedule A2. (Monetary contributions are now entered on Schedule A1.)

**Schedule A2** is used to itemize incoming non-monetary (in-kind) [political contributions](#) of goods, services, or other thing of value that exceed \$50 from one person during the reporting period. If you accepted other types of incoming funds (such as monetary contributions, pledges, loans or interest), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contribution of Personal Services or Travel:** You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Non-Monetary Contributions List:** After you enter and save your first non-monetary (in-kind) contribution, the filing application will begin a list of all contributions entered on Schedule A2 for this report. The list will display pertinent information for each contribution:

Add Memo Done with Contributions

The non-monetary contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered contribution. To enter new contributions, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these

restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept **over \$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept **\$500 or less in a reporting period** from an out-of-state PAC (including pledges), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If you accepted contributions from an out-of-state PAC and do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Contribution Date:** Enter the date you *accepted* the non-monetary (in-kind) contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution

when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

**Contribution Amount:** Enter the fair market value of the in-kind contribution.

**Itemize box:** Checking this box indicates that this in-kind contribution will be itemized on Schedule A2. The automatic default is to itemize. You are required to itemize contributions that exceed \$50 (in the aggregate) from a single contributor. If you accepted two or more contributions from the same contributor, the total of which exceeded \$50, enter each contribution separately and be sure the box is checked for each entry.

**Contributions of \$50 or less.** Although you are not required to do so, you may also itemize on Schedule A2 in-kind contributions that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize in-kind contributions of \$50 and less on Schedule A2, you must total all such contributions and enter the lump sum total on the **Schedule Subtotals** page of this report. If you enter information about such in-kind contributions here and remove the check from the "Itemize" box, the system will include the amount on the Totals page but the entry will not appear on Schedule A2.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter the [full name](#) of the contributor. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the contributor.

**Contributor Employer and Occupation Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

**Principal Occupation or Job Title:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**Employer:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**In-kind Description:** Enter a description of the in-kind contribution. The description should be sufficiently detailed to allow a person reviewing your report to understand what goods or services were contributed.

**In-kind Contribution for Out-of-State Travel?** Check this box if the in-kind contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the "**Enter Travel Info**" button that activates when you check the box. This information will be included in your report on Schedule T.

## C/OH: Schedule B

**NEW!** As always, you must disclose a pledge on Schedule B in the reporting period in which you accepted the pledge. Effective January 1, 2015, you must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

**Example:** In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

**Schedule B** is used to itemize pledges (monetary or in-kind) that exceed \$50 from one person during the reporting period. If you accepted monetary incoming funds (such as contributions, loans, or interest) or received non-monetary (in-kind) contributions, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contribution of Personal Services or Travel:** You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Pledged Contributions List:** After you enter your first pledged contribution, the filing application will begin a list of all contributions entered on Schedule B for this report. The list will display pertinent information for each contribution:

The pledged contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding contribution(s) entered on this schedule.

**From Individual or Entity?** Indicate whether the contributor who made the pledge is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept **over \$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept **\$500 or less in a reporting period** from an out-of-state PAC (including pledges), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If you accepted contributions from an out-of-state PAC and do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Pledge Date:** Enter the date you *accepted* the pledge. *Accepting* a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it. (If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.)

**Pledge accepted and received in different reporting periods:** If you *accept* a pledge in one reporting period and then *receive* the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans) in the reporting period in which you received the pledge.

**Pledge accepted and received in the same reporting period:** If you receive a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). The date of the contribution will be the date you accepted the pledged contribution, regardless of when the pledged contribution was actually received.

**Pledge accepted but never received:** You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If you never actually receive the pledge, it is not necessary to correct your report to delete the pledge.

**Example:** In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

**Pledge Amount:** Enter the amount of the pledge or the fair market value of the pledged goods or services or other thing of value, as applicable.

**Itemize box:** Checking this box indicates that this pledge will be itemized on Schedule B. The automatic default is to itemize. You are required to itemize pledges that exceed \$50 (in the aggregate) from a single contributor. If you accepted two or more pledges from the same contributor, the total of which exceeded \$50, enter each pledge separately and be sure the box is checked for each entry.

**Pledges of \$50 or less.** Although you are not required to do so, you may also itemize on Schedule B pledges that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize pledges of \$50 and less on Schedule B, you must total all such pledges and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such pledges here and remove the check from the "Itemize" box, the system will include the amount on the Totals page but the entry will not appear on Schedule B.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the person who made the pledge. If the contributor of the pledge is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor of the pledge is an entity, enter the full name of the entity.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the person who made the pledge.

**Contributor Employer and Occupation Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

**Employer:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of

\$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**Principal Occupation or Job Title:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**In-kind Description:** Enter a description of the in-kind pledge of goods, services, or other thing of value. The description should be sufficiently detailed to allow a person reviewing your report to understand what goods or services were pledged.

**In-kind Contribution for Out-of-State Travel?** Check this box if the in-kind contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the **"Enter Travel Info" button** that activates when you check the box. This information will be included in your report on Schedule T.

## C/OH: Schedule F2

**NEW!** Schedule F is now split into two schedules: Schedule F1 and Schedule F2. Enter only expenditure obligations that you have **incurred but not yet paid** on Schedule F2. (Political expenditures that were *paid* in this reporting period are disclosed on Schedule F1 (used for political payments from political funds) or Schedule G (used for political payments from personal funds), as applicable. Non-political expenditures that were paid in this reporting period are disclosed on Schedule I.) Expenditures made by credit card are disclosed on schedule F4 (used for expenditures made by credit card).

Effective January 1, 2015, you must also disclose when you actually pay the incurred expenditure. You must disclose the outgoing payment on Schedule F1, G, or I, as applicable, in the reporting period in which you pay the expenditure.

**NEW! Expenditures Made By Credit Card:** Effective September 1, 2015, you must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule. See [Expenditures Made by Credit Card](#) for more information.

**Schedule F2** is used to itemize political expenditures you have incurred but not yet paid that exceed \$100 to one individual or entity during the reporting period. Also use this schedule to itemize any non-political expenditures you have incurred but not yet paid during the reporting period, regardless of the amount. If you had outgoing funds (such as investment purchases or political payments from political or personal funds), or expenditures made by credit card, enter

them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

### [Important Restrictions Regarding the Use of Political Funds to Rent or Purchase Real Property](#)

**Unpaid Incurred Obligations List:** After you enter and save your first unpaid incurred obligation, the filing application will begin a list of all unpaid incurred obligations entered on Schedule F2 for this report. The list will display columns showing pertinent information for each payee:

**To Individual or Entity?** Indicate whether the payee is an individual or an entity.

**Expense Date:** Enter the date you incurred the expenditure obligation. (Remember: expenditure obligations you incurred and paid in this reporting period are entered on Schedule F1, G, or I, as applicable and expenditures made by credit card are entered on Schedule F4.)

### [Tell Me More About Incurred Expenditure Obligations](#)

**Expense Amount:** Enter the amount of the incurred expenditure obligation.

**Itemize box:** Checking this box indicates that this incurred expenditure will be itemized on Schedule F2. The automatic default is to itemize. You are required to itemize political expenditures that exceed \$100 (in the aggregate) to a single payee. You are required to itemize any non-political expenditure, regardless of the amount. If you incurred two or more political expenditures to the same payee, the total of which exceeded \$100, enter

each incurred expenditure obligation separately and be sure the box is checked for each entry.

**Expenditure Obligations of \$100 or less.** Although you are not required to do so, you may also itemize on Schedule F2 incurred political expenditures to a single payee that do not exceed \$100 for the reporting period. If you do not itemize incurred political expenditures of \$100 and less on Schedule F2, you must total all such incurred political expenditures and enter the lump sum total on the **Schedule Subtotals** page of this report. If you enter information about such incurred political expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F2.

**Type of Expenditure:** Select whether the incurred expenditure was political or [non-political](#). **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Remember that you may not convert political contributions to personal use.

**Check if Austin, TX, officeholder living expense:** For expenditures made on or after July 1, 2014, check this box only if the incurred expenditure is an [officeholder expense](#) for living in Austin, Texas.

**Payee Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the payee of the expenditure obligation. If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity.

**Payee Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the payee of the expenditure obligation.

**Expenditure Purpose.** *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.*

#### **Examples of Acceptable Ways to Report Expenditure Purpose**

**Category:** Select a category of goods, services, or other thing of value for which the incurred expenditure is made. If none of the listed categories apply, select "Other" and enter your own category.

**Description:** Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the incurred expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. If

your incurred expenditure was a contribution to another candidate or officeholder, or to a committee, enter "political contribution" and identify the recipient.

**Expenditure For Out-of-State Travel?** Check this box if the expenditure was for travel outside of the state of Texas. The description of a political expenditure for out-of-state travel must include additional detailed information. To enter the required information, click on the "**Enter Travel Info**" button that activates when you check the box. This information will be included in your report on Schedule T.

**Direct Expenditure to Benefit C/OH?** Check this box if the expenditure was a [direct campaign expenditure](#) to benefit another candidate or officeholder (C/OH). The description of a [direct campaign expenditure](#) to benefit another C/OH must include additional information about the C/OH. To enter the required information, click on the "**Enter Candidate Info**" button that activates when you check the box. This information will be included in your report on Schedule F2. Do not complete this section if the expenditure was not a [direct campaign expenditure](#).

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of a candidate and you did not get the candidate's approval before you made the expenditure, you made a [direct campaign expenditure](#). However, if you asked for and received the candidate's approval before making the expenditure, you made an [in-kind contribution](#) to the candidate.

## [C/OH: Schedule F4](#)

**NEW!** Schedule F4 is a new schedule used to disclose information about expenditures made by credit card. Effective September 1, 2015, you must disclose expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card company. (When you pay the credit card bill, you will enter the payment to the credit card company on the appropriate disbursements schedule.)

**Schedule F4** is used to itemize expenditures you made by credit card that exceed \$100 to one individual or entity during the reporting period. If you had outgoing funds (such as investment purchases or political payments from political or personal funds), or obligations that you have incurred but not yet paid, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page. See [Expenditures Made by Credit Card](#) for more information.

The expenditures made by credit card list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered credit card expenditure. To enter a new credit card expenditure, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding credit card expenditure(s) entered on this schedule.

### [Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures](#)

**To Individual or Entity?** Indicate whether the payee is an individual or an entity.

**Note:** Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

**Expense Date:** Enter the date you made the expenditure by credit card.

**Note:** There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.* See [Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures](#) for more information.

**Expense Amount:** Enter the amount of the credit card expenditure.

**Itemize box:** Checking this box indicates that this credit card expenditure will be itemized on Schedule F4. The automatic default is to itemize. You are required to itemize political expenditures made by credit card that exceed \$100 (in the aggregate) to a single payee. You are required to itemize any non-political expenditure made by credit card, regardless of the amount. If you made two or more expenditures to the

same payee, the total of which exceeded \$100, enter each expenditure made by credit card separately and be sure the box is checked for each entry.

**Credit Card Expenditures of \$100 or less.** Although you are not required to do so, you may also itemize on Schedule F4 political expenditures made by credit card to a single payee that do not exceed \$100 for the reporting period. If you do not itemize political expenditures made by credit card of \$100 and less on Schedule F4, you must total all such credit card expenditures and enter the lump sum-total on **the Schedule Subtotals** page of this report. If you enter information about such credit card expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F4.

**Check if Austin, TX, officeholder living expense:** For credit card expenditures made on or after July 1, 2014, check this box only if the expenditure is an [officeholder expense](#) for living in Austin, Texas.

**Type of Expenditure:** Select whether the credit card expenditure was political or [non-political](#). **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Remember that you may not convert political contributions to personal use.

**Payee Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the payee of the credit card expenditure. If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity. **Note:** Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

**Payee Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the payee of the expenditure obligation.

**Expenditure Purpose.** *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.*

#### **Examples of Acceptable Ways to Report Expenditure Purpose**

**Category:** Select a category of goods, services, or other thing of value for which the credit card expenditure is made. If none of the listed categories apply, select "Other" and enter your own category.

**Note:** Do not select "Credit Card Payment" as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card

company. Instead, select the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

**Description:** Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the credit card expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. If your credit card expenditure was a contribution to another candidate or officeholder, or to a committee, enter "political contribution" and identify the recipient.

**Expenditure For Out-of-State Travel?** Check this box if the expenditure was for travel outside of the state of Texas. The description of a political expenditure for out-of-state travel must include additional detailed information. To enter the required information, click on the "Enter Travel Info" button that activates when you check the box. This information will be included in your report on Schedule T.

**Direct Expenditure to Benefit C/OH?** Check this box if the expenditure was a [direct campaign expenditure](#) to benefit another candidate or officeholder (C/OH). The description of a [direct campaign expenditure](#) to benefit another C/OH must include additional information about the C/OH. To enter the required information, click on the "Enter Candidate Info" button that activates when you check the box. This information will be included in your report on Schedule F4. Do not complete this section if the expenditure was not a [direct campaign expenditure](#).

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of another candidate and you did not get the candidate's approval before you made the expenditure, you made a [direct campaign expenditure](#). However, if you asked for and received the candidate's approval before making the expenditure, you made an [in-kind contribution](#) to the candidate.

## C/OH: Schedule Subtotals

**Schedule Subtotals** is a new page of the reporting form intended to supplement the report totals (cover sheet, page 2). This page displays the calculated Subtotal for each report schedule, based on the amounts you entered on the schedule entry screen (reported itemized and reported unitemized) and any other unitemized total you enter as a lump sum amount here (user entered lump sum unitemized).

You are always required to itemize or report detailed information for contributions, expenditures, and loans over a certain monetary threshold. The thresholds vary depending on the type of activity (see "Itemization Thresholds" below). For smaller contributions, expenditures, and loans that do not exceed the threshold (in the aggregate from a single

source), you may report them in one of two ways: 1) add them all together and enter the unitemized total as a lump sum; OR 2) enter the detailed information on the schedule entry screen (and choose to itemize or not).

**Itemized transactions:** You chose to enter the detailed information on the schedule entry screen AND the "itemize" box is checked. The filing application calculates the sum of the entries for each schedule and the amount is displayed in the **Reported Itemized** column for the applicable schedule.

**Unitemized transactions:** Depending on your choice of entry, your unitemized transactions are shown under one of the following columns:

**Reported Unitemized** – You chose to enter the detailed information on the schedule entry screen and the "itemize" box is NOT checked. The transaction will remain unitemized, unless you manually check the "itemize" box or you enter additional transactions from/to the same source which cause the aggregate total to exceed the itemization threshold.

**User Entered Lump Sum Unitemized** – You chose not to enter the detailed information, but rather to enter the total of all your unitemized transactions as a lump sum for the applicable schedule. You must manually enter the lump sum total. DO NOT INCLUDE in a lump sum total any transactions for which you chose to enter detailed information.

**Itemization Thresholds for Each Schedule:** To return to the instructions for each schedule, click on the applicable link.

**[Monetary Political Contributions \(A1\)](#)** – You are not required to itemize contributions (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**[Loans \(E\)](#)** – You are not required to itemize loans (in the aggregate from a single source) of \$50 or less from a person other than a financial institution. If not entered on this schedule, you must enter a lump sum. You must itemize all loans from a financial institution regardless of the amount.

**[Interest, Credits, Gains, Refunds, and Contributions Returned to Filer \(K\)](#)** – You are not required to itemize such activity (in the aggregate from a single source) of \$100 or less. You are not required to enter a lump sum for this schedule.

**[Political Expenditures from Political Contributions \(F1\)](#)** – You are not required to itemize political expenditures (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum.

**Political Expenditures from Personal Funds (G)** - You are not required to itemize political expenditures (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum. (Note: You are required to itemize political expenditures from personal funds in any amount, if you intend to seek reimbursement from political contributions.)

**Payment from Political Contributions to the Business of a C/OH (H)** – There is no itemization threshold for this schedule. You must itemize all such payments.

**Non-political Expenditures from Political Contributions (I)** – There is no itemization threshold for this schedule. You must itemize all non-political expenditures from political contributions.

**Purchase of Investments from Political Contributions (F3)** – You are not required to itemize investments (in the aggregate from a single source) of \$100 or less. You are not required to enter a lump sum for this schedule.

**In-kind Political Contributions (A2)** – You are not required to itemize contributions (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**Pledged Contributions (B)** – You are not required to itemize pledges (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**Unpaid Incurred Obligations (F2)** – You are not required to itemize incurred but not yet paid political expenditures (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum. You are required to itemize all incurred but not yet paid non-political expenditures, regardless of the amount.

**Expenditures Made by Credit Card (F4)** – You are not required to itemize political expenditures made by credit card (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum. You are required to itemize all non-political expenditures made by credit card, regardless of the amount.

## **C/OH: Report Totals (Cover Sheet, Page 2)**

You are required to include in your campaign finance report the following total amounts of contributions, expenditures, and loans:

**1. Total Unitemized Political Contributions of \$50 or less** (other than pledges, loans or guarantees of loans): *(The total amount is automatically calculated based on your entries.)* This is the sum-total of the unitemized contribution amounts shown on the Subtotals page under **Monetary Contributions (A1) and Non-Monetary (In-kind) Contributions (A2)** for:

**Reported Unitemized** (contributions of \$50 or less in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (contributions of \$50 or less in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

**2. Total Political Contributions (other than pledges, loans or guarantees of loans):** *(The total amount is automatically calculated based on your entries.)* This is the sum total of all political contributions you accepted in the reporting period. It includes the total amount shown on Line 1 (total unitemized contributions of \$50 or less) plus the total **Reported Itemized** (contributions which you itemized on the schedule entry screen) amounts shown on the Subtotals page under **Monetary Contributions (A1) and Non-Monetary (In-kind) Contributions (A2)**.

**3. Total Unitemized Political Expenditures of \$100 or less:** *(The total amount is automatically calculated based on your entries.)* This is the sum total of the unitemized political expenditure amounts shown on the Subtotals page under **Political Expenditures (F1), Unpaid Incurred Obligations (F2), Expenditures Made by Credit Card (F4), and Political Expenditures from Personal Funds (G)** for:

**Reported Unitemized** (expenditures of \$100 or less in the aggregate to a payee for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (expenditures of \$100 or less in the aggregate to a payee which you entered as a lump sum instead of detailing on the schedule entry screen).

**4. Total Political Expenditures:** *(The total amount is automatically calculated based on your entries.)* This is the sum total of all political expenditures you made in the reporting period. It includes the total amount shown on **Line 3** (total unitemized political expenditures of \$100 or less) plus the total **Reported Itemized** (expenditures which you itemized on the schedule entry screen) amounts shown on the Subtotals page under **Political Expenditures (F1), Unpaid Incurred Obligations (F2), Expenditures Made by Credit Card (F4), Political Expenditures from Personal Funds (G), and Payment from Political Contributions to a Business of C/OH (H)**.

**5. Total Political Contributions Maintained as of the Last Day of the Reporting Period:** *(The total amount is a required field that you must manually enter here.)* Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter "0.00" if you do not maintain political contributions, including interest or other income earned on those contributions, as of the last day of the reporting period. (This is different from the total contributions reported on **Line 2**. Only contributions accepted during the period covered by the report are entered on **Line 2**.)

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period.

**The "total amount of political contributions maintained" includes:** the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions and the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.

**Personal Funds:** The "total amount of political contributions maintained" does **NOT** include personal funds that you intend to use for political expenditures, unless the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan at the end of the reporting period are required to be included in the "total amount of political contributions maintained." Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

#### **6. Total Principal Amount of all Outstanding Loans as of the Last Day of the Reporting**

**Period:** *(The total amount is a required field that **you must manually enter** here.)* Enter the aggregate outstanding principal amount of all loans accepted for campaign or officeholder purposes as of the last day of the reporting period. Enter "0.00" if you did not accept any loans during the period covered and have no outstanding loans as of the last day of the reporting period. The "total outstanding loans" must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously. (This is different from the information reported on Loans (Schedule E). Only loans accepted during the period covered by the report are entered on Schedule E.)

**7. Total Unitemized Pledges:** *(The total amount is automatically calculated based on your entries. Note: a printed copy of your report will display this total on Schedule B and not on Cover Sheet page 2.)* This is the sum total of the unitemized pledge amounts shown on the Subtotals page under **Pledged Contributions (B)** for:

**Reported Unitemized** (pledges of \$50 or less in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (pledges of \$50 or less in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

**8. Total Unitemized Loans:** *(The total amount is automatically calculated based on your entries. Note: a printed copy of your report will display this total on Schedule E and not on Cover Sheet*

page 2.) This is the sum total of the unitemized loan amounts shown on the Subtotals page under **Loans (E)** for:

**Reported Unitemized** (loans of \$50 or less in the aggregate from a lender (other than [a financial institution](#)) for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (loans of \$50 or less in the aggregate from a lender (other than a [financial institution](#)) which you entered as a lump sum instead of detailing on the schedule entry screen).

## [C/OH: Report Error Check](#)

**Report Error Check** is a tool to assist you in fulfilling your reporting requirements. The Error Check details errors and omissions in the data entry; it does not verify that the report has satisfied all legal requirements. You should review the applicable COA-EFS Guide and the filing application PAGE HELP to ensure that ALL required information is included before you file your report.

If the Error Check finds errors in your report, the errors will be listed for you in a table on this screen. You can also click the **View as PDF** button to view the error list as an Adobe Acrobat .PDF file (requires Adobe Acrobat reader or equivalent viewer to view) or click the **View as Excel** button to view the error list in a Microsoft Excel spreadsheet.

The errors list includes the following information:

**Severity:** The error records are ranked in terms of severity:

**HIGH:** These are major omissions in information that indicate non-compliance with certain reporting requirements (such as not entering the amount of total political contributions maintained as of the last day of the reporting period under Report Totals). This information is considered very important and you **MUST CORRECT** these errors in order to file the report.

**LOW or MEDIUM:** These are omissions or errors in other information that indicate non-compliance with certain reporting requirements (such as not entering address information for a contributor or payee). You should correct these errors to be in legal compliance with your reporting requirements. You may, however, choose to accept these errors and file the report as is. **NOTE:** If you file the report with errors, you could be subject to a sworn complaint for reporting violations.

**Tracking Information:** This column shows the transaction (contribution, loan, etc.) containing the error and other information to help you identify the transaction.

**Error Record:** This column shows the name of the data field containing the error and provides a link directly to the entry screen where the error is located. After correcting the error and saving the transaction, you may run the Error Check again by clicking the **Check For Errors** link in the Report Menu navigation sidebar always displayed down the left side of your screen.

**Message:** This column provides a brief explanation of the required information that is missing or in error.

## C/OH: Correction Affidavit

A filer who files a corrected report must submit a **Correction Affidavit**. The affidavit must identify the information that has changed. The affidavit also provides check boxes for your use in swearing to certain statutory provisions regarding the corrected report, if applicable.

**Explanation of Correction:** Use this box to explain why there were error(s) on the original report, what information is being corrected, and how the new information is different from the information on the original report.

**Sworn Statement Check Boxes:** Check the box next to any and all applicable statements.

**For Any Corrected Report:** Check this box if you are filing this corrected report not later than the 14th business day after the date you learned that the report as originally filed is inaccurate or incomplete and any error or omission in the report as originally filed was made in good faith.

A corrected report (other than an 8th Day Before Election Report or a Daily Pre-election Report) filed with the COA-EFS after its due date is not considered late for purposes of

late-filing penalties if the report meets this "14th business day in good faith" statutory provision.

A correction to an 8th Day Before Election Report must also meet the "14th business day in good faith" statutory provision; however, the corrected report could be subject to a late-filing penalty unless the report as originally filed substantially complies with the applicable law as determined by the Ethics Commission.

**For Corrections to Semiannual Reports:** Effective September 1, 2011, a Semiannual Report (due January 15 or July 15) that is amended/corrected before the eighth day after the original report was filed is considered to have been filed on the date the original report was filed. A Semiannual Report that is amended/corrected on or after the eighth day after the original report was filed is considered to have been filed on the date the original report was filed if: (1) the amendment/correction is made before any complaint is filed with regard to the subject of the amendment/correction; and (2) the original report was made in good faith and without intent to mislead or misrepresent the information contained in the report.

**Correction Tables:** Any corrections made to this report are listed in a table below according to the type of correction (added, updated, or deleted). Only the applicable table(s) will display. If you make additional changes before you file the report, those changes will be reflected here.

**Added Record Table:** This table contains any new records you entered in this corrected report that were not previously disclosed in the original report.

**Updated Record Table:** This table contains any records you changed in this corrected report that were previously disclosed incorrectly in the original report.

**Deleted Record Table:** This table contains any records you deleted in this corrected report that were previously disclosed in error in the original report.

Each table includes columns with the following information:

**Record Type and Tracking Information:** Shows the type of transaction (contribution, loan, expenditure, etc.) that you added, updated, or deleted, and other information to help you identify the transaction.

**Record Detail:** Shows the specific data you added, updated, or deleted.

## [C/OH: Final Report Affidavit](#)

You may file a Final report if you have a campaign treasurer appointment (Form CTA) on file with the COA-EFS and meet all of the following: 1) do not expect to accept any more campaign contributions or make or authorize any more campaign expenditures, 2) expect to take no

further action to get elected to a public office, and 3) do not intend to continue accepting contributions to pay campaign debts. There is not a fixed deadline for this report.

***Important Things to Know Before Filing a Final Report:***

- You must have a CTA on file to accept contributions to offset campaign debts or to pay campaign debts. If you intend to continue this campaign activity, *do not* file a Final report at this time.
- A Final report will terminate your CTA and relieve you from any additional filing obligations *as a candidate*. If you are an officeholder, you will still be subject to the filing requirements applicable to officeholders. If you are not an officeholder but have surplus political funds or assets, you will be required to file annual Unexpended Contribution reports. (See [Final Disposition of Unexpended Contributions](#) for more information.)
- Terminating a CTA does not relieve you of your responsibility for any delinquent reports or outstanding civil penalties.
- A candidate who does not have a CTA on file is still required to file a personal financial statement (PFS) in accordance with chapter 572 of the Government Code. You can set up a PFS filer type with COA-EFS to file PFS using this filing application, if applicable.

**Final Report Affidavit:** This page includes the Final report affidavit language. You must agree to and acknowledge the affidavit to indicate that you understand the consequences of filing a Final report. To do so, select the radio button next to the statement, “I agree to and acknowledge the above affidavit.”

If you intend to have additional campaign activity and are not ready to file a Final report, select the radio button next to the statement, “I do not agree to the above affidavit.” You will have some options as to how you wish to continue:

**Continue Working on a Different Report Type:** *(This option is only available if you started the Final report in combination with another report type.)* Selecting this option will return you to the “Cover Sheet” screen. From here, you can select “Clear This Report?” if you do not wish to file a Final report at this time.

**Go Back to My Reports Page:** Selecting this option will return you to the “Manage My Reports” screen without creating the Final report. From here, you can continue working on an in-progress report or start a new report.

**Return to Final Report Affidavit:** Selecting this option will return you to the Final Report Affidavit screen. From here, you can choose to agree to the Final report affidavit in order to continue with the Final report.

## C/OH: Final Report Officeholder Status

**Are you currently an officeholder?** If you are an officeholder at the time of filing your Final Report, select “Yes.” Otherwise, select “No.”

**You Are an Officeholder at the Time of Filing a Final Report:** You are still required to file semiannual reports for any period during which you are an officeholder, regardless of whether you have a campaign treasurer appointment (Form CTA) on file.

You will not have to worry about surplus political funds and assets until you cease to be an officeholder. If you cease to be an officeholder at a time when you do not have a campaign treasurer appointment (Form CTA) on file, *and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder*, you must file an Annual Report of Unexpended Contributions not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder. **Remember:** *You may not convert unexpended political contributions, unexpended interest or income earned on political contributions, or assets purchased with political contributions or interest or other income from political contributions to personal use.* [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**You Are Not an Officeholder at the Time of Filing a Final Report:** You will no longer be required to file reports *unless you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions.* If you retain any of those items, you must file an Annual Report of Unexpended Contributions not earlier than January 1 and not later than January 15 of each year after the year in which you filed your Final report. You may not retain these unexpended funds longer than six years after the date of filing a Final report. **Remember:** *You may not convert unexpended political contributions, unexpended interest or income earned on political contributions, or assets purchased with political contributions or interest or other income from political contributions to personal use.* [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Unexpended Contributions & Retained Assets** *(These fields will be activated only if you indicated that you are not currently an officeholder.)*

Select the applicable radio buttons to indicate that you either do or do not retain unexpended contributions, unexpended interest or income earned from political contributions, or assets purchased with political contributions or interest or other income from political contributions. See [You Are Not an Officeholder at the Time of Filing a Final Report](#) for more information.

Officeholder Statement: Check the box next to this statement *only if* you are a current officeholder. Checking this box indicates that you understand your filing responsibilities as an officeholder. See [You Are an Officeholder at the Time of Filing a Final Report](#) for more information.

## C/OH: Appendix

### Final Disposition of Unexpended Contributions.

The obligation to file annual Unexpended Contributions reports ends when the former candidate or officeholder files a report of "final disposition" of unexpended contributions.

A former candidate or former officeholder has six years from the date of filing a Final report or leaving office (whichever is later) to dispose of surplus funds and assets. The latest possible date for filing a "final disposition" report of unexpended contributions is 30 days after the end of that six-year period. At the end of the six-year period, a former candidate or officeholder must dispose of surplus assets or funds in one of the following ways:

- (1) You may give them to the political party with which you were affiliated when your name was last on the ballot.
- (2) You may give them to a candidate or a political committee. If you do so, however, you must report the contribution twice as described below.

***Extra Reporting of a Contribution To Candidate Or Committee.*** If you contribute unexpended contributions or assets to another candidate or committee, you must report the contribution twice. You must include the contribution on your annual Unexpended Contributions Report. You must also report the contribution on Form ASIFSPAC. You must file the ASIFSPAC report with the filing authority with whom the candidate or political committee files reports by the date by which the candidate or political committee receiving the contribution must report the receipt of the contribution.

***NOTE:*** You will need a separate ASIFSPAC filer ID to file Form ASIFSPAC using the filing application. Contact COA-EFS for assistance in setting up an ASIFSPAC filer ID.

(3) You may give them to the comptroller for deposit in the state treasury to be used to finance primary elections.

(4) You may give them to one or more persons from whom you received political contributions, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which you were accepting political contributions.

(5) You may give them to a recognized charitable organization formed for educational, religious, or scientific purposes that is exempt from taxation under Section 501(c)(3), Internal Revenue Code of 1986, and its subsequent amendments.

(6) You may give them to a public or private post-secondary educational institution or an institution of higher education as defined by Section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

A former candidate or former officeholder may dispose of unexpended contributions or assets in this manner at any time during the six-year period. A former candidate or former officeholder who has disposed of all surplus funds and assets must file an Unexpended Contributions "final disposition" report. This report may be filed as soon as the former candidate/officeholder has disposed of all funds.

### **Extra Reporting for Contribution to Candidate or Committee**

If you contributed unexpended contributions or assets to another candidate or committee, you must report the contribution twice. You must include the contribution on your Annual Report. You must also report the contribution on form AS IF-Specific Purpose Committee Campaign Finance Report ([AS IF-SPAC](#)). You must file the [AS IF-SPAC](#) report with the filing authority with whom the candidate or political committee files reports by the date by which the candidate or political committee receiving the contribution must report the receipt of the contribution.

**NOTE:** You will need a separate ASIFSPAC filer ID to file the ASIFSPAC report using the filing application. Please contact the COA-EFS for help in establishing an ASIFSPAC filer ID.

### **Examples of Reporting Expenses from Personal Funds**

**Spending your own money on your campaign? Avoid common reporting errors!** If you intend to seek reimbursement of any amount from political contributions for a political expenditure made from your personal funds, report the expenditure in one of three ways. Method 3 is a new method that will become available on September 28, 2011. We think that Method #1 is the simplest method. Keep in mind that this reporting system is not an accounting system and

duplication of expenditures is not uncommon when reporting transactions related to expenditures made from personal funds.

**Method #1:** Itemize the expenditure on the “Political Expenditures from Personal Funds” schedule (Schedule G) and check the box to indicate that you intend to seek reimbursement from political contributions. (You may not correct a report to allow reimbursement without subjecting yourself to a possible penalty.) When you reimburse yourself, which could be months or years later, report the reimbursement on the “Political Expenditures” schedule (Schedule F1).

**Example:** On December 1, 2007, Candidate A spends \$500 of her own personal funds to purchase political advertising signs. She reports the expenditure to the vendor on Schedule G and checks the box to indicate that reimbursement is intended. One year later, Candidate A reimburses herself from political contributions. She reports the reimbursement on Schedule F1. Candidate A is the payee and the purpose of the expenditure is to reimburse herself for a political expenditure made from personal funds on December 1, 2007.

We stress that if you intend to seek reimbursement from political contributions for a political expenditure of any amount made from personal funds, you must itemize the expenditure on Schedule G.

**Method #2:** Report the political expenditures made from your personal funds as a loan to your campaign on the “Loans” schedule (Schedule E). Next, report the political expenditures made from that loan on the “Political Expenditures” schedule (Schedule F1). Remember, the amount you report as a loan in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, report the reimbursement on Schedule F1.

**Example:** In one reporting period, Candidate B spends \$5,000 of his own personal funds to purchase political advertising materials. He spends \$3,000 at Business One and \$2,000 at Business Two. He reports the expenditures as a \$5,000 loan on Schedule E and then itemizes each of the two expenditures as a political expenditure on Schedule F1. A year later, Candidate B reimburses himself from political contributions. He reports the reimbursement on Schedule F1. The payee in this instance is Candidate B, the category of the expenditure is “Loan Repayment/Reimbursement,” and “political expenditure made from personal funds reported as a loan” is an acceptable brief description.

**Method #3:** Deposit personal funds in an account in which your political contributions are maintained and report that amount as a loan on the "Loans" schedule (Schedule E). Next, report the political expenditures made from that loan on the "Political Expenditures" schedule (Schedule F1). When you reimburse yourself, which could be months or years later, report the

reimbursement on Schedule F1. (Note that the reimbursement may not exceed the amount reported as a loan. Also note that personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.)

**Example:** In one reporting period, Candidate C opens a campaign bank account and deposits \$5,000 of her own personal funds into the account. She makes one \$3,000 expenditure for political advertising. Candidate C has no other activity in the reporting period. She reports the \$5,000 as a loan on Schedule E, itemizes the \$3,000 expenditure for the political advertising on Schedule F1, and includes the remaining \$2,000 on her contributions maintained at the end of the reporting period total. A year later, Candidate C reimburses herself from political contributions by disclosing the reimbursement on Schedule F1. The payee in this instance is Candidate C, the category of expenditure is "Loan Repayment/Reimbursement," and "political expenditure made from personal funds reported as a loan" is an acceptable brief description.

### **Use of Political Funds to Rent or Purchase Real Property**

A candidate or officeholder is prohibited from using political funds to purchase real property or to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038(a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

### **Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures**

***You can never go wrong by disclosing the date the credit card was charged as the expenditure date.*** For 30-day and 8-day pre-election reports, the expenditure date is the date of the credit card charge, not the date of the credit card bill. For all other reports, the expenditure date may be either the date of the charge or the date of receipt of the credit card bill that includes the expenditure.

***If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, disclose the vendor who sold you the goods or services as the payee.*** DO NOT

disclose as the payee the name of the candidate, officeholder, or committee that benefited from the expenditure. Include that person's name under the purpose description.

***Did a staff worker make political payment(s) out of his or her personal funds?*** How you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

***Staff Reimbursement Examples:***

***Case #1:*** The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the \$100 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. DO NOT disclose as the payee the name of your staff worker.

***Case #2:*** The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

***Case #3:*** The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period BUT you reimburse the staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.-----

**Examples of Expenditures**

*This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting the purpose of an expenditure. ### **Payments To A Business Of The Candidate Or Officeholder**

A candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; or a position as an officer of a business.

A candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may a candidate or officeholder use political contributions to pay directly for such personal services.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. See generally [Ethics Advisory Opinion No. 35 \(1992\)](#).

A candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038(a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

### **Incurred Expenditure Obligations**

The date of an expenditure is not necessarily the date that goods or services are received. It is the date on which you incur the obligation to make a payment, as long as the amount of the payment is "readily determinable." Generally, you know the amount of an expenditure (and therefore it is readily determinable) when the obligation is incurred, but in some cases you may not know the amount until the receipt of a periodic bill. An amount is readily determinable if the vendor can provide the amount at your request.

**Example 1:** On June 29th, a filer orders political signs. On July 16th, the filer receives the invoice for the signs. The date of the expenditure is June 29th, if on that date the vendor can provide the amount the filer will owe the vendor for the signs. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred and disclose that unpaid incurred obligation on Schedule F2 in the July 15 semiannual report covering the period in which the unpaid obligation is incurred. (Note: When the filer makes the payment, he will disclose it as an outgoing payment on Schedule F1 in the report covering the period in which he pays the expenditure.)

**Example 2:** A filer maintains a campaign office. The filer does not know the cost of the office's June utilities until she receives the periodic monthly bill on July 16th. The filer will not disclose the expense as an unpaid incurred obligation on Schedule F2 in the July 15 semiannual report, since the amount was not readily determinable until after the end of the semiannual reporting period.

### Expenditures Made by Credit Card

Beginning on September 1, 2015, all expenditures made by credit card must be reported on a new schedule: "Expenditures Made by Credit Card" Schedule (F4). This requirement applies to filers of electronic and paper campaign finance reports, including candidates, officeholders, political committees, political parties, and direct campaign expenditure filers.

When a credit card is used to make a reportable expenditure, the expenditure must be reported on the new schedule by identifying the name and address of the vendor who sold the goods or services, **NOT** the credit card company that issued the credit card. The date, amount, and purpose of the expenditure must also be disclosed, in addition to other information.

Once the credit card bill is paid, the payment must also be reported using the appropriate existing disbursement schedule (e.g., Schedule F1, Schedule G, Schedule H, or Schedule I) by identifying the credit card company that receives the payment. The date, amount, and purpose of the payment must also be disclosed, in addition to other information.

Please see the following examples of reporting expenditures made by credit card:

**Example 1: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate makes a payment from her political contributions account to pay the \$1,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked.
- For the payment to the credit card company: a \$1,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for campaign office supplies.”
- Both \$1,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes a payment from his personal funds account to pay the \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.

- For the payment to the credit card company: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
- Both \$3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A general-purpose committee uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card company:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
- The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card company was made:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

## C/OH: Glossary

### A

**Accepting a Contribution:** A candidate or officeholder must report contributions that he or she has accepted. Receipt is different from acceptance. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received. (A decision to accept a contribution made during the period covered by a Legislative Special Session report must be made by the third day after the contribution is received.)

**Failure to make a determination about acceptance or refusal:** If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

**Returning refused contributions:** If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

**AS IF-SPAC:** AS IF-Specific Purpose Committee Campaign Finance Report

### B

### C

**COA-EFS:** City of Austin Electronic Filing System

**Corporation:** Includes any of the following business associations:

(1) corporations that are organized under the Texas Business Corporation Act, the Texas For-Profit Corporation Law, the Texas Non-Profit Corporation Act, the Texas Nonprofit Corporation Law, federal law, or law of another state or nation; or

(2) the following associations, whether incorporated or not: banks, trust companies, savings and loan associations or companies, insurance companies, reciprocal or interinsurance exchanges, railroad companies, cemetery companies, government-regulated cooperatives, stock companies, and abstract and title insurance companies.

## D

**Direct Campaign Expenditure:** A "direct campaign expenditure" to benefit a candidate is not a "political contribution" to that candidate. A direct campaign expenditure is a campaign expenditure made on someone else's behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of a candidate and you did not get the candidate's approval before you made the expenditure, you made a direct campaign expenditure. However, if you asked for and received the candidate's approval before making the expenditure, you made an in-kind contribution to the candidate.

## E

## F

**Financial Institution:** A corporation that has been legally engaged in the business of making loans for more than one year.

**Full Name of the Contributor:** Texas law does not allow anonymous contributions. Even if you do not itemize a contribution, you must maintain a record of all the information related to a contribution for two years after the deadline for filing the report. You must also identify the actual source of a contribution, not an intermediary.

## G

**Modified Reporting:** On the campaign treasurer appointment (Form CTA), there is an option to choose "modified reporting" for the next election cycle. A candidate must make this selection at least 30 days before the first election to which the selection applies. Modified reporting excuses an opposed candidate from filing 30-day and 8-day pre-election reports and a runoff

report. An opposed candidate is eligible for modified reporting only if the candidate does not intend to exceed either \$500 in contributions or \$500 in expenditures in connection with an election cycle.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the candidate does not exceed one of the \$500 thresholds).

If an opposed candidate chooses modified reporting on Form CTA, but then exceeds one of the thresholds before the 30th day before the election, the candidate is no longer eligible for modified reporting and must file reports 30 days and 8 days before the election.

If an opposed candidate chooses modified reporting, but then exceeds one of the thresholds after the 30th day before the election, the candidate must file an "Exceeded \$500" report within 48 hours of exceeding the threshold. At that point, the candidate is no longer eligible for modified reporting and must file according to the regular filing schedule.

## N

**Non-Political Expenditure:** An expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, very few expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

**Examples of Non-Political Expenditures:** (1) a charitable donation, if you receive no benefit in return; (2) payments to a lobbyist to work on legislative matters.

## O

**Officeholder Expenditure:** A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities, if the expenses are not reimbursable with public money.

**Austin, Texas Officeholder Living Expense:** refers to payments made to defray ordinary and necessary expenses incurred in connection with the performance of duties or activities as a public officeholder, including payment of rent, utility, and other reasonable housing or household expenses incurred in maintaining a residence in Travis County by members of the legislature who do not ordinarily reside in Travis County. Examples include:

- Rent for Austin apartment
- Phone line and internet access for Austin apartment
- Installation expense of security system at officeholder apartment

**Opposed Candidate:** You are an "opposed" candidate if you have an opponent, including a minor party candidate, whose name is printed on the ballot. If your only opposition is a write-in candidate, you are not considered opposed for filing purposes. Note: If you are a write-in candidate, you are an "opposed" candidate for filing purposes.

## P

**Pledge:** a promise to transfer money, goods, services, or other things of value. A pledge is not a reportable contribution, unless it is accepted.

**Example:** In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

**Political Contribution:** Any transfer of or promise to transfer money, goods, services, or other thing of value, including a loan, that is given to a candidate or officeholder with the intent that it be used either:

- (1) in connection with a campaign for elective office or on a measure to be submitted to the voters; or
- (2) to defray expenses in connection with an officeholder's duties or activities, provided that the expenditures are not reimbursable from public money.

A donation of money to a candidate/officeholder at a fundraiser is a monetary contribution.

A contribution of goods or services is a non-monetary (in-kind) contribution. Examples of non-monetary (in-kind) contributions are:

- Donation of office space
- Donation of an item to be auctioned at a fundraiser
- Donation of a mailing list
- Donation of material and labor for printing campaign signs

A political contribution in the form of a pledge must be reported on the appropriate schedule. For example, a promise to give you money after the election to pay debts incurred in connection with the election is a pledge.

A loan from an incorporated financial institution that has been in business for more than a year is not considered to be a contribution, but you must report any such loans taken out for campaign or officeholder purposes on the appropriate schedule.

**T**

**U**

**Unopposed Candidate:** You are an "unopposed" candidate if your name is the only name printed on the ballot for the office you are seeking. You are also considered unopposed for filing purposes if your only opposition is a write-in candidate. Note: If you are a write-in candidate, you are an "opposed" candidate for filing purposes.

# Report of Direct Campaign Expenditures: Schedule ATX.1

(Previously "Independent Expenditures not by a Candidate")

# Instruction Guide

This report must be filed by persons (as defined in § 2-2-2(17) of the City Code, which includes corporations and political committees) **other than a candidate or a candidate's campaign committee**, who make one or more direct campaign expenditures in a City election that in the aggregate meet or exceed \$500.

A **direct campaign expenditure** is an expenditure for an electioneering communication or for express advocacy, as defined in City Code Section § 2-2-31, that is made:

1. independently of any candidate and any candidate's campaign committee;
2. without prior consent, cooperation, strategic communication, or consultation between:
  - (a) any candidate, any candidate's campaign staff, any candidate's campaign committee, or an agent or employee of any candidate or candidate's campaign committee; and
  - (b) the person or entity making the expenditure, or that person's agent or employee; and
3. without prior sharing of material information regarding the communication's content, intended audience, timing, or method of dissemination between:
  - (a) any candidate, any candidate's campaign staff, any candidate's campaign committee, or an agent or employee of any candidate or any candidate's campaign committee; and
  - (b) the person or entity making the expenditure, or that person's agent or employee.

An individual or organization must file this report with the Office of the City Clerk each time the aggregate \$500 expenditure threshold is met. The filing of one **Schedule ATX.1: Report of Direct Campaign Expenditures** does not excuse the filing of a subsequent report each time this threshold is met.

The deadlines for timely filing of this report are:

1. If the expenditure is made before the 60th day before the date of the election, no later than the fifth business day after the date of the expenditure.
2. If the expenditure is made on or after the 60th day before the date of the election and before the ninth day before the date of the election, no later than the second business day after the date of the expenditure.
3. If the expenditure is made on or after the ninth day before the date of the election, no later than 5 p.m. on the first business day after the date of the expenditure.

Note that the City of Austin's requirement for reporting direct campaign expenditures does not supersede, modify or replace any reporting requirements established by the Texas Ethics Commission (TEC). Individuals, committees, or corporations who file an **ATX.1: Report of Direct Campaign Expenditures** with the City may be subject to additional reporting requirements established by the TEC. It is incumbent upon the filer to be aware of and comply with all reporting requirements for direct campaign expenditures established by governing bodies external to the City.

A **covered transfer** does not include:

2. a contribution made by a person in a commercial transaction in the ordinary course of any trade or business conducted by that person;
3. a contribution made by a person in the form of an investment made by that person; or
4. a contribution made by a person who has not received a contribution from another person during the current election reporting cycle.

FILING INFORMATION

REVISED APRIL 2020

## **SPAC: Manage My Profile – Maintain Addresses**

This screen displays a table with the address information currently on file with the City of Austin, Electronic Filing System (COA-EFS) for your filer account. You should file a campaign treasurer appointment (Form STA) with the City of Austin and the current treasurer's address information and assistant treasurer's address information, if applicable, is also displayed. *Please note: It is important for you to keep this information up to date so that you do not miss any notices regarding your filing requirements.*

When you make any changes to your treasurer information in the filing application, you will also need to update your information by filing an amended appointment form (Form ASTA) with the City of Austin. You may provide up to three addresses (Mailing, Street and Other) for the filer, treasurer, and assistant treasurer, if any. To add a new address, click the Add button located below the list.

**Addresses on SPAC Reports:** The addresses marked with an asterisk (\*) in the address table on this screen will be entered on the reports you file using this filing application. The address you enter as the **Filer Mailing Address** will be used for the "Committee Address" on the Cover Sheet of your reports. The address you enter as the **Treasurer Street Address** will be used for the "Campaign Treasurer Street Address" and the **Treasurer Mailing Address** will be used for the "Campaign Treasurer Mailing Address" on the Cover Sheet of your reports.

**Filer/Treasurer/Chair:** This column displays the person for which the address applies:

**Filer:** The individual, committee, or entity that is required to file reports.

**Treasurer:** The individual listed as campaign treasurer on the most recent campaign treasurer appointment form filed with the City of Austin.

**Assistant Treasurer:** The individual listed as assistant campaign treasurer on the most recent campaign treasurer appointment form filed with the City of Austin. *Note:* A specific-purpose committee that files with the City of Austin is not required to appoint an assistant campaign treasurer but may do so. ## **SPAC: Cover Sheet – Report Type & Period Covered**

**What kind of report do you want to file? (Report Type):** You can only select one of these report types for this report. If you need to file more than one of these report types, you must file each as a separate report. You can select one of the following report types as a stand-alone report or in combination with the "Dissolution" or "10th Day After Campaign Treasurer Termination" reports below, if applicable. Read the information concerning each of the report types. Select the radio button for the report type that applies to the event for which you are filing.

**January 15th Semiannual Report:** All specific-purpose committees must file a semiannual report. A report filed with the COA-EFS is due by midnight Central Time on the January 15th due date.

**July 15th Semiannual Report:** All specific-purpose committees must file a semiannual report. A report filed with the COA-EFS is due by midnight Central Time on the July 15th due date.

**30th Day Before Election Report:** Specific-purpose committees that are supporting or opposing an [opposed candidate](#) or a measure in an election and did not choose the [modified reporting](#) schedule must file this pre-election report. If your committee chose [modified reporting](#), but then exceeded a threshold before the 30th day before the election, your committee must file this report. (Note: Specific-purpose committees that support or oppose a candidate who is [unopposed](#) in an election are not required to file pre-election reports for that election.) The report is due no later than 30 days before the election and must be received by the appropriate filing authority no later than the report due date. A report filed with the COA-EFS is due by midnight Central Time on the due date.

**8th Day Before Election Report:** Specific-purpose committees that are supporting or opposing an [opposed candidate](#) or a measure in an election and did not choose the [modified reporting](#) schedule must file this pre-election report. If your committee chose [modified reporting](#), but then exceeded a threshold before the 8th day before the election, your committee must file this report. (Note: Specific-purpose committees that support or oppose a candidate who is [unopposed](#) in an election are not required to file pre-election reports for that election.) If your committee filed the “30th Day Before Election Report,” then your committee must file this report. The report is due no later than 8 days before the election and must be received by the appropriate filing authority no later than the report due date. A report filed with the COA-EFS is due by midnight Central Time on the due date.

**Exceeded \$500 Limit Report:** Specific-purpose committees that chose to file under the [modified reporting](#) schedule but then, after the 30th day before the election, exceeded \$500 in contributions or \$500 in expenditures in connection with the election must file this Exceeded \$500 Limit report within 48 hours after exceeding the \$500 limit.

**Runoff Report:** Specific-purpose committees that are supporting or opposing a candidate in a runoff election and did not choose the [modified reporting](#) schedule must file this runoff report. The report is due no later than 8 days before the runoff election and must be received by the appropriate filing authority no later than the report due date. A report filed with the COA-EFS is due by midnight Central Time on the due date.

**Less Commonly Filed Reports:** These reports are only required if you meet certain criteria. You can select one of the following report types as a stand-alone report or in combination with one of the reports listed above, if

applicable. Select the radio button for one of these less commonly filed reports only if the report type applies to the event for which you are filing.

**Dissolution Report:** You must file a Dissolution report in order to dissolve the committee. Your committee may file a Dissolution report if your committee expects to have no further reportable activity. There is not a fixed deadline for this report. A Dissolution report terminates the appointment of campaign treasurer and relieves the campaign treasurer of the duty to file additional reports. (In this case, the Dissolution report serves as the treasurer's termination report.)

**10th Day After Campaign Treasurer Termination Report:** A specific-purpose committee's campaign treasurer must file this report if his or her campaign treasurer appointment is terminated. This report is due no later than the 10th day after the termination is filed. If the termination takes place on the last day of a reporting period and the proper report for that period is filed, no separate termination report is required.

**Other Reports:** These other reports are only required in certain circumstances and cannot be combined with other report types. Read the information concerning each of the report types. Select the radio button for one of these other reports only if the report type applies to the event for which you are filing.

For the City of Austin reporting requirements go to <http://austintexas.gov/page/campaign-finance-forms>

**Period Covered:** The filing application will calculate the period covered for your report based on the report type you select. You can modify the start and end dates as long as your modified start date does not precede the filing application calculated start date and your modified end date does not extend past the filing application calculated end date. If you need to report activity outside of the filing application calculated date range for this report, you will need to file multiple reports.

A reporting period includes the Start date and the End date. The report due date will be after the end of the period. Generally, a report picks up where the last report left off and there should be no gaps or overlapping periods.

**First Reports.** If this is the first campaign finance report that your committee has filed, the start date will be the date your committee's campaign treasurer appointment (Form STA) was filed.

January 15th Semiannual Report Period: The start date is July 1 of the previous year or the day after the last day covered by your committee's last required report, whichever is later. If this is the first report your committee has filed, please see the "First Reports" section above. The end date is December 31 of the previous year.

July 15th Semiannual Report Period: The start date is January 1 or the day after the last day covered by your committee's last required report, whichever is later. If this is the first report your committee has filed, please see the "First Reports" section above. The ending date is June 30.

If this is the first report your committee has filed, please see the "First Reports" section above. The end date is the 40th day before the election. (This report is not required if your committee is supporting or opposing an [unopposed candidate](#) in the election or filing under the [modified reporting](#) schedule.)

8th Day Before Election Report Period: The start date is the 39th day before the election if your committee was required to file a 30th Day Before Election Report. If your committee was not required to file the 30th Day Before Election Report, the start date is the day after the last day covered by your committee's last required report. If this is the first report your committee has filed, please see the "First Reports" section above. The end date is the 10th day before the election. (This report is not required if your committee is supporting or opposing an [unopposed candidate](#) in the election or is filing under the [modified reporting](#) schedule.)

Exceeded \$500 Limit Report Period: (This report is only required for specific-purpose committees who selected the [modified reporting](#) schedule but exceeded the \$500 limit after the 30th day before the election.) The start date for the report is either the day your committee appointed a campaign treasurer or the day after the last day covered by your committee's last required report, whichever is later. The end date is the day your committee exceeded the \$500 limit for contributions or expenditures. (See "Exceeded \$500 Limit Report" in the "Report Type" section above for more information.)

Runoff Report Period: The start date is the 9th day before the main election if your committee filed an 8th Day Before Election report in connection with the main election. Otherwise, the start date is the day after the last day covered by your committee's last required report or the day your committee appointed a campaign treasurer, whichever is later. The end date is the 10th day before

the runoff election. (This report is not required if your committee is eligible to file under the [modified reporting](#) schedule.)

## **SPAC: Cover Sheet – Committee Purpose**

**Committee Purpose:** Your specific-purpose committee is required to identify each candidate or ballot measure supported or opposed and each officeholder assisted by the committee in this reporting period. Note: This information should also have been included on your committee's campaign treasurer appointment (Form STA). If there is a change in this information, you must file an amended campaign treasurer appointment (Form ASTA) to report the change within 24 hours of the change.

**Changing Status?** Sometimes a specific-purpose political committee (SPAC) is organized to support a particular candidate or measure but later broadens its goals to support a variety of candidates who share the group's views on a particular issue or to support a variety of measures related to an issue. In that case, the committee has become a general-purpose political committee (GPAC). [Tell Me More About Committees Changing Status](#)

**Subject:** Select whether your committee's activity relates to a candidate, officeholder, or measure. You may add more than one subject entry for your committee.

**Purpose:** Indicate whether your committee supported or opposed the candidate or measure. *Note:* If Officeholder is selected, the purpose of "assist" will always be selected. You may add more than one purpose entry for your committee.

## **SPAC: Worksheet Summary**

**Worksheet Summary** is a new page in the filing application designed to help you keep track of the schedules required for this report and the activity you enter. If you indicated by answering "Yes" on the previous **Reporting Period Activities** screen that your committee has activity to report, those schedules/categories are highlighted in **green** in the grid.

Return to Cover Sheet button: Click on this button to go to the beginning of this report's **Cover Sheet** (report type and period covered). You may also go to the cover sheet by clicking on the link in the Report Menu navigation sidebar always displayed down the left side of your screen.

Walk me through all schedules button: Click on this button to be guided through a series of questions to determine whether or not your committee may have activity to disclose on a report schedule. This option takes you through ALL the schedules in the report from beginning to end. During the walk-through, any schedules that you choose to "work on this later" will be flagged with a check mark in the **Work on Later** column on the **Worksheet Summary** screen.

Report Totals button: Click on this button to go to this report's **Subtotals** and **Totals** pages, where you can view the calculated totals of activity entered in this report and enter lump sum totals for unitemized contributions, pledges, loans, and expenditures.

Upload File button: Click on this button to import your contribution and expenditure data into the filing application.

**Worksheet Summary Grid:** The reporting schedules/categories are organized into three main areas:

- Incoming Funds – any money coming into your committee's political account(s);
- Outgoing Funds – any payments going out of your committee's political account(s); and
- Additional Activity – other types of activity, such as non-monetary (in-kind) contributions, pledged contributions, or unpaid incurred expenditure obligations.

Under each main area, the information is displayed in the following columns:

**Category:** This column displays the name and letter code of each schedule/category you may possibly need for this report. (For example, the name of the first schedule is Monetary Political Contributions and the letter code for that schedule is A1.) If you indicated on a previous screen that your committee has activity to report, those schedules/categories are highlighted in **green** in the grid.

**Walk Thru:** Click this link to be guided through a series of questions to help you determine whether or not your committee may have activity to disclose on a particular report schedule. This option allows you to walk-through a single schedule only. During the walk-through, if you choose to "work on this later" the schedule will be flagged with a check mark in the Work on Later column.

**Count:** This column keeps a running tally and displays the number of transactions you have entered and saved for a particular schedule/category.

**Sub-Total:** This column displays the total amount of transactions you have entered and saved plus any lump sum total you entered on the **Schedule Subtotals** page for a particular schedule/category.

**Action:** To begin entering activity for a particular schedule/category, click on "Start" in this column. After you have saved your first transaction, the link that you click on changes to "Continue" in this column.

**Work on Later:** If you choose to do a "walk thru" of all schedules or one particular schedule, any schedules that you choose to "work on this later" will be flagged with a check mark in this column. Once you enter and save data

on a checked schedule, the check mark will be removed; but remember, you can always enter information on any category/schedule, as needed, until you file the report.

## **SPAC: Schedule A1**

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **monetary** contributions on Schedule A1. (Non-monetary (in-kind) contributions are now entered on Schedule A2.)

**Schedule A1** is used to itemize incoming monetary [political contributions](#) that exceed \$50 from one person during the reporting period. If your committee accepted other types of incoming funds (such as loans or interest) or non-monetary contributions (such as in-kind contributions or pledges), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, your committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which your committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a specific-purpose committee. *NOTE:* Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Contributions or Support:** Do not enter on this schedule contributions or support your committee received from [corporations](#) or labor organizations. A specific-purpose committee that *supports or opposes measures exclusively* may accept monetary and non-monetary (in-kind) contributions from corporations or labor organizations and must report such contributions on Schedules C1, C2, and D. If a committee supports or opposes a candidate or assists an officeholder, the committee may not accept [corporate](#) or labor organization contributions.

**Contributions List:** After you enter and save your first contribution, the filing application will begin a list of all contributions entered on Schedule A1 for this

report. The list will display columns showing pertinent information for each contribution:

Date	Contributor	Amount	Action
01/01/2015	Contributor, Connie	\$1,000.00	Edit Delete

(1 of 1) 5

Add Memo Done with Contributions

The contribution list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

Contribution Date: Enter the date your committee *accepted* the contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

Contribution Amount: Enter the amount of the contribution.

**Itemize box:** Checking this box indicates that this contribution will be itemized on Schedule A1. The automatic default is to itemize. Your committee is required to itemize contributions that exceed \$50 in the aggregate from a single contributor. If your committee accepted two or more monetary contributions from the same person, the total of which exceeds \$50, enter each contribution separately and be sure the box is checked for each entry.

Contributions of \$50 or less. Although you are not required to do so, you may also itemize on Schedule A1 monetary contributions that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize monetary contributions of \$50 and less on Schedule A1, you must total all such contributions and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such contributions here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule A1.

Contributor Name (First, Last, Title, Suffix; or Entity Name): Enter the [full name](#) of the contributor. Principal Occupation/Job Title: A committee that supports or opposes a candidate for or assists a holder of a city office or legislative office must disclose the principal occupation or job title of an individual from whom the committee accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

## **SPAC: Schedule C1**

**NEW!** Enter only incoming **monetary** corporate or labor organization contributions on Schedule C1. (Non-monetary (in-kind) corporate or labor organization contributions are now entered on Schedule C2).

**Schedules C1 and C2 are only for specific-purpose committees that support or oppose measures *exclusively*.** Such committees also use Schedule D to disclose corporate or labor organization pledged contributions. If a committee supports or opposes a candidate or assists an officeholder, the committee may not accept [corporate](#) or labor organization contributions.

**Schedule C1** is used by political committees that support or oppose measures exclusively to itemize all monetary [political contributions](#) accepted from [corporations](#) or labor organizations during this reporting period. You must itemize all such corporate or labor organization monetary contributions, regardless of the amount, on this schedule. If your committee accepted other types of incoming funds (such as loans or interest) or non-monetary contributions (such as in-kind contributions or pledges), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contributions List:** After you enter and save your first corporate or labor organization contribution, the filing application will begin a list of all contributions entered on Schedule C1 for this report. The list will display columns showing pertinent information for each contribution:

Add Memo Done with Contributions

The contribution list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

Contribution Date: Enter the date your committee accepted the contribution. [Accepting a contribution](#) is different from receiving a contribution. The committee accepts a contribution when the determination is made to accept it rather than reject it. This may or may not be the same day that the committee receives the contribution.

Contribution Amount: Enter the amount of the contribution.

**Itemize box:** This box is always checked on this schedule. Your committee is required to itemize all contributions from corporations and labor organizations, regardless of the amount. If your committee accepted two or more contributions from the same corporate contributor, enter each contribution separately.

Contributor Name (Entity Name): Enter the full name of the corporation or labor organization that made the contribution.

Contributor Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the corporation or labor organization that made the contribution.

## **SPAC: Schedule E**

**Schedule E** is used to itemize loans made for political purposes by financial institutions or individuals. **NOTE:** Only a specific-purpose committee for *supporting or opposing measures exclusively* may accept a loan from a [corporation](#) other than a [financial institution](#).

**Loans List:** After you enter and save your first loan, the filing application will begin a list of all loans entered on Schedule E for this report. The list will display columns showing pertinent information for each loan:

From Individual or Entity? Indicate whether the lender is an individual or an entity.

**Loans from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of lender.)*

**Is the Lender an out-of-state PAC?** Check this box only if the lender is an out-of-state political committee (PAC). Certain restrictions apply to contributions (including loans) from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political

committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted loans from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you

must timely file a paper copy of the required information at the time you file your electronic report.

**Lender Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the person or financial institution that made the loan. If the lender is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the lender is an entity, enter the full name of the entity.

**Lender Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the person or financial institution that made the loan.

Was collateral used for this loan? If there is no collateral for this loan, click on NO. If there is collateral for this loan, click on YES and describe the collateral in the Collateral Description box.

Is this a guaranteed loan? If there are no guarantors for this loan, click on NO. If there are one or more guarantors, click on YES. This will activate the button labeled **"Enter Guarantor(s)"** at the bottom of the screen. Click on that button to enter guarantor information.

*NOTE:* A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution under "Enter Guarantor(s)" on Schedule E, and not on the contributions schedule.

Is this loan from a financial institution?

(This field will be activated only if "Entity" is selected for the type of lender.) If your committee accepted a loan from a corporation that has been legally engaged in the business of making loans for more than one year, click on YES. If the loan was from any other source, click on NO.

*NOTE:* A loan from a corporation that has not been legally engaged in the business of making loans for more than one year is a corporate contribution. Only a specific-purpose committee for *supporting or opposing measures exclusively* may accept a loan from a corporation other than a financial institution that has been legally engaged in the business of making loans for more than one year.

**Lender Principal Occupation and Employer Information** *(These fields will be activated only if "Individual" is selected for the type of lender.)*

**Lender Principal Occupation:** A committee that supports or opposes a candidate for or assists an officeholder of a city office in the executive branch or a legislative office must disclose the principal occupation or job title of each individual from whom the committee has accepted a loan (including a pledge of a loan) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

Although you are not required to do so, you may also itemize on Schedule K any credit, gain, refund, or interest that does not exceed \$100. **Credits List:** After you enter and save your first credit/gain/refund/returned contribution or interest, the filing application will begin a list of all credits/gains/refunds/returned contributions or interest entered on Schedule K

**NEW! Expenditures Made By Credit Card:** Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When your committee uses political contributions to pay the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule. See [Expenditures Made by Credit Card](#) for more information.

**Schedule F1** is used to itemize outgoing political payments made from political contributions that exceed \$100 to one individual or entity during the reporting period. Prior to January 1, 2015, this activity was disclosed on Schedule K (used for other incoming funds earned or returned to your committee's political account).

**Schedule F3** is used to itemize any investment your committee purchased with political funds during the reporting period, the amount of which exceeds \$100. If your committee had other types of outgoing funds or activity (such as political expenditures from political funds or unpaid incurred expenditure obligations), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

## **SPAC: Schedule A2**

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **non-monetary (in-kind)** contributions of goods, services, or other thing of value on Schedule A2. (Monetary contributions are now entered on Schedule A1.)

**Schedule A2** is used to itemize incoming non-monetary (in-kind) [political contributions](#) of goods, services, or other thing of value that exceed \$50 from one person during the reporting period. If your committee accepted other types of incoming funds or activity (such as pledges, monetary contributions, corporate or labor organization contributions or support, loans, or interest) enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If your committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, your committee must provide written notice to the candidate or officeholder who benefits from your committee's activity. The notice must be given before the end of the reporting period during which your committee made the political expenditures or accepted the political contributions. The notice must inform the person your committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a specific-purpose committee. NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Contributions or Support:** Do not enter on this schedule contributions or support your committee received from [corporations](#) or labor organizations. Only a specific-purpose committee that *supports or opposes measures exclusively* may accept monetary and non-monetary (in-kind) contributions from corporations or labor organizations and must report such contributions on Schedules C1, C2, and D. If a

committee supports or opposes a candidate or assists an officeholder, the committee may not accept [corporate](#) or labor organization contributions.

**Contribution of Personal Services or Travel:** You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services.

Add Memo Done with Contributions

The non-monetary contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political

expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

Contribution Date: Enter the date your committee *accepted* the non-monetary (in-kind) contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

Contribution Amount: Enter the fair market value of the non-monetary (in-kind) contribution.

**Itemize box:** Checking this box indicates that this in-kind contribution will be itemized on Schedule A2. The automatic default is to itemize. You are required to itemize contributions that exceed \$50 (in the aggregate) from a single contributor. If your committee accepted two or more contributions from the same person, the total of which exceeds \$50, enter each contribution separately and be sure the box is checked for each entry

Contributions of \$50 or less. Although you are not required to do so, you may also itemize on Schedule A2 non-monetary (in-kind) contributions that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize in-kind contributions of \$50 and less on Schedule A2, you must total all such contributions and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such in-kind contributions here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule A2.

Contributor Name (First, Last, Title, Suffix; or Entity Name): Enter the [full name](#) of the contributor. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

Contributor Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the contributor.

**Contributor Principal Occupation and Employer Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

Principal Occupation / Job Title: A committee that supports or opposes a candidate for or assists an officeholder of a city office or legislative office must report the principal occupation or job title of an individual from whom the committee accepted contributions (including pledges) of \$500 or more during

the reporting period. In other circumstances, filers are not required to report this information but may do so.

**Employer:** A committee that supports or opposes a candidate for or assists an officeholder of a city office or a legislative office must report the employer of an individual from whom the committee accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**In-kind Description:** Enter a description of the non-monetary (in-kind) contribution. The description should be sufficiently detailed to allow a person reviewing the committee's report to understand what was contributed.

**In-kind Contribution For Out-of-State Travel?** Check this box if the in-kind contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the "Enter Travel Info" button that activates when you check the box. This information will be included in your report on Schedule T.

## **SPAC: Schedule B**

**NEW!** As always, you must disclose a [pledge](#) on Schedule B in the reporting period in which your committee accepted the pledge. Effective January 1, 2015, you must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which your committee actually receives the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

*Example:* In June a supporter promises that he will give a committee \$1,000 in the last week before the November election. The committee accepts his promise. The committee must disclose the pledge on its July 15 report covering the period in which it accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which it received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

**Schedule B** is used to itemize [pledges](#) (monetary or in-kind) that exceed \$50 from one person during the reporting period. If your committee accepted monetary incoming funds (such as contributions, loans, or interest) or received non-monetary (in-kind) contributions, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If your committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, your committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which your committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a specific-purpose committee. NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Pledged Contributions:** Do not enter on this schedule pledged contributions your committee accepted from [corporations](#) or labor organizations. Only a specific-purpose committee that *supports or opposes measures exclusively* may accept contributions from corporations or labor organizations and must report such contributions on Schedules C1, C2, and D. If a committee supports or opposes a candidate or assists an officeholder, the committee may not accept [corporate](#) or labor organization contributions.

**Pledge of Personal Services or Travel:** You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Pledged Contributions List:** After you enter your first pledged contribution, the filing application will begin a list of all contributions entered on Schedule B for this report. The list will display pertinent information for each contribution:

Date	Pledgor	Amount	Travel	Action
01/01/2015	Pledgor, Paula	\$1,000.00		<a href="#">Edit</a> <a href="#">Delete</a>

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

Pledge Date: Enter the date your committee *accepted* the [pledge](#). *Accepting* a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it. Note that your committee must accept a pledge before you are required to report it. (If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.)

Pledge accepted and received in different reporting periods: If your committee *accepts* a pledge in one reporting period and then *receives* the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans) in the reporting period in which you received the pledge.

Pledge accepted and received in the same reporting period: If your committee receives a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or

non-monetary contributions, or loans). The date of the contribution will be the date your committee accepted the pledged contribution, regardless of when the pledged contribution was actually received.

**Pledge accepted but never received:** You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If your committee never actually receives the pledge, it is not necessary to correct your report to delete the pledge.

*Example:* In June a supporter promises that he will give a committee \$1,000 in the last week before the November election. The committee accepts his promise. The committee must disclose the pledge on its July 15 report covering the period in which it accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which it received the money. Expenditures made by credit card are disclosed on schedule F4 (used for expenditures made by credit card).

Effective January 1, 2015, you must also disclose when your committee actually pays the incurred expenditure. You must disclose the outgoing payment on Schedule F1 or I, as applicable, in the reporting period in which your committee pays the expenditure.

**NEW! Expenditures Made By Credit Card:** Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When your committee pays the credit

card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule. See [Expenditures Made by Credit Card](#) for more information.

**Schedule F2** is used to itemize political expenditures your committee has incurred but not yet paid that exceed \$100 to one individual or entity during the reporting period. Also use this schedule to itemize any non-political expenditures your committee has incurred but not yet paid during the reporting period, regardless of the amount. If your committee had other outgoing funds (such as investment purchases or political payments from political funds), or expenditures made by credit card, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If your committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, your committee must provide written notice to the candidate or officeholder who benefits from your committee's activity. The notice must be given before the end of the reporting period during which your committee made the political expenditures or accepted the political contributions. The notice must inform the person that your committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a specific-purpose committee. NOTE: Such notices are not required if your committee is the principal political committee of a political party.

The unpaid incurred obligations list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered unpaid incurred obligation. To enter a new unpaid incurred obligation, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding unpaid incurred obligation(s) entered on this schedule.

To Individual or Entity? Indicate whether the payee is an individual or an entity.

Expense Date: Enter the date your committee incurred the expenditure obligation. (Remember: Expenditure obligations your committee incurred *and paid* in this reporting period are entered on Schedule F1 or I, as applicable and expenditures made by credit card are disclosed on Schedule F4.)

### [Tell Me More About Incurred Expenditure Obligations](#)

Expense Amount: Enter the amount of the incurred expenditure obligation.

**Itemize box:** Checking this box indicates that this incurred expenditure will be itemized on Schedule F2. The automatic default is to itemize. Your committee is required to itemize incurred political expenditures that exceed \$100 (in the aggregate) to a single payee. Your committee is required to itemize any non-political incurred expenditure, regardless of the amount. If your committee incurred two or more political expenditures to the same payee, the total of which exceeded \$100, enter each incurred expenditure obligation separately and be sure the box is checked for each entry.

Incurred Political Expenditure Obligations of \$100 or less. Although you are not required to do so, you may also itemize on Schedule F2 incurred political expenditures to a single payee that do not exceed \$100 for the reporting

period. If you do not itemize incurred political expenditures of \$100 and less on Schedule F2, you must total all such incurred political expenditures and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such incurred political expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F2.

Type of Expenditure: Select whether the incurred expenditure was political or [non-political](#). **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Remember that you may not convert political contributions to personal use.

If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity.

Payee Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the payee of the expenditure obligation.

**Expenditure Purpose.** *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.*

### **Examples of Acceptable Ways to Report Expenditure Purpose**

Category: Select a category of goods, services, or other thing of value for which the incurred expenditure is made. If none of the listed categories apply, select "Other" and enter your own category.

Description: Enter a brief statement or description of the committee activity that is conducted by making the incurred expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. State whether the

expenditure was to support or oppose a candidate, officeholder, political party, or ballot measure, and identify the candidate, officeholder, political party, or ballot measure. If your incurred expenditure was a contribution to a candidate or officeholder, or to another committee, enter "political contribution" and identify the recipient.

## **SPAC: Schedule F4**

**NEW!** Schedule F4 is a new schedule used to disclose information about expenditures made by credit card. Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card company. (When your committee pays the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule.)

**Schedule F4** is used to itemize expenditures your committee made by credit card that exceed \$100 to one individual or entity during the reporting period. If your committee had outgoing funds (such as investment purchases or political payments from political funds), or obligations that your committee has incurred but not yet paid, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page. See [Expenditures Made by Credit Card](#) for more information.

**Notice to Candidates and Officeholders:** If your committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, your committee must provide written notice to the candidate or officeholder who benefits from your committee's activity. committee. NOTE: Such notices are not required if your committee is the principal political committee of a political party.

**Note:** There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.* See [Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures](#) for more information.

Expense Amount: Enter the amount of the credit card expenditure.

## **SPAC: Schedule Subtotals**

**Schedule Subtotals** is a new page of the reporting form intended to supplement the report totals (cover sheet, page 2). This page displays the calculated **Subtotal** for each report schedule, based on the amounts you entered on the schedule entry screen (reported itemized and reported unitemized) and any other unitemized total you enter as a lump sum amount here (user entered lump sum unitemized).

You are always required to itemize or report detailed information for contributions, expenditures, and loans over a certain monetary threshold. The thresholds vary depending on the type of activity (see "Itemization Thresholds" below). For smaller contributions, expenditures, and loans that do not exceed the threshold (in the aggregate from a single source), you may report them in one of two ways: 1) add them all together and enter the unitemized total as a lump sum; OR 2) enter the detailed information on the schedule entry screen (and choose to itemize or not).

**Itemized transactions:** You chose to enter the detailed information on the schedule entry screen AND the "itemize" box is checked. The filing application calculates the sum of the entries for each schedule and the amount is displayed in the **Reported Itemized** column for the applicable schedule.

**Unitemized transactions:** Depending on your choice of entry, your unitemized transactions are shown under one of the following columns:

**Reported Unitemized** – You chose to enter the detailed information on the schedule entry screen and the "itemize" box is NOT checked. The transaction will remain unitemized, unless you manually check the "itemize" box or you enter additional transactions from/to the same source which cause the aggregate total to exceed the itemization threshold.

**User Entered Lump Sum Unitemized** – You chose not to enter the detailed information, but rather to enter the total of all your unitemized transactions as a lump sum for the applicable schedule. You must manually enter the lump sum total. DO NOT INCLUDE in a lump sum total any transactions for which you chose to enter detailed information.

**Itemization Thresholds for Each Schedule:** *To return to the instructions for each schedule, click on the applicable link.*

**Monetary Political Contributions (A1)** - You are not required to itemize contributions (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**Monetary Contributions from Corporation or Labor Organization (C1)** – *This schedule is only for political committees that support or oppose measures exclusively.* There is no itemization threshold for this schedule. You must itemize all monetary contributions from a corporation or labor organization.

**Loans (E)** – You are not required to itemize loans (in the aggregate from a single source) of \$50 or less from a person other than a financial institution. If not entered on this schedule, you must enter a lump sum. You must itemize all loans from a financial institution regardless of the amount.

**Interest, Credits, Gains, Refunds, and Contributions Returned to Filer (K)** – You are not required to itemize any credit, gain, refund, or interest (in the aggregate from a single source) of \$100 or less, other than contributions returned to your committee. You must itemize all returned contributions, regardless of the amount. You are not required to enter a lump sum for this schedule.

**Political Expenditures from Political Contributions (F1)** – You are not required to itemize political expenditures (in the aggregate to a single payee) of \$100 or less. If not entered on this schedule, you must enter a lump sum.

**Payment from Political Contributions to the Business of C/OH (H)** – There is no itemization threshold for this schedule. You must itemize all such payments.

**Non-political Expenditures from Political Contributions (I)** - There is no itemization threshold for this schedule. You must itemize all non-political expenditures from political contributions.

**Purchase of Investments from Political Contributions (F3)** – You are not required to itemize investments (in the aggregate from a single source) of \$100 or less. You are not required to enter a lump sum for this schedule.

**Non-monetary (In-kind) Political Contributions (A2)** – You are not required to itemize contributions (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**Pledged Contributions (B)** – You are not required to itemize pledges (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**Non-monetary (in-kind) Contributions from Corporation or Labor Organization (C2)** - *This schedule is only for political committees that support or oppose measures exclusively.* There is no itemization threshold for this schedule. You must itemize all non-monetary contributions from a [corporation](#) or labor organization.

**Pledged Contributions from Corporation or Labor Organization (D)** - *This schedule is only for political committees that support or oppose measures exclusively.* There is no itemization threshold for this schedule. You must itemize all monetary and non-monetary pledges from a [corporation](#) or labor organization.

**Unpaid Incurred Obligations (F2)** – You are not required to itemize incurred but not yet paid political expenditures (in the aggregate to a single payee) of \$100 or less. If not entered on this schedule, you must enter a lump sum. You are required to itemize all incurred but not yet paid non-political expenditures, regardless of the amount.

**Expenditures Made by Credit Card (F4)** – You are not required to itemize political expenditures made by credit card (in the aggregate from a single source) of \$100 or less. ## **SPAC: Report Error Check**

**Report Error Check** is a tool to assist you in fulfilling your reporting requirements. The Error Check details errors and omissions in the data entry; it does not verify that the report has satisfied all legal requirements. You should review the applicable COA-EFS Guide and the filing application PAGE HELP to ensure that ALL required information is included before you file your report.

If the Error Check finds errors in your report, the errors will be listed for you in a table on this screen. You can also click the View as PDF button to view the error list as an Adobe Acrobat .PDF file (requires Adobe Acrobat reader or equivalent viewer to view) or click the View as Excel button to view the error list in a Microsoft Excel spreadsheet.

The errors list includes the following information:

Severity: The error records are ranked in terms of severity:

**HIGH:** These are major omissions in information that indicate non-compliance with certain reporting requirements (such as not entering the amount of total political contributions maintained as of the last day of the reporting period under Report Totals). This information is considered very important and you **MUST CORRECT** these errors in order to file the report.

**LOW or MEDIUM:** These are omissions or errors in other information that indicate non-compliance with certain reporting requirements (such as not entering address information for a contributor or payee). You should correct these errors to be in legal compliance with your reporting requirements. You may, however, choose to accept these errors and file the report as is. **NOTE:** If you file the report with errors, you could be subject to a sworn complaint for reporting violations.

**Tracking Information:** This column shows the transaction (contribution, loan, etc.) containing the error and other information to help you identify the transaction.

**Error Record:** This column shows the name of the data field containing the error and provides a link directly to the entry screen where the error is located. After correcting the error and saving the transaction, you may run the Error Check again by clicking the **Check For Errors** link in the Report Menu navigation sidebar always displayed down the left side of your screen.

**Message:** This column provides a brief explanation of the required information that is missing or in error.

## **SPAC: Correction Affidavit**

A filer who files a corrected report must submit a **Correction Affidavit**. The affidavit must identify the information that has changed. The affidavit also provides check boxes for your use in swearing to certain statutory provisions regarding the corrected report, if applicable.

**Explanation of Correction:** Use this box to explain why there were error(s) on the original report, what information is being corrected, and how the new information is different from the information on the original report. You may

also use this area to request a waiver or reduction of a late-filing penalty for this correction, if any, and state the basis of your request.

**Sworn Statement Check Boxes:** Check the box next to any and all applicable statements.

**For Any Corrected Report:** Check this box if you are filing this corrected report not later than the 14th business day after the date you learned that the report as originally filed is inaccurate or incomplete and any error or omission in the report as originally filed was made in good faith.

A corrected report (other than an 8th Day Before Election Report) filed with the COA-EFS after its due date is not considered late for purposes of late-filing penalties if the report meets this "14th business day in good faith" statutory provision.

A correction to an 8th Day Before Election Report must also meet the "14th business day in good faith" statutory provision; however, the corrected report could be subject to a late-filing penalty unless the report as originally filed substantially complies with the applicable law as determined by the City of Austin. The person responsible for filing the report may request a waiver or reduction of any late-filing penalty assessed.

**For Corrections to Semiannual Reports:** Effective September 1, 2011, a Semiannual Report (due January 15 or July 15) that is amended/corrected before the eighth day after the original report was filed is considered to have been filed on the date the original report was filed. A Semiannual Report that is amended/corrected on or after the eighth day after the original report was filed is considered to have been filed on the date the original report was filed if: (1) the amendment/correction is made before any complaint is filed with regard to the subject of the amendment/correction; and (2) the original report was made in good faith and without intent to mislead or misrepresent the information contained in the report.

**Correction Tables:** Any corrections made to this report are listed in a table below according to the type of correction (added, updated, or deleted). Only the applicable table(s) will display. If you make additional changes before you file the report, those changes will be reflected here.

**Added Record Table:** This table contains any new records you entered in this corrected report that were not previously disclosed in the original report.

Updated Record Table: This table contains any records you changed in this corrected report that were previously disclosed incorrectly in the original report.

Deleted Record Table: This table contains any records you deleted in this corrected report that were previously disclosed in error in the original report.

Each table includes columns with the following information:

Record Type and Tracking Information: Shows the type of transaction (contribution, loan, expenditure, etc.) that you added, updated, or deleted, and other information to help you identify the transaction.

Record Detail: Shows the specific data you added, updated, or deleted to help you identify the transaction.

## **SPAC: Dissolution Report Affidavit**

You must file a Dissolution report in order to dissolve the committee. Your committee may file a Dissolution report if your committee expects to have no further reportable activity. There is not a fixed deadline for this report. A Dissolution report terminates the appointment of campaign treasurer (Form STA) and relieves the campaign treasurer of the duty to file additional reports. (In this case, the Dissolution report serves as the treasurer's termination report.) A Dissolution report does not relieve the campaign treasurer of his or her responsibility for any delinquent reports or outstanding civil penalties. **Remember:** A political committee may not make or authorize political expenditures or accept political contributions without having a campaign treasurer appointment (STA) on file.

**Dissolution Report Affidavit:** This page includes the Dissolution report affidavit language. You must agree to and acknowledge the affidavit to indicate that you understand the consequences of filing a Dissolution report. To do so, select the radio button next to the statement, "I agree to and acknowledge the above affidavit."

If your committee intends to have additional campaign activity and is not ready to file a Dissolution report, select the radio button next to the statement, "I do not agree to the above affidavit." You will have some options as to how you wish to continue:

Continue Working on a Different Report Type: *(This option is only available if you started the Dissolution report in combination with another report type.)* Selecting this option will return you to the “Cover Sheet” screen. From here, you can select “Clear This Report?” if you do not wish to file a Dissolution report at this time.

Go Back to My Reports Page: Selecting this option will return you to the “Manage My Reports” screen without creating the Dissolution report. From here, you can continue working on an in-progress report or start a new report.

Return to Dissolution Report Affidavit: Selecting this option will return you to the Dissolution Report Affidavit screen. From here, you can choose to agree to the Dissolution report affidavit in order to continue with the Dissolution report.

## **SPAC: Appendix**

### **CHANGE OF STATUS**

A change in political activity may mean that a political committee has changed from a specific-purpose political committee (SPAC) to a general-purpose political committee (GPAC/MPAC) or vice versa. If this happens, the committee is subject to new filing requirements.

**SPAC becoming a GPAC/MPAC.** If an SPAC engages in activities that make the committee a GPAC/MPAC, the committee must file a new campaign treasurer appointment (on Form GTA) with the COA-EFS before it may accept more than \$500 in total political contributions or make more than \$500 in total political expenditures as a GPAC/MPAC. On Form GTA, the committee may choose whether to file according to the regular filing schedule (filer type GPAC) or monthly filing schedule (filer type MPAC).

In addition to filing Form GTA with the COA-EFS, the campaign treasurer of the new GPAC/MPAC must give notice of the change in status to the filing authority with whom the committee filed reports as an SPAC. This notice is due no later than the due date for the next report the committee would have had to file as an SPAC. The notice must state that the committee will file future reports as a GPAC/MPAC and that those reports will be filed with the COA-EFS.

**GPAC/MPAC becoming an SPAC.** A GPAC or MPAC that chooses to limit its activities to the activities of an SPAC must file a new campaign treasurer

appointment (on Form STA) with the appropriate filing authority. See ["Where to File an Appointment of Campaign Treasurer"](#) in the PAC guide. Further, the new SPAC may not make expenditures in an election supporting or opposing a candidate for a statewide office, the State Legislature, the State Board of Education, a multi-county district office, or a judicial district office unless it has had its appointment of campaign treasurer as an SPAC on file for at least 30 days before the election.

In addition to filing a new Form STA with the appropriate filing authority, the campaign treasurer of the new SPAC must give notice to the COA-EFS of the change in status. This notice must be given to the COA-EFS no later than the due date for the next report the committee would have had to file with the City of Austin if the committee had not become an SPAC. The notice must state that the committee will file future reports as an SPAC and must identify the filing authority with which those reports will be filed.

## **Use Of Political Funds To Rent Or Purchase Real Property**

A candidate or officeholder or a specific-purpose committee for supporting, opposing, or assisting a candidate or officeholder is prohibited from using political funds to purchase real property or to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder a specific-purpose committee for supporting, opposing, or assisting a candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038 (a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

## **Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures**

***You can never go wrong by disclosing the date the credit card was charged as the expenditure date.*** For 30-day and 8-day pre-election reports, the expenditure date is the date of the credit card charge, not the date of the credit card bill. For all other reports, the expenditure date may be either the date of the charge or the date of receipt of the credit card bill that includes the expenditure.

***If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, disclose the vendor who sold you the goods or services as the payee.*** DO NOT disclose as the payee the name of the candidate, officeholder, or committee that benefitted from the expenditure. Include that person's name under the purpose description.

***Did a staff worker make political payment(s) out of his or her personal funds?*** How you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

***Staff Reimbursement Examples:***

***Case #1:*** The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the \$100 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. DO NOT disclose as the payee the name of your staff worker.

***Case #2:*** The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

***Case #3:*** The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period BUT you reimburse the

staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

## **Payments To A Business Of The Candidate Or Officeholder**

A candidate or officeholder or a specific-purpose committee supporting, opposing, or assisting a candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; or a position as an officer of a business.

A candidate or officeholder or a specific-purpose committee supporting, opposing, or assisting a candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may the specific-purpose committee make payments out of political contributions directly to the candidate or officeholder (or to the candidate's or officeholder's spouse or dependent children) for personal services rendered to the committee by the candidate or officeholder or by the candidate's or officeholder's spouse or dependent children.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. See generally [Ethics Advisory Opinion No. 35 \(1992\)](#).

A candidate or officeholder or a specific-purpose committee for supporting, opposing, or assisting a candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. A candidate or officeholder or a specific-purpose committee for supporting, opposing, or assisting a candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

## **Incurred Expenditure Obligations**

The date of an expenditure is not necessarily the date that goods or services are received. It is the date on which you incur the obligation to make a payment, as long as the amount of the payment is "readily determinable." Generally, you know the amount of an expenditure (and therefore it is readily determinable) when the obligation is incurred, but in some cases you may not know the amount until the receipt of a periodic bill. An amount is readily determinable if the vendor can provide the amount at your request.

**Example 1:** On June 29th, a filer orders political signs. On July 16th, the filer receives the invoice for the signs. The date of the expenditure is June 29th, if on that date the vendor can provide the amount the filer will owe the vendor for the signs. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred and disclose that unpaid incurred obligation on Schedule F2 in the July 15 semiannual report covering the period in which the unpaid obligation is incurred. (Note: When the filer makes the payment, he will disclose it as an outgoing payment on Schedule F1 in the report covering the period in which he pays the expenditure.)

**Example 2:** A filer maintains a campaign office. The filer does not know the cost of the office's June utilities until she receives the periodic monthly bill on July 16th. The filer will not disclose the expense as an unpaid incurred obligation on Schedule F2 in the July 15 semiannual report, since the amount was not readily determinable until after the end of the semiannual reporting period.

## **Expenditures Made by Credit Card**

Beginning on September 1, 2015, all expenditures made by credit card must be reported on a new schedule: "Expenditures Made by Credit Card" Schedule (F4). This requirement applies to filers of electronic and paper campaign finance reports, including candidates, officeholders, political committees, political parties, and direct campaign expenditure filers.

When a credit card is used to make a reportable expenditure, the expenditure must be reported on the new schedule by identifying the name and address of the vendor who sold the goods or services, **NOT** the credit card company that issued the credit card. The date, amount, and purpose of the expenditure must also be disclosed, in addition to other information.

Once the credit card bill is paid, the payment must also be reported using the appropriate existing disbursement schedule (e.g., Schedule F1, Schedule G, Schedule H, or Schedule I) by identifying the credit card company that receives the payment. The date, amount, and purpose of the payment must also be disclosed, in addition to other information.

Please see the following examples of reporting expenditures made by credit card:

**Example 1: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate makes a payment from her political contributions account to pay the \$1,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked.
- For the payment to the credit card company: a \$1,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit

Card Payment,” and a description as “Payment of credit card bill for campaign office supplies.”

- Both \$1,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes a payment from his personal funds account to pay the \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.
- For the payment to the credit card company: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
- Both \$3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

### **Example 3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A general-purpose committee uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee's campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

- A \$500 expenditure on the "Expenditures Made by Credit Card" Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as "Advertising Expense," and a description as "Political Advertising." In Section 9 of the schedule, the box for "Political" is also checked.
- The \$500 amount reported on the "Expenditures Made by Credit Card" Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee's campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card company:

- A \$500 expenditure on the "Political Expenditures from Political Contributions" Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as "Credit Card Payment," and a description as "Payment of credit card bill for political advertising."
- The \$500 amount reported on the "Political Expenditures from Political Contributions" Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

#### **Example 4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card company was made:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

## **SPAC: Glossary**

### **A**

**Accepting a Contribution:** A political committee must report contributions that the committee has accepted. Receipt is different from acceptance. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received. (A decision to accept a contribution made during the period covered by a Legislative Special Session report must be made by the third day after the contribution is received.)

**Failure to make a determination about acceptance or refusal:** If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

**Returning refused contributions:** If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

### **B**

### **C**

**Corporation:** Includes any of the following business associations:

(1) corporations that are organized under the Texas Business Corporation Act, the Texas For-Profit Corporation Law, the Texas Non-Profit Corporation Act, the Texas Nonprofit Corporation Law, federal law, or law of another state or nation; or

(2) the following associations, whether incorporated or not: banks, trust companies, savings and loan associations or companies, insurance companies, reciprocal or interinsurance exchanges, railroad companies, cemetery companies, government-regulated cooperatives, stock companies, and abstract and title insurance companies.

### **D**

**Direct Campaign Expenditure:** A "direct campaign expenditure" to benefit a candidate is not a "political contribution" to that candidate. A direct campaign expenditure is a campaign expenditure made on someone else's behalf and

without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

**Example:** If your committee made an expenditure to prepare and distribute an endorsement letter in support of a candidate and you did not get the candidate's approval before you made the expenditure, you made a direct campaign expenditure. However, if you asked for and received the candidate's approval before making the expenditure, you made an in-kind contribution to the candidate.

E

F

**Financial Institution:** A corporation that has been legally engaged in the business of making loans for more than one year.

**Full Name of the Contributor:** Texas law does not allow anonymous contributions. Even if you do not itemize a contribution, you must maintain a record of all the information related to a contribution for two years after the deadline for filing the report. You must also identify the actual source of a contribution, not an intermediary.

L

M

**Modified Reporting:** On the campaign treasurer appointment (Form STA), there is an option to choose "modified reporting" for the next election cycle. A specific-purpose committee must make this selection at least 30 days before the first election to which the selection applies. Modified reporting excuses a specific-purpose committee from filing 30-day and 8-day pre-election reports and a runoff report. The committee campaign treasurer's obligation to file semi-annual reports, daily special pre-election reports (formerly known as

telegram reports), or special session reports, if applicable, is not affected by selecting the modified reporting schedule. A specific-purpose committee that supports or opposes an opposed candidate or a measure in an election is eligible for modified reporting only if the committee does not intend to exceed either \$500 in contributions or \$500 in expenditures in connection with an election cycle.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the committee does not exceed one of the \$500 thresholds).

If a specific-purpose committee chooses modified reporting on Form STA, but then exceeds one of the thresholds before the 30th day before the election, the committee is no longer eligible for modified reporting and must file reports 30 days and 8 days before the election.

If a specific-purpose committee chooses modified reporting, but then exceeds one of the thresholds after the 30th day before the election, the committee must file an "Exceeded \$500" report within 48 hours of exceeding the threshold. At that point, the committee is no longer eligible for modified reporting and must file according to the regular filing schedule.

## N

**Non-Political Expenditure:** An expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, **very few** expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Examples of non-political expenditures:

- Charitable donation, if you receive no benefit in return
- A political committee uses political contributions to pay a lobbyist to work on legislative matters

## O

**Officeholder Expenditure:** A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities, if the expenses are not reimbursable with public money.

**Austin, Texas Officeholder Living Expense:** refers to payments made to defray ordinary and necessary expenses incurred in connection with the performance of duties or activities as a public officeholder, including payment of rent, utility, and other reasonable housing or household expenses incurred in maintaining a residence in Travis County by members of the legislature who do not ordinarily reside in Travis County. Examples include:

- Rent for Austin apartment
- Phone line and internet access for Austin apartment
- Installation expense of security system at officeholder apartment

**Opposed Candidate:** A candidate is an "opposed" candidate if the candidate has an opponent, including a minor party candidate, whose name is printed on the ballot. If the candidate's only opposition is a write-in candidate, the candidate is not considered opposed for filing purposes. Note: If the candidate is a write-in candidate, the candidate is an "opposed" candidate for filing application.

## **P**

**Pledge:** a promise to transfer money, goods, services, or other things of value. A pledge is not a reportable contribution, unless it is accepted.

**Example:** In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

**Political Contribution:** Any transfer of or *promise to transfer* money, goods, services, or other thing of value, including a loan, that is given to a political committee with the intent that it be used either:

(1) in connection with a campaign for elective office or on a measure to be submitted to the voters; or

(2) to defray expenses in connection with an officeholder's duties or activities, provided that the expenditures are not reimbursable from public money.

A donation of money to a political committee at a fundraiser is a monetary contribution.

A contribution of goods or services is a non-monetary (in-kind) contribution. Examples of non-monetary (in-kind) contributions are:

- Donation of office space
- Donation of an item to be auctioned at a fundraiser
- Donation of a mailing list
- Donation of material and labor for printing campaign signs

A political contribution in the form of a pledge must be reported on the appropriate schedule. For example, a promise to give you money after the election to pay debts incurred in connection with the election is a pledge.

A loan from an incorporated financial institution that has been in business for more than a year is not considered to be a contribution, but you must report any such loans taken out for political purposes on the appropriate schedule.

Note: If the candidate is a write-in candidate, the candidate is an "opposed" candidate for filing purpose.

## **GPAC: Cover Sheet – Report Type & Period Covered**

**What kind of report do you want to file? (Report Type):** You can only select one of these report types for this report. If you need to file more than one of these report types, you must file each as a separate report. You can select one of the following report types as a stand-alone report or in combination with the "Dissolution" or "10th Day After Campaign Treasurer Termination" reports below, if applicable. Read the information concerning each of the report types. Select the radio button for the report type that applies to the event for which you are filing.

**January 15th Semiannual Report:** All general-purpose committees filing under the regular filing schedule must file a semiannual report with COA-EFS by midnight Central Time on the January 15 report due date.

**July 15th Semiannual Report:** All general-purpose committees filing under the regular filing schedule must file a semiannual report with the COA-EFS by midnight Central Time on the July 15 report due date.

**30th Day Before Election Report:** All general-purpose committees filing under the regular filing schedule that accept political contributions or make political expenditures in connection with an election must file this pre-election report. The report is due no later than 30 days before the election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**8th Day Before Election Report:** All general-purpose committees filing under the regular filing schedule that accept political contributions or make political expenditures in connection with an election must file this pre-election report. Additionally, if your committee filed a “30th Day Before Election” report, then your committee must file this report. The report is due no later than 8 days before the election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**Runoff Report:** All general-purpose committees filing under the regular filing schedule that accept political contributions or make political expenditures in connection with a runoff election must file this report. The report is due no later than 8 days before the runoff election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**Less Commonly Filed Reports:** These reports are only required if you meet certain criteria. You can select one of the following report types as a stand-alone report or in combination with one of the reports listed above, if applicable. Select the radio button for one of these less commonly filed reports only if the report type applies to the event for which you are filing.

**Dissolution Report:** You must file a Dissolution report in order to dissolve the committee. Your committee may file a Dissolution report if your committee expects to have no further reportable activity. There is not a fixed deadline for this report. A Dissolution report terminates the appointment of campaign treasurer and relieves the campaign treasurer of the duty to file additional reports. (In this case, the Dissolution report serves as the treasurer's termination report.)

**10th Day After Campaign Treasurer Termination Report:** A general-purpose committee’s campaign treasurer must file this report if his or her campaign treasurer appointment is terminated. This report is due no later than the 10th day after the termination is filed. If the termination takes place on the last day of a reporting period and the proper report for that period is filed, no separate termination report is required.

**Other Reports:** These other reports are only required in certain circumstances and cannot be combined with other report types. Read the information concerning each of the report types. Select the radio button for one of these other reports only if the report type applies to the event for which you are filing.

For the City of Austin reporting requirements go to <http://austintexas.gov/page/campaign-finance-forms>

**Period Covered:** The filing application will calculate the period covered for your report based on the report type you select. You can modify the start and end dates as long as your modified start date does not precede the filing application calculated start date and your modified end date does not extend past the filing application calculated end date. If you need to report activity outside of the filing application calculated date range for this report, you will need to file multiple reports.

A reporting period includes the Start date and the End date. The report due date will be after the end of the period. Generally, a report picks up where the last report left off and there should be no gaps or overlapping periods. **First Reports.** If this is the first campaign finance report that your committee has filed, the start date will be the date your campaign treasurer appointment (Form GTA) was filed.

**January 15th Semiannual Report Period:** The start date is July 1 of the previous year or the day after the last day covered by your committee's last required report, whichever is later. If this is the first report your committee has filed, please see the "First Reports" section above. The end date is December 31 of the previous year.

**July 15th Semiannual Report Period:** The start date is January 1 or the day after the last day covered by your committee's last required report, whichever is later. If this is the first report your committee has filed, please see the "First Reports" section above. The ending date is June 30.

**30th Day Before Election Report Period:** The start date is the day after the last day covered by your committee's last required report. If this is the first report your committee has filed, please see the "First Reports" section above. The end date is the 40th day before the election.

**8th Day Before Election Report Period:** The start date is the 39th day before the election if your committee was required to file a 30th Day Before Election Report. If your committee was not required to file the 30th Day Before Election Report, the start date is the day after the last day covered by your committee's last required report. If this is the first report your committee has filed, please see the "First Reports" section above. The end date is the 10th day before the election.

Runoff Report Period: The start date is the 9th day before the main election if your committee filed an 8th Day Before Election report in connection with the main election. Otherwise, the start date is the day after the last day covered by your committee's last required report or the day your committee appointed a campaign treasurer, whichever is later. The end date is the 10th day before the runoff election.

Dissolution Report Period: The start date is the day after the last day covered by your committee's last required report. The end date is the day you file the dissolution report.

10th Day After Campaign Treasurer Termination Report Period: The start date is either the day after the last day covered by your committee's last required report or the day your committee appointed a campaign treasurer, whichever is later. The end date is the day the campaign treasurer's appointment was terminated. This report is due no later than 10 days after the campaign treasurer appointment was terminated.

### **Alternative Reporting Requirement for Some Committees:**

## **GPAC: Worksheet Summary**

**Worksheet Summary** is a new page in the filing application designed to help you keep track of the schedules required for this report and the activity you enter. If you indicated by answering "Yes" on the previous **Reporting Period Activities** screen that your committee has activity to report, those schedules/categories are highlighted in **green** in the grid.

Return to Cover Sheet button: Click on this button to go to the beginning of this report's Cover Sheet (report type and period covered). You may also go to the cover sheet by clicking on the link in the Report Menu navigation sidebar always displayed down the left side of your screen.

Walk me through all schedules button: Click on this button to be guided through a series of questions to determine whether or not your committee may have activity to disclose on a report schedule. This option takes you through ALL the schedules in the report from beginning to end. During the walk-through, any schedules that you choose to "work on this later" will be flagged with a check mark in the **Work on Later** column on the **Worksheet Summary** screen.

Report Totals button: Click on this button to go to this report's **Subtotals** and **Totals** pages, where you can view the calculated totals of activity entered in this report and enter lump sum totals for unitemized contributions, pledges, loans, and expenditures.

Upload File button: Click on this button to import your contribution and expenditure data into the filing application.

**Worksheet Summary Grid:** The reporting schedules/categories are organized into three main areas:

- Incoming Funds – any money coming into your committee's political account(s);
- Outgoing Funds – any payments going out of your committee's political account(s); and
- Additional Activity – other types of activity, such as non-monetary (in-kind) contributions, pledged contributions, or unpaid incurred expenditure obligations.

Under each main area, the information is displayed in the following columns:

Category: This column displays the name and letter code of each schedule/category you may possibly need for this report. (For example, the name of the first schedule is Monetary Political Contributions and the letter code for that schedule is A1.) If you indicated on a previous screen that your committee has activity to report, those schedules/categories are highlighted in **green** in the grid.

**Walk-Thru:** Click this link to be guided through a series of questions to help you determine whether or not your committee may have activity to disclose on a particular report schedule. This option allows you to walk-through a single

schedule only. During the walk-through, if you choose to "work on this later" the schedule will be flagged with a check mark in the Work on Later column.

Count: This column keeps a running tally and displays the number of transactions you have entered and saved for a particular schedule/category.

Sub-Total: This column displays the total amount of transactions you have entered and saved plus any lump sum total you entered on the **Schedule Subtotals** page for a particular schedule/category.

Action: To begin entering activity for a particular schedule/category, click on "Start" in this column. After you have saved your first transaction, the link that you click on changes to "Continue" in this column.

Work on Later: If you choose to do a "walk-thru" of all schedules or one particular schedule, any schedules that you choose to "work on this later" will be flagged with a check mark in this column. Once you enter and save data on a checked schedule, the check mark will be removed; but remember, you can always enter information on any category/schedule, as needed, until you file the report.

## **GPAC: Schedule A1**

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **monetary** contributions on Schedule A1. (Non-monetary (in-kind) contributions are now entered on Schedule A2).

**Schedule A1** is used by a general-purpose committee to itemize incoming monetary [political contributions](#) that exceed \$50 (or [\\$100 if committee qualifies](#)) from one person during the reporting period. If your committee accepted other types of incoming funds (such as corporate or labor organization contributions or support, loans, or interest) or non-monetary contributions (such as in-kind contributions or pledges), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice

must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee). NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Contributions or Support:** Do not enter on this schedule contributions or support your committee received from [corporations](#) or labor organizations. A political committee that *supports or opposes measures exclusively* may accept monetary and non-monetary (in-kind) contributions from corporations or labor organizations and must report such contributions on Schedules C1 and C2. A corporation or labor organization may provide monetary or non-monetary support to a general-purpose committee to: 1) finance the establishment or administration of a general-purpose committee, or 2) solicit contributions to a general-purpose committee from the employees, stockholders, or members of the corporation or labor organization and their families. A general-purpose committee must report such support on Schedules C3 and C4.

**Contributions List:** After you enter and save your first contribution, the filing application will begin a list of all contributions entered on Schedule A1 for this report. The list will display columns showing pertinent information for each contribution:

Date	Contributor	Amount	Action
01/01/2015	Contributor, Connie	\$1,000.00	Edit Delete

(1 of 1)

Add Memo Done with Contributions

The contribution list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out of State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out of state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**Contribution Date:** Enter the date your committee accepted the contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution. **Is the Lender an out of state PAC?** Check this box only if the lender is an out-of-state political committee (PAC). Certain restrictions apply to contributions (including loans) from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

**Schedule F1** is used by a general-purpose committee to itemize outgoing political payments made from political contributions that exceed \$100 to one individual or entity during the reporting period. **Expenditure Purpose.** *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.*

### **Examples of Acceptable Ways to Report Expenditure Purpose**

Category: Select a category of goods, services, or other thing of value for which the political payment is made. If none of the listed categories apply, select "Other" and enter your own category.

Description: Enter a brief statement or description of the committee activity that is conducted by making the political payment. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. State whether the expenditure was to support or oppose a candidate, officeholder, political party, or ballot measure, and identify the candidate, officeholder, political party, or ballot measure. If the payment was a contribution to a candidate or officeholder, or to another committee, enter "political contribution" and identify the recipient.

Expenditure For Out-of-State Travel? Check this box if the payment was an expenditure for travel outside of the state of Texas. Example: If your committee made an expenditure to prepare and distribute an endorsement letter in support of a candidate and your committee *did not get the candidate's approval* before you made the expenditure, your committee made a [direct campaign expenditure](#). However, if your committee asked for and received the candidate's approval before making the expenditure, your committee made an [in-kind contribution](#) to the candidate.

## **GPAC: Schedule I**

**Schedule I** is used to itemize outgoing [non-political](#) expenditure payments made from political contributions, regardless of the amount. If your committee had other types of outgoing funds or activity (such as political expenditures, investment purchases, or unpaid incurred expenditure obligations), or expenditures made by credit card, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

A [non-political](#) expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures and should not be disclosed on Schedule I.

**NEW! Expenditures Made By Credit Card:** Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When your committee pays the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule. **Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee. NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Contributions or Support:** Do not enter on this schedule contributions or support your committee received from [corporations](#) or labor organizations. A political committee that *supports or opposes measures exclusively* may accept monetary and non-monetary (in-kind) contributions from corporations or labor organizations and must report such contributions on Schedules C1 and, C2. A corporation or labor organization may provide monetary or non-monetary support to a general-

purpose committee to: 1) finance the establishment or administration of a general-purpose committee, or 2) solicit contributions to a general-purpose committee from the employees, stockholders, or members of the corporation or labor organization and their families. A general-purpose committee must report such support on Schedules C3 and C4.

**Contribution of Personal Services or Travel:** You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Non-Monetary Contributions List:** After you enter and save your first non-monetary (in-kind) contribution, the filing application will begin a list of all contributions entered on Schedule A2 for this report. The list will display pertinent information for each contribution:

Add Memo Done with Contributions

The non-monetary contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out of State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out of state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political

committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information,

you must timely file a paper copy of the required information at the time you file your electronic report.

**Contribution Date:** Enter the date your committee *accepted* the non-monetary (in-kind) contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

**Contribution Amount:** Enter the fair market value of the non-monetary (in-kind) contribution.

**Itemize box:** Checking this box indicates that this in-kind contribution will be itemized on Schedule A2. The automatic default is to itemize. Your committee is required to itemize contributions that exceed \$50 in the aggregate from a single contributor (or [\\$100 if committee qualifies](#)). If your committee accepted two or more non-monetary (in-kind) contributions from the same person, the total of which exceeds \$50 (or [\\$100 if committee qualifies](#)), enter each contribution separately and be sure the box is checked for each entry.

Contributions of \$50 or less (or [\\$100 if committee qualifies](#)). Although you are not required to do so, you may also itemize on Schedule A2 non-monetary (in-kind) contributions that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize non-monetary (in-kind) contributions of \$50 and less on Schedule A2 (or [\\$100 if committee qualifies](#)), you must total all such contributions and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such contributions here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule A2.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter the [full name](#) of the contributor. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the contributor.

**Contributor Principal Occupation and Employer Information** (*These fields will be activated only if "Individual" is selected for the type of contributor.*)

Principal Occupation: You must enter the contributor's principal occupation in this field.

Employer (Optional): You may enter the employer of the contributor in this field.

In-kind Description: Enter a description of the non-monetary (in-kind) contribution. The description should be sufficiently detailed to allow a person reviewing the committee's report to understand what was contributed.

In-kind Contribution For Out-of-State Travel? Check this box if the in-kind contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the "Enter Travel Info" button that activates when you check the box. This information will be included in your report on Schedule T.

## **GPAC: Schedule B**

**NEW!** As always, you must disclose a [pledge](#) on Schedule B in the reporting period in which your committee accepted the pledge. Effective January 1, 2015, you must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which your committee actually receives the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

Example: In June a supporter promises that he will give a committee \$1,000 in the last week before the November election. The committee accepts his promise. The committee must disclose the pledge on its July 15 report covering the period in which it accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which it received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

**Schedule B** is used by a general-purpose committee to itemize [pledges](#) (monetary or in-kind) that exceed \$50 from one person during the reporting period. If your committee accepted other types of incoming funds

or activity (such as monetary contributions, non-monetary (in-kind) contributions, corporate or labor organization contributions or support, loans, or interest) enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee. NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Pledged Contributions:** Do not enter on this schedule pledged contributions your committee accepted from [corporations](#) or labor organizations. A political committee that *supports or opposes measures exclusively* may accept pledged contributions from corporations or labor organizations and must report such pledged contributions on Schedule D.

**Pledge of Personal Services or Travel:** You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Pledged Contributions List:** After you enter your first pledged contribution, the filing application will begin a list of all contributions entered on Schedule B for this report. The list will display pertinent information for each contribution:

The pledged contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered pledge. To enter new pledges, click the Add button located

below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding pledge(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor of the pledge is an individual or an entity.

**Contributions from Out of State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out of state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the

out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Pledge Date:** Enter the date your committee *accepted* the [pledge](#). *Accepting* a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it. Note that your committee must accept a pledge before you are required to report it.

**Pledge accepted and received in different reporting periods:** If your committee accepts a pledge in one reporting period and then *receives* the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans) in the reporting period in which you received the pledge.

**Pledge received in same reporting period as accepted:** If your committee receives a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). The date of the contribution will be the date your committee accepted the pledged contribution, regardless of when the pledged contribution was actually received.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which your committee accepted the pledge. If your committee never actually receives the pledge, it is not necessary to correct your report to delete the pledge.

*Example:* In June a supporter promises that he will give a committee \$1,000 in the last week before the November election. The committee accepts his promise. The committee must disclose the pledge on its July 15 report covering the period in which it accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which the committee received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

Pledge Amount: Enter the amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

**Itemize box:** Checking this box indicates that this pledge will be itemized on Schedule B. The automatic default is to itemize. Your committee is required to itemize pledges that exceed \$50 (in the aggregate) from a single contributor. If your committee accepted two or more pledges from the same person, the total of which exceeds \$50, enter each pledge separately and be sure the box is checked for each entry.

Pledges of \$50 or less: Although you are not required to do so, you may also itemize on Schedule B pledges that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize pledges of \$50 and less on Schedule B, you must total all such pledges and enter the lump sum total on the Schedule Subtotals page of this report. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). Employer (Optional): You may enter the employer of the contributor of the pledge in this field.

Principal Occupation: You must enter the pledge contributor's principal occupation in this field.

In-Kind Description: If the pledge was for goods or services or any other thing of value, enter a description of the in-kind pledge of goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing the committee's report to understand what was pledged.

In-kind Contribution For Out-of-State Travel? Check this box if the in-kind pledged contribution was for travel outside of the state of Texas. **Date:** Enter the date of the monetary payment made by the corporation or labor organization in support of your committee.

**Payments Made By Credit Card:** There is a special reporting rule for payments made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of a payment made by credit card is the date the credit card is used. For other reports, the date of a payment made by credit card is *either* the date of the charge *or* the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the payment as the date of the charge.*

**Amount:** Enter the amount of the payment made by the corporation or labor organization in support of your committee.

**Itemize box:** This box is always checked on this schedule. Your committee is required to itemize all monetary support from corporations and labor

organizations, regardless of the amount. If your committee accepted support in two or more payments from the same corporation or labor organization, enter each payment separately.

Entity Name: Enter the name of the corporation or labor organization that provided the monetary support to your committee.

Entity Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the corporation or labor organization that provided the monetary support to your committee.

## **GPAC: Schedule C4**

**NEW!** Enter only incoming **non-monetary** corporate or labor organization support on Schedule C4. (Monetary corporate or labor organization support is now entered on Schedule C3.)

The non-monetary support list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete previously entered non-monetary support provided by a corporation or labor organization to your committee. To enter a new non-monetary support entry, click the Add button located below the list. You may also use the Memo button to provide additional explanation regarding non-monetary support entered on this schedule.

**Date:** Enter the date the corporation or labor organization provided non-monetary support to your committee. The payment date is the date the corporation or labor organization incurs the obligation to make a payment. The payment date is not necessarily the date goods or services are received. It is the date on which the obligation to make a payment is incurred, as long as the amount of the payment is “readily determinable”. Generally, the amount of a payment is known (and therefore readily determinable) when the obligation is incurred, but in some cases the amount is not known until the receipt of a bill.

**Amount:** Enter the fair-market value of the [non-monetary support](#) provided to your committee by a corporation or labor organization.

**Itemize box:** This box is always checked on this schedule. Your committee is required to itemize all non-monetary support from corporations or labor organizations regardless of the amount. Other general-purpose committees that receive support from [corporations](#) or labor organizations to establish or administer the committee or to solicit contributions to the committee from the employees, stockholders, or members of the corporation or labor organization and their families use Schedules C3 and C4 to disclose such support.

**NEW!** As always, you must disclose a corporate or labor organization [pledge](#) on Schedule D in the reporting period in which your committee accepted the pledge. Effective January 1, 2015, you must also disclose the receipt of the pledged corporate or labor organization contribution on Schedule C1 (used for monetary corporate or labor organization contributions) or C2 (used for non-monetary corporate or labor organization contributions), as applicable, in the reporting period in which your committee actually receives the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

Example: In June a corporate supporter promises to give a committee \$1,000 in the last week before the November election. The committee accepts the corporation's promise. The committee must disclose the pledge on its July 15 report covering the period in which the committee accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary corporate contribution on Schedule C1 of the report covering the period in which the committee received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

**Schedule D** is used to itemize all [pledges](#) (monetary or in-kind) from [corporations](#) or labor organizations accepted by your committee during the reporting period. **Pledge of Personal Services or Travel:** You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the service.

**Pledged Contributions List:** After you enter your first pledged corporate or labor organization contribution, the filing application will begin a list of all contributions entered on Schedule D for this report. The list will display pertinent information for each contribution:

You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). The date of the contribution will be the date your committee accepted the pledged contribution, regardless of when the pledged contribution was actually received.

**Pledge accepted but never received:** You will disclose the pledge on this schedule in the reporting period in which your committee accepted the pledge. If your committee never actually receives the pledge, it is not necessary to correct your report to delete the pledge.

*Example:* In June a corporate supporter promises to give a committee \$1,000 in the last week before the November election. The committee accepts the corporation's promise. The committee must disclose the pledge on its July 15 report covering the period in which the committee accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary corporate contribution on Schedule C1 of the report covering the period in which the committee received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

**Pledge Amount:** Enter the amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

**Itemize box:** This box is always checked on this schedule. Your committee is required to itemize all pledges from corporations and labor organizations, regardless of the amount. If your committee accepted two or more pledges from the same corporate contributor, enter each pledge separately.

**Contributor Name (Entity Name):** Enter the full name of the corporation or labor organization that made the pledge.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the corporation or labor organization that made the pledge.

In-Kind Description: If the pledge was for goods or services or any other thing of value, enter a description of the in-kind pledge of goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing the committee's report to understand what was pledged.

In-kind Contribution For Out-of-State Travel? Check this box if the in-kind pledged contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the "Enter Travel Info" button that activates when you check the box. This information will be included in your report on Schedule T.

## **GPAC: Schedule F2**

**NEW!** Schedule F is now split into two schedules: Schedule F1 and Schedule F2. Enter only expenditure obligations that your committee has **incurred but not yet paid** on Schedule F2. (Political expenditures that were *paid* in this reporting period are disclosed on Schedule F1. Non-political expenditures that were paid in this reporting period are disclosed on Schedule I.) Expenditures made by credit card are disclosed on schedule F4 (used for expenditures made by credit card).

Effective January 1, 2015, you must also disclose when your committee actually pays the incurred expenditure. You must disclose the outgoing payment on Schedule F1 or I as applicable, in the reporting period in which your committee pays the expenditure.

**NEW! Expenditures Made By Credit Card:** Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When your committee pays the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule. See [Expenditures Made by Credit Card](#) for more information.

**Schedule F2** is used by a general-purpose committee to itemize political expenditures the committee has incurred but not yet paid that exceed \$100 to one individual or entity during the reporting period. Also use this schedule to itemize any non-political expenditures your committee has incurred but not yet paid during the reporting period, regardless of the amount. If your committee had other outgoing funds (such as investment purchases or political payments from political funds), or expenditures made by credit card, enter them on the

applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee). NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Unpaid Incurred Obligations List:** After you enter and save your first unpaid incurred obligation, the filing application will begin a list of all unpaid incurred obligations entered on Schedule F2 for this report. The list will display columns showing pertinent information for each payee:

Schedule	Payee	Amount	Date	Travel	Direct Expenditure to benefit C/OH?	Action
F2	Payee, Paul	\$1,000.00	01/01/2015			Edit Delete

The unpaid incurred obligations list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered unpaid incurred obligation. To enter a new unpaid incurred obligation, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. Your committee is required to itemize any non-political expenditure, regardless of the amount. If your committee incurred two or more political expenditures to the same payee, the total of which exceeded \$100, enter each incurred political expenditure obligation separately and be sure the box is checked for each entry.

Incurred Political Expenditure Obligations of \$100 or less. Although you are not required to do so, you may also itemize on Schedule F2 incurred political expenditures to a single payee that do not exceed \$100 for the reporting period. If you do not itemize incurred political expenditures of \$100 and less on Schedule F2, you must total all such incurred political expenditures and enter the lump sum total on the Totals page of this report. If you enter information about such incurred political expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F2.

Type of Expenditure: Select whether the incurred expenditure was political or [non-political](#). **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures.

Check if Austin, TX officeholder living expense: For expenditures made on or after July 1, 2014, check this box only if the incurred expenditure is an [officeholder expense](#) for living in Austin, Texas.

Category: Select a category of goods, services, or other thing of value for which the incurred expenditure is made. If none of the listed categories apply, select "Other" and enter your own category.

State whether the expenditure was to support or oppose a candidate, officeholder, political party, or ballot measure, and identify the candidate, officeholder, political party, or ballot measure. If your incurred expenditure was a contribution to a candidate or officeholder, or to another committee, enter "political contribution" and identify the recipient.

Example: If your committee made an expenditure to prepare and distribute an endorsement letter in support of a candidate and your committee *did not get*

*the candidate's approval* before you made the expenditure, your committee made a [direct campaign expenditure](#). However, if your committee asked for and received the candidate's approval before making the expenditure, your committee made an [in-kind contribution](#) to the candidate.

## **GPAC: Schedule F4**

**NEW!** Schedule F4 is a new schedule used to disclose information about expenditures made by credit card. Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card company. (When your committee pays the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule.)

**Schedule F4** is used to itemize expenditures your committee made by credit card that exceed \$100 to one individual or entity during the reporting period. If your committee had outgoing funds (such as investment purchases or political payments from political funds), or obligations that your committee has incurred but not yet paid, enter them on the applicable schedules associated with the categories shown on the Worksheet Summary page. See [Expenditures Made by Credit Card](#) for more information.

Notice to Candidates and Officeholders: If your committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, your committee must provide written notice to the candidate or officeholder who benefits from your committee's activity. The notice must be given before the end of the reporting period during which your committee made the political expenditures or accepted the political contributions. The notice must inform the person that your committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a specific-purpose committee. NOTE: Such notices are not required if your committee is the principal political committee of a political party.

## **GPAC: Schedule Subtotals**

**Schedule Subtotals** is a new page of the reporting form intended to supplement the report totals (cover sheet, page 2). This page displays the calculated **Subtotal** for each report schedule, based on the amounts you entered on the schedule entry screen (reported itemized and reported unitemized) and any other unitemized total you enter as a lump sum amount here (user entered lump sum unitemized).

You are always required to itemize or report detailed information for contributions, expenditures, and loans over a certain monetary threshold. The thresholds vary depending on the type of activity (see "Itemization Thresholds" below). For smaller contributions, expenditures, and loans that do not exceed the threshold (in the aggregate from a single source), you may report them in one of two ways: 1) add them all together and enter the unitemized total as a lump sum; OR 2) enter the detailed information on the schedule entry screen (and choose to itemize or not).

Note: If your committee qualifies and chooses to use the [\\$100 itemization threshold](#) for contributions disclosed in this report, you must check the Higher Contribution Itemization Threshold box on the **Cover Sheet** page.

**Itemized transactions:** You chose to enter the detailed information on the schedule entry screen AND the "itemize" box is checked. The filing application calculates the sum of the entries for each schedule and the amount is displayed in the **Reported Itemized** column for the applicable schedule.

**Unitemized transactions:** Depending on your choice of entry, your unitemized transactions are shown under one of the following columns:

Reported Unitemized – You chose to enter the detailed information on the schedule entry screen and the "itemize" box is NOT checked. The transaction will remain unitemized, unless you manually check the "itemize" box or you enter additional transactions from/to the same source which cause the aggregate total to exceed the itemization threshold.

User Entered Lump Sum Unitemized – You chose not to enter the detailed information, but rather to enter the total of all your unitemized transactions as a lump sum for the applicable schedule. You must manually enter the lump sum total. DO NOT INCLUDE in a lump sum total any transactions for which you chose to enter detailed information.

***Itemization Thresholds for Each Schedule:*** To return to the instructions for each schedule, click on the applicable link.

**[Monetary Political Contributions \(A1\)](#)** – You are not required to itemize contributions (in the aggregate from a single source) of \$50 or less (or [\\$100 or less if committee qualifies](#)). If not entered on this schedule, you must enter a lump sum.

You are required to include in your committee's campaign finance report the following total amounts of contributions, expenditures, and loans:

1. Total Unitemized Political Contributions (other than pledges, loans or guarantees of loans): *(The total amount is automatically calculated based on your entries.)* This is the sum total of the unitemized contribution amounts shown on the Subtotals page under **Monetary Contributions (A1) and Non-Monetary (In-kind) Contributions (A2)** for:

Reported Unitemized (contributions of \$50 or less (or [\\$100 or less if committee qualifies](#)) in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

User Entered Lump Sum Totals (contributions of \$50 or less (or [\\$100 or less if committee qualifies](#)) in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

Note: If your committee qualifies and chooses to use the [\\$100 itemization threshold](#) for contributions disclosed in this report, you must check the Higher Contribution Itemization Threshold box on the **Cover Sheet** page.

2. Total Political Contributions (other than pledges, loans or guarantees of loans): *(The total amount is automatically calculated based on your entries.)* This is the sum total of all political contributions you accepted in the reporting period. Total Principal Amount of all Outstanding Loans as of the Last Day of the Reporting Period: *(The total amount is a required field that **you must manually enter here.**)* Enter the aggregate outstanding principal amount of all loans accepted for political purposes as of the last day of the reporting period. Enter "0.00" if your committee did not accept any loans during the period covered and has no outstanding loans as of the last day of the reporting period. The "total outstanding loans" must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously. (This is different from the information reported on Loans (Schedule E). Only loans accepted during the period covered by the report are entered on Schedule E.)

7. Total Unitemized Pledges: *(The total amount is automatically calculated based on your entries. Note: A printed copy of your report will display this total on Schedule B and not on Cover Sheet page 2.)* This is the sum total of the unitemized pledge amounts shown on the Subtotals page under **Pledged Contributions (B)** for:

Reported Unitemized (pledges of \$50 or less in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

User Entered Lump Sum Totals (pledges of \$50 or less in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

8. Total Unitemized Loans: *(The total amount is automatically calculated based on your entries. Note: A printed copy of your report will display this total*

on Schedule E and not on Cover Sheet page 2.) This is the sum total of the unitemized loan amounts shown on the Subtotals page under **Loans (E)** for:

Reported Unitemized (loans of \$50 or less in the aggregate from a lender (other than a [financial institution](#)) for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

User Entered Lump Sum Totals (loans of \$50 or less in the aggregate from a lender (other than a [financial institution](#)) which you entered as a lump sum instead of detailing on the schedule entry screen).

## **GPAC: Report Error Check**

**Report Error Check** is a tool to assist you in fulfilling your reporting requirements. The Error Check details errors and omissions in the data entry; it does not verify that the report has satisfied all legal requirements. You should review the applicable COA-EFS Guide and the filing application PAGE HELP to ensure that ALL required information is included before you file your report.

If the Error Check finds errors in your report, the errors will be listed for you in a table on this screen. You can also click the View as PDF button to view the error list as an Adobe Acrobat .PDF file (requires Adobe Acrobat reader or equivalent viewer to view) or click the View as Excel button to view the error list in a Microsoft Excel spreadsheet.

The errors list includes the following information:

Severity: The error records are ranked in terms of severity:

**HIGH:** These are major omissions in information that indicate non-compliance with certain reporting requirements (such as not entering the amount of total political contributions maintained as of the last day of the reporting period under Report Totals). This information is considered very important and you **MUST CORRECT** these errors in order to file the report.

**LOW or MEDIUM:** These are omissions or errors in other information that indicate non-compliance with certain reporting requirements (such as not entering address information for a contributor or payee). You should correct these errors to be in legal compliance with your reporting requirements. You may, however, choose to accept these errors and file the report as is. **NOTE:**

If you file the report with errors, you could be subject to a sworn complaint for reporting violations.

**Tracking Information:** This column shows the transaction (contribution, loan, etc.) containing the error and other information to help you identify the transaction.

**Error Record:** This column shows the name of the data field containing the error and provides a link directly to the entry screen where the error is located. After correcting the error and saving the transaction, you may run the Error Check again by clicking the **Check For Errors** link in the Report Menu navigation sidebar always displayed down the left side of your screen.

**Message:** This column provides a brief explanation of the required information that is missing or in error.

## **GPAC: Correction Affidavit**

A filer who files a corrected report must submit a **Correction Affidavit**. The affidavit must identify the information that has changed. The affidavit also provides check boxes for your use in swearing to certain statutory provisions regarding the corrected report, if applicable.

**Explanation of Correction:** Use this box to explain why there were error(s) on the original report, what information is being corrected, and how the new information is different from the information on the original report. You may also use this area to request a waiver or reduction of a late-filing penalty for this correction, if any, and state the basis of your request.

**Sworn Statement Check Boxes:** Check the box next to any and all applicable statements.

**For Any Corrected Report:** Check this box if you are filing this corrected report not later than the 14th business day after the date you learned that the report as originally filed is inaccurate or incomplete and any error or omission in the report as originally filed was made in good faith.

A correction to an 8th Day Before Election Report must also meet the "14th business day in good faith" statutory provision, however, the corrected report could be subject to a late-filing penalty unless the report as originally filed substantially complies with the applicable law as determined by the City of

Austin. The person responsible for filing the report may request a waiver or reduction of any late-filing penalty assessed.

For Corrections to Semiannual Reports: Effective September 1, 2011, a Semiannual Report (due January 15 or July 15) that is amended/corrected before the eighth day after the original report was filed is considered to have been filed on the date the original report was filed. A Semiannual Report that is amended/corrected on or after the eighth day after the original report was filed is considered to have been filed on the date the original report was filed if: (1) the amendment/correction is made before any complaint is filed with regard to the subject of the amendment/correction; and (2) the original report was made in good faith and without intent to mislead or misrepresent the information contained in the report.

Correction Tables: Any corrections made to this report are listed in a table below according to the type of correction (added, updated, or deleted). Only the applicable table(s) will display. If you make additional changes before you file the report, those changes will be reflected here.

Added Record Table: This table contains any new records you entered in this corrected report that were not previously disclosed in the original report.

Updated Record Table: This table contains any records you changed in this corrected report that were previously disclosed incorrectly in the original report.

Deleted Record Table: This table contains any records you deleted in this corrected report that were previously disclosed in error in the original report.

Each table includes columns with the following information:

Record Type and Tracking Information: Shows the type of transaction (contribution, loan, expenditure, etc.) that you added, updated, or deleted, and other information to help you identify the transaction.

Record Detail: Shows the specific data you added, updated, or deleted to help you identify the transaction.

## **GPAC: Dissolution Report Affidavit**

You must file a Dissolution report in order to dissolve the committee. Your committee may file a Dissolution report if your committee expects to have no

further reportable activity. There is not a fixed deadline for this report. A Dissolution report terminates the appointment of campaign treasurer (Form GTA) and relieves the campaign treasurer of the duty to file additional reports. (In this case, the Dissolution report serves as the treasurer's termination report.) A Dissolution report does not relieve the campaign treasurer of his or her responsibility for any delinquent reports or outstanding civil penalties. **Remember:** A political committee may not make or authorize political expenditures or accept political contributions without having a campaign treasurer appointment (GTA) on file.

**Dissolution Report Affidavit:** This page includes the Dissolution report affidavit language. You must agree to and acknowledge the affidavit to indicate that you understand the consequences of filing a Dissolution report. To do so, select the radio button next to the statement, "I agree to and acknowledge the above affidavit."

If your committee intends to have additional campaign activity and is not ready to file a Dissolution report, select the radio button next to the statement, "I do not agree to the above affidavit." You will have some options as to how you wish to continue:

*Continue Working on a Different Report Type:* (This option is only available if you started the Dissolution report in combination with another report type.) Selecting this option will return you to the "Cover Sheet" screen. From here, you can select "Clear This Report?" if you do not wish to file a Dissolution report at this time.

**Go Back to My Reports Page:** Selecting this option will return you to the "Manage My Reports" screen without creating the Dissolution report. From here, you can continue working on an in-progress report or start a new report.

**Return to Dissolution Report Affidavit:** Selecting this option will return you to the Dissolution Report Affidavit screen. From here, you can choose to agree to the Dissolution report affidavit in order to continue with the Dissolution report.

## **GPAC: Appendix**

### **Change Of Status**

A change in political activity may mean that a political committee has changed from a specific-purpose political committee (SPAC) to a general-purpose

political committee (GPAC/MPAC) or vice versa. If this happens, the committee is subject to new filing requirements.

**SPAC becoming a GPAC/MPAC.** If an SPAC engages in activities that make the committee a GPAC/MPAC, the committee must file a new campaign treasurer appointment (on Form GTA) with the City of Austin before it may accept more than \$500 in total political contributions or make more than \$500 in total political expenditures as a GPAC/MPAC. On Form GTA, the committee may choose whether to file according to the regular filing schedule (filer type GPAC) or monthly filing schedule (filer type MPAC).

In addition to filing Form GTA with the City of Austin, the campaign treasurer of the new GPAC/MPAC must give notice of the change in status to the filing authority with whom the committee filed reports as an SPAC. This notice is due no later than the due date for the next report the committee would have had to file as an SPAC. The notice must state that the committee will file future reports as a GPAC/MPAC and that those reports will be filed with the City of Austin.

**GPAC/MPAC becoming an SPAC.** A GPAC or MPAC that chooses to limit its activities to the activities of an SPAC must file a new campaign treasurer appointment (on Form STA) with the appropriate filing authority. See "[Where to File an Appointment of Campaign Treasurer](#)" in the PAC guide. Further, the new SPAC may not make expenditures in an election supporting or opposing a candidate for a statewide office, the State Legislature, the State Board of Education, a multi-county district office, or a judicial district office unless it has had its appointment of campaign treasurer as an SPAC on file for at least 30 days before the election.

In addition to filing a new Form STA with the appropriate filing authority, the campaign treasurer of the new SPAC must give notice to the City of Austin of the change in status. This notice must be given to the City of Austin no later than the due date for the next report the committee would have had to file with the City of Austin if the committee had not become an SPAC. The notice must state that the committee will file future reports as an SPAC and must identify the filing authority with which those reports will be filed.

## **Alternative Reporting Requirement for Some Committees**

For a report due on or after September 1, 2005, a general-purpose committee with less than \$20,000 in total political contributions maintained as of the last day of the preceding reporting period may choose to itemize incoming monetary political contributions that exceed \$100 (instead of \$50) from one person during the reporting period. If your committee qualifies for the higher itemization threshold, you may select it by checking the box on the **Cover Sheet** page of the report.

## Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures

***You can never go wrong by disclosing the date the credit card was charged as the expenditure date.*** For 30-day and 8-day pre-election reports, the expenditure date is the date of the credit card charge, not the date of the credit card bill. For all other reports, the expenditure date may be either the date of the charge or the date of receipt of the credit card bill that includes the expenditure.

***If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, disclose the vendor who sold you the goods or services as the payee.*** DO NOT disclose as the payee the name of the candidate, officeholder, or committee that benefitted from the expenditure. Include that person's name under the purpose description.

***Did a staff worker make political payment(s) out of his or her personal funds?*** How you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

### *Staff Reimbursement Examples:*

**Case #1:** The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the \$100 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. DO NOT disclose as the payee the name of your staff worker.

**Case #2:** The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period AND you reimburse the staff

worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

**Case #3:** The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period BUT you reimburse the staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

## **Incurred Expenditure Obligations**

The date of an expenditure is not necessarily the date that goods or services are received. It is the date on which you incur the obligation to make a payment, as long as the amount of the payment is "readily determinable." Generally, you know the amount of an expenditure (and therefore it is readily determinable) when the obligation is incurred, but in some cases you may not know the amount until the receipt of a periodic bill. An amount is readily determinable if the vendor can provide the amount at your request.

**Example 1:** On June 29th, a filer orders political signs. On July 16th, the filer receives the invoice for the signs. The date of the expenditure is June 29th, if on that date the vendor can provide the amount the filer will owe the vendor for the signs. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred and disclose that unpaid incurred obligation on Schedule F2 in the July 15 semiannual report covering the period in which the unpaid obligation is incurred. (Note: When the filer makes the payment, he will disclose it as an outgoing payment on Schedule F1 in the report covering the period in which he pays the expenditure.)

**Example 2:** A filer maintains a campaign office. The filer does not know the cost of the office's June utilities until she receives the periodic monthly bill on July 16th. The filer will not disclose the expense as an unpaid incurred obligation on Schedule F2 in the July 15 semiannual report, since the amount

was not readily determinable until after the end of the semiannual reporting period.

## **Expenditures Made by Credit Card**

Beginning on September 1, 2015, all expenditures made by credit card must be reported on a new schedule: "Expenditures Made by Credit Card" Schedule (F4). This requirement applies to filers of electronic and paper campaign finance reports, including candidates, officeholders, political committees, political parties, and direct campaign expenditure filers.

When a credit card is used to make a reportable expenditure, the expenditure must be reported on the new schedule by identifying the name and address of the vendor who sold the goods or services, **NOT** the credit card company that issued the credit card. The date, amount, and purpose of the expenditure must also be disclosed, in addition to other information.

Once the credit card bill is paid, the payment must also be reported using the appropriate existing disbursement schedule (e.g., Schedule F1, Schedule G, Schedule H, or Schedule I) by identifying the credit card company that receives the payment. The date, amount, and purpose of the payment must also be disclosed, in addition to other information.

Please see the following examples of reporting expenditures made by credit card:

### **Example 1: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate makes a payment from her political contributions account to pay the \$1,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked.
- For the payment to the credit card company: a \$1,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for campaign office supplies.”
- Both \$1,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes a payment from his personal funds account to pay the \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.

- For the payment to the credit card company: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
- Both \$3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A general-purpose committee uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee’s campaign treasurer would also report all of the following on a campaign finance report

(Form GPAC) covering the period in which it made the payment to the credit card company:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
- The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH)

covering the period in which the payment to the credit card company was made:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

## **GPAC: Glossary**

### **A**

**Accepting a Contribution:** A committee must report contributions that the committee has accepted. Receipt is different from acceptance. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

**Failure to make a determination about acceptance or refusal:** If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

**Returning refused contributions:** If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

### **B**

### **C**

**Corporation:** Includes any of the following business associations:

(1) corporations that are organized under the Texas Business Corporation Act, the Texas For-Profit Corporation Law, the Texas Non-Profit Corporation Act, the Texas Nonprofit Corporation Law, federal law, or law of another state or nation; or

(2) the following associations, whether incorporated or not: banks, trust companies, savings and loan associations or companies, insurance companies, reciprocal or interinsurance exchanges, railroad companies, cemetery companies, government-regulated cooperatives, stock companies, and abstract and title insurance companies.

## D

**Direct Campaign Expenditure:** A "direct campaign expenditure" to benefit a candidate or officeholder is not a "political contribution" to that candidate or officeholder. A direct campaign expenditure is a campaign expenditure made on someone else's behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of a candidate and you did not get the candidate's approval before you made the expenditure, you made a **direct campaign expenditure**. However, if you asked for and received the candidate's approval before making the expenditure, you made an in-kind contribution to the candidate.

## E

## F

**Financial Institution:** A corporation that has been legally engaged in the business of making loans for more than one year.

**Full Name of the Contributor:** Texas law does not allow anonymous contributions. Even if you do not itemize a contribution, you must maintain a record of all the information related to a contribution for two years after the deadline for filing the report. You must also identify the actual source of a contribution, not an intermediary.

## G

## H

## J

## K

## L

## M

## N

**Non-Monetary Support:** Support provided by a corporation or labor organization through the use of goods or services to either establish or administer your committee, or solicit contributions to your committee from the employees, stockholders, or members of the corporation or labor organization and their families. Examples of non-monetary support include:

- The use of corporate or labor organization office space
- The use of a corporate or labor organization mailing list
- The use of any other corporate or labor organization asset

**Non-Political Expenditure:** An expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, **very few** expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Examples of non-political expenditure:

- Charitable donation, if you receive no benefit in return
- A political committee uses political contributions to pay a lobbyist to work on legislative matters

## O

**Officeholder Expenditure:** A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities, if the expenses are not reimbursable with public money.

**Austin Texas Officeholder Living Expense:** refers to payments made to defray ordinary and necessary expenses incurred in connection with the performance of duties or activities as a public officeholder, including payment of rent, utility, and other reasonable housing or household expenses incurred in maintaining a residence in Travis County by members of the legislature who do not ordinarily reside in Travis County. Examples include:

- Rent for Austin apartment
- Phone line and internet access for Austin apartment
- Installation expense of security system at officeholder apartment

## **P**

**Pledge:** a promise to transfer money, goods, services, or other things of value. A pledge is not a reportable contribution, unless it is accepted.

**Political Contribution:** Any transfer of or promise to transfer money, goods, services, or other thing of value, including a loan, that is given to a committee with the intent that it be used either:

(1) in connection with a campaign for elective office or a measure to be submitted to the voters; or

(2) to defray expenses in connection with an officeholder's duties or activities, provided that the expenditures are not reimbursable from public money

A donation of money to a political committee at a fundraiser is a monetary contribution.

A contribution of goods or services is a non-monetary (in-kind) contribution. Examples of non-monetary (in-kind) contributions are:

- Donation of office space
- Donation of an item to be auctioned at a fundraiser
- Donation of a mailing list
- Donation of material and labor for printing campaign signs

A political contribution in the form of a pledge must be reported on the appropriate schedule. For example, a promise to give you money after the election to pay debts incurred in connection with the election is a pledge.

A loan from an incorporated financial institution that has been in business for more than a year is not considered to be a contribution, but you must report any such loans taken out for campaign or officeholder purposes on the appropriate schedule.

## **MPAC: Cover Sheet – Report Type & Period Covered**

**What kind of report do you want to file? (Report Type):** You can only select one monthly report type. If you need to file more than one monthly report, you must file each as a separate report. You can select one of the monthly reports as a stand-alone report or in combination with the "Dissolution" or "10th Day After Campaign Treasurer Termination" reports below, if applicable. Read the information concerning each of the report types.

**Monthly Report:** All general-purpose committees filing under the monthly filing schedule must file a report with COA-EFS by midnight Central Time on the 5th of each month to cover the previous month's activities. Select the month from the drop-down menu that corresponds to the applicable filing deadline. For example, if you are filing the monthly report due on July 5th, choose the July report, even though the report covers activity that occurred

during May and June. (See “Period Covered” section below for more information.)

**Less Commonly Filed Reports:** These reports are only required if you meet certain criteria. You can select one of the following report types as a stand-alone report or in combination with one of the reports listed above, if applicable. Select the radio button for one of these less commonly filed reports only if the report type applies to the event for which you are filing.

**Dissolution Report:** You must file a Dissolution report in order to dissolve the committee. Your committee may file a Dissolution report if your committee expects to have no further reportable activity. There is not a fixed deadline for this report. A Dissolution report terminates the appointment of campaign treasurer and relieves the campaign treasurer of the duty to file additional reports. (In this case, the Dissolution report serves as the treasurer's termination report.)

**10th Day After Campaign Treasurer Termination Report:** A general-purpose committee's campaign treasurer must file this report if his or her campaign treasurer appointment is terminated. This report is due no later than the 10th day after the termination is filed. If the termination takes place on the last day of a reporting period and the proper report for that period is filed, no separate termination report is required.

**Other Reports:** These other reports are only required in certain circumstances and cannot be combined with other report types. Read the information concerning each of the report types. Select the radio button for one of these other reports only if the report type applies to the event for which you are filing.

For the City of Austin reporting requirements go to <http://austintexas.gov/page/campaign-finance-forms>

**Period Covered:** The filing application will calculate the period covered for your report based on the report type you select. You can modify the start and end dates as long as your modified start date does not precede the filing application calculated start date and your modified end date does not extend past the filing application calculated end date. If you need to report activity outside of the filing application calculated date range for this report, you will need to file multiple reports.

A reporting period includes the Start date and the End date. The report due date will be after the end of the period. Generally, a report picks up where the last report left off and there should be no gaps or overlapping periods. **First Reports.** If this is the first campaign finance report that your committee has filed, the start date depends on the date the committee filed its initial campaign treasurer appointment (Form GTA) and when it chose to file under the monthly filing schedule.

**Before 25th of the Month:** If your committee filed its initial campaign treasurer appointment (Form GTA) before the 25th of the month and chose to file monthly at that time, the beginning date is the date the initial campaign treasurer appointment was filed. The ending date is the 25th day of the same month.

Example: A general-purpose committee files its initial campaign treasurer appointment and chooses monthly filing on May 15. Its first monthly report is due June 5, covering the period beginning May 15 and ending May 25.

**On or After 25th of the Month:** If your committee filed its initial campaign treasurer appointment (Form GTA) on or after the 25th of the month, and chose to file monthly at that time, the beginning date is the date the initial campaign treasurer appointment was filed. The ending date is the 25th day of the next month.

Example: A general-purpose committee files its initial campaign treasurer appointment and chooses monthly filing on May 27. Its first monthly report is due July 5, covering the period beginning May 27 and ending June 25.

**Committee Changes to Monthly Filing:** If your committee has been filing under the regular filing schedule, and chooses monthly filing between January 1 and January 15 of a particular year, the beginning date for the first monthly report (due February 5) is January 1. The ending date is January 25. Note: To change to monthly filing a general-purpose committee must deliver written notice to the City of Austin between January 1 and January 15.

**Monthly Reports:** The start date is the 26th of one month or the day after the last day covered by the last required report, whichever is later. If this is the first report your committee has filed, please see the "First Reports" section above. The ending date is the 25th of the next month.

**Dissolution Report Period:** The start date is the day after the last day covered by your committee's last required report. If this is the first report your

committee has filed, please see the "First Reports" section above. The end date is the day you file the dissolution report.

**10th Day After Campaign Treasurer Termination Report Period:** The start date is either the day after the last day covered by your committee's last required report or the day your committee appointed a campaign treasurer, whichever is later. The end date is the day the campaign treasurer's appointment was terminated. This report is due no later than 10 days after the campaign treasurer appointment was terminated.

### **Alternative Reporting Requirement for Some Committees:**

**Higher Contribution Itemization Threshold box:** If your committee qualifies for the [higher itemization threshold](#) you may choose to itemize incoming political contributions that exceed \$20 (instead of \$10) from one person for this reporting period by checking this box.

## **MPAC: Cover Sheet – Committee Activity**

**Committee Activity:** Your committee is required to identify each candidate or ballot measure supported or opposed and each officeholder assisted by the committee in this reporting period.

**Changing Status?** Sometimes a general-purpose political committee (MPAC or GPAC) may choose to limit its activities to supporting or opposing a particular candidate or measure. In that case, the committee may have become a specific-purpose political committee (SPAC). [Tell Me More About Committees Changing Status](#)

**Subject:** Select whether your committee's activity relates to a candidate, officeholder, or measure. If the committee's activity relates to all candidates or officeholders of a certain political party, select either "Candidates of Political Party" or "Officeholders of Political Party."

**Purpose:** Indicate whether your committee supported or opposed the candidate, or measure. Note: If Officeholder is selected, the purpose of "assist" will always be selected. You may add more than one purpose entry for your committee.

**Candidate or Officeholder Information:** *(These fields will be activated only if "Candidate" or "Officeholder" is selected for the Subject of your committee's activity.)*

**Candidate or Officeholder Name (First, Last, Title, Suffix, or Nickname):** Enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (Title and Nickname are optional).

## **MPAC: Worksheet Summary**

**Worksheet Summary** is a new page in the filing application designed to help you keep track of the schedules required for this report and the activity you enter. If you indicated by answering "Yes" on the previous **Reporting Period Activities** screen that your committee has activity to report, those schedules/categories are highlighted in **green** in the grid.

**Return to Cover Sheet button:** Click on this button to go to the beginning of this report's Cover Sheet (report type and period covered). You may also go to the cover sheet by clicking on the link in the Report Menu navigation sidebar always displayed down the left side of your screen.

**Walk me through all schedules button:** Click on this button to be guided through a series of questions to determine whether or not your committee may have activity to disclose on a report schedule. This option takes you through ALL the schedules in the report from beginning to end. During the walk-

through, any schedules that you choose to "work on this later" will be flagged with a check mark in the **Work on Later** column on the **Worksheet Summary** screen.

**Report Totals** button: Click on this button to go to this report's **Subtotals** and **Totals** pages, where you can view the calculated totals of activity entered in this report and enter lump sum totals for unitemized contributions, pledges, loans, and expenditures.

**Upload File** button: Click on this button to import your contribution and expenditure data into the filing application.

**Worksheet Summary Grid:** The reporting schedules/categories are organized into three main areas:

- **Incoming Funds** – any money coming into your committee's political account(s);
- **Outgoing Funds** – any payments going out of your committee's political account(s); and
- **Additional Activity** – other types of activity, such as non-monetary (in-kind) contributions, pledged contributions, or unpaid incurred expenditure obligations.

Under each main area, the information is displayed in the following columns:

**Category:** This column displays the name and letter code of each schedule/category you may possibly need for this report. (For example, the name of the first schedule is Monetary Political Contributions and the letter code for that schedule is A1.) If you indicated on a previous screen that your committee has activity to report, those schedules/categories are highlighted in **green** in the grid.

**Walk-Thru:** Click this link to be guided through a series of questions to help you determine whether or not your committee may have activity to disclose on a particular report schedule. This option allows you to walk-through a single schedule only. During the walk-through, if you choose to "work on this later" the schedule will be flagged with a check mark in the Work on Later column.

**Count:** This column keeps a running tally and displays the number of transactions you have entered and saved for a particular schedule/category.

Sub-Total: This column displays the total amount of transactions you have entered and saved plus any lump sum total you entered on the **Schedule Subtotals** page for a particular schedule/category.

Action: To begin entering activity for a particular schedule/category, click on "Start" in this column. After you have saved your first transaction, the link that you click on changes to "Continue" in this column.

Work on Later: If you choose to do a "walk-thru" of all schedules or one particular schedule, any schedules that you choose to "work on this later" will be flagged with a check mark in this column. Once you enter and save data on a checked schedule, the check mark will be removed; but remember, you can always enter information on any category/schedule, as needed, until you file the report.

## **MPAC: Schedule A1**

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **monetary** contributions on Schedule A1. (Non-monetary (in-kind) contributions are now entered on Schedule A2).

**Schedule A1** is used by a general-purpose committee filing monthly to itemize incoming monetary [political contributions](#) that exceed \$10 (or [\\$20 if committee qualifies](#)) from one person during the reporting period. If your committee accepted other types of incoming funds (such as corporate or labor organization contributions or support, loans, or interest) or non-monetary contributions (such as in-kind contributions or pledges), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee. NOTE: Such

notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Contributions or Support:** Do not enter on this schedule contributions or support your committee received from [corporations](#) or labor organizations. A political committee that *supports or opposes measures exclusively* may accept monetary and non-monetary (in-kind) contributions from corporations or labor organizations and must report such contributions on Schedules C1 and C2. A corporation or labor organization may provide monetary or non-monetary support to a general-purpose committee to: 1) finance the establishment or administration of a general-purpose committee, or 2) solicit contributions to a general-purpose committee from the employees, stockholders, or members of the corporation or labor organization and their families. A general-purpose committee must report such support on Schedules C3 and C4.

**Contributions List:** After you enter and save your first contribution, the filing application will begin a list of all contributions entered on Schedule A1 for this report. The list will display columns showing pertinent information for each contribution:

Date	Contributor	Amount	Action
01/01/2015	Contributor, Connie	\$1,000.00	Edit Delete

(1 of 1) 5

Add Memo Done with Contributions

The contribution list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out of State Political Committees** *These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out of state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or

- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Contribution Date:** Enter the date your committee accepted the contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

**Contribution Amount:** Enter the amount of the contribution.

**Itemize box:** Checking this box indicates that this contribution will be itemized on Schedule A1. The automatic default is to itemize. As a general-purpose committee filing monthly, your committee is required to itemize contributions that exceed \$10 in the aggregate from a single contributor (or [\\$20 if committee qualifies](#)). If your committee accepted two or more monetary contributions from the same person, the total of which exceeds \$10 (or [\\$20 if committee qualifies](#)), enter each contribution separately and be sure the box is checked for each entry.

Contributions of \$10 or less (or [\\$20 if committee qualifies](#)). Although you are not required to do so, you may also itemize on Schedule A1 monetary contributions that do not exceed \$10 (in the aggregate) for the reporting period. If you do not itemize monetary contributions of \$10 and less on Schedule A1 (or [\\$20 if committee qualifies](#)), you must total all such contributions and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such contributions here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page, but the entry will not appear on Schedule A1.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter the [full name](#) of the contributor. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

Contributor Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the contributor.

**Contributor Principal Occupation and Employer Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

Principal Occupation: You must enter the contributor's principal occupation in this field.

Employer (Optional): You may enter the employer of the contributor in this field.

## **MPAC: Schedule C1**

**NEW!** Enter only incoming monetary corporate or labor organization contributions on Schedule C1. (Non-monetary (in-kind) corporate or labor organization contributions are now entered on Schedule C2.)

**Schedule C1 and C2 are only for general-purpose committees that support or oppose measures *exclusively*.** Other general-purpose committees that receive support from [corporations](#) or labor organizations to establish or administer the committee or to solicit contributions to the committee from the employees, stockholders, or members of the corporation or labor organization and their families use Schedules C3 and C4 to disclose such support.

**Schedule C1** is used by political committees that support or oppose measures exclusively to itemize all monetary [political contributions](#) accepted from [corporations](#) or labor organizations during this reporting period. You must itemize all such corporate or labor organization monetary contributions, regardless of the amount, on this schedule. If your committee accepted other types of incoming funds (such as loans or interest) or non-monetary contributions (such as in-kind contributions or pledges), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contributions List:** After you enter and save your first corporate or labor organization contribution, the filing application will begin a list of all contributions entered on Schedule C1 for this report. The list will display columns showing pertinent information for each contribution:

Date	Contributor	Amount	Action
01/01/2015	Corporate Contributor	\$1,000.00	Edit Delete

Add Memo Done with Contributions

The contribution list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

**Contribution Date:** Enter the date your committee accepted the contribution. [Accepting a contribution](#) is different from receiving a contribution. The committee accepts a contribution when the determination is made to accept it rather than reject it. This may or may not be the same day that the committee receives the contribution.

**Contribution Amount:** Enter the amount of the contribution.

**Itemize box:** This box is always checked on this schedule. Your committee is required to itemize all monetary contributions from corporations or labor organizations, regardless of the amount. If your committee accepted two or more contributions from the same corporation or labor organization, enter each contribution separately.

**Contributor Name (Entity Name):** Enter the full name of the corporation or labor organization that made the contribution.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the corporation or labor organization that made the contribution.

## **MPAC: Schedule E**

**Schedule E** is used by a general-purpose committee filing monthly to itemize loans exceeding \$10 from one person that your committee accepted during the reporting period for political purposes. If your committee accepted two or

more loans from the same person, the total of which exceeds \$10, enter each loan separately. You must also itemize all loans from [financial institutions](#), regardless of the amount.

**NOTE:** Only a general-purpose committee for *supporting or opposing measures exclusively* may accept a loan from a [corporation](#) other than a financial institution that has been legally engaged in the business of making loans for more than one year.

**Loans List:** After you enter and save your first loan, the filing application will begin a list of all loans entered on Schedule E for this report. The list will display columns showing pertinent information for each loan:

Lender	Amount	Loan Date	Maturity Date	Interest Rate	Collateral	Guarantor	Action
Lender, Larry	\$1,000.00	01/01/2015	12/31/2015	5	N	N	Edit Delete

The loans list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered loan. To enter a new loan, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding loan(s) entered on this schedule.

**Loan Date:** Enter the date your committee accepted the loan.

**Maturity Date:** Enter the maturity date of the loan.

**Loan Amount:** Enter the principal amount of the loan.

Your committee is required to itemize all loans from financial institutions, regardless of the amount. Additionally, as a general-purpose committee filing monthly, your committee must itemize loans exceeding \$10 from one person that your committee accepted during the reporting period. If your committee accepted two or more loans from the same person, the total of which exceeds \$10, enter each loan separately.

Loans of \$10 or less from persons other than financial institutions: Although you are not required to do so, you may itemize on this schedule loans from persons other than financial institutions that do not exceed \$10 for the reporting period. If you do not itemize loans of \$10 and less from persons other than financial institutions on Schedule E, you must total all such loans and enter the lump sum total on the Schedule Subtotals page of this report.

From Individual or Entity? Indicate whether the lender is an individual or an entity.

**Loans from Out of State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of lender.)*

**Is the Lender an out of state PAC?** Check this box only if the lender is an out-of-state political committee (PAC). Certain restrictions apply to contributions (including loans) from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or

- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted loans from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Lender Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the person or financial institution that made the loan. If the lender is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the lender is an entity, enter the full name of the entity.

**NOTE:** A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution under "**Enter Guarantor(s)**" on Schedule E, and not on the contributions schedule.

If the loan was from any other source, click on NO.

**NOTE:** A loan from a corporation that has not been legally engaged in the business of making loans for more than one year is a corporate contribution. Only a general-purpose committee for *supporting or opposing measures exclusively* may accept a loan from a corporation other than a financial institution that has been legally engaged in the business of making loans for more than one year.

Although you are not required to do so, you may also itemize on Schedule K any credit, gain, refund, or interest that does not exceed \$100. Contributions

returned to your committee must be itemized regardless of the amount of the contribution. Unlike other schedules, you are NOT required to enter a lump sum total of unitemized Schedule K activity on the Schedule Subtotals page of this report.

**Credits List:** After you enter and save your first credit/gain/refund/returned contribution or interest, the filing application will begin a list of all credits/gains/refunds/returned contributions or interest entered on Schedule K for this report. **NEW!** Expenditures Made By Credit Card: Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on Schedule

F4 and *not* on this schedule. When your committee uses political contributions to pay the credit card bill, you will disclose the payment on the appropriate disbursements schedule. See [Expenditures Made by Credit Card](#) for more information.

**Schedule F1** is used by a general-purpose committee filing monthly to itemize outgoing political payments made from political contributions that exceed \$10 to one individual or entity during the reporting period. If your committee had other types of outgoing funds or activity (such as investment purchases or unpaid incurred expenditure obligations), or expenditures made by credit card, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee. NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Political Expenditures List:** After you enter and save your first political expenditure, the filing application will begin a list of all political expenditures entered on Schedule F1 for this report. The list will display columns showing pertinent information for each payee:

Expense Amount: Enter the amount of the expenditure payment.

If the payment was a contribution to a candidate or officeholder, or to another committee, enter "political contribution" and identify the recipient.

Expenditure For Out-of-State Travel? Check this box if the payment was an expenditure for travel outside of the state of Texas. Prior to January 1, 2015, this activity was disclosed on Schedule K (used for other incoming funds earned or returned to your committee's political account).

If your committee had other types of outgoing funds or activity (such as political expenditures, investment purchases, or unpaid incurred expenditure obligations), or expenditures made by credit card, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

A [non-political](#) expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. ***As a practical matter, very few expenditures made from political contributions are non-political expenditures.*** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures and should not be disclosed on Schedule I.

***NEW!*** Expenditures Made By Credit Card: Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on Schedule F4 and *not* on this schedule. ## MPAC: Schedule A2

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **non-monetary** (in-kind) contributions on Schedule A2. (Monetary contributions are now entered on Schedule A1).

**Schedule A2** is used by a general-purpose committee filing monthly to itemize incoming non-monetary (in-kind) [political contributions](#) that exceed \$10 (or [\\$20 if committee qualifies](#)) from one person during the reporting period. If your committee accepted other types of incoming funds or activity (such as pledges, monetary contributions, corporate or labor organization contributions or support, loans, or interest) enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or

officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and it must include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee). NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Contributions or Support:** Do not enter on this schedule contributions or support your committee received from [corporations](#) or labor organizations. A political committee that *supports or opposes measures exclusively* may accept monetary and non-monetary (in-kind) contributions from corporations or labor organizations and must report such contributions on Schedules C1 and C2. A corporation or labor organization may provide monetary or non-monetary support to a general-purpose committee to: 1) finance the establishment or administration of a general-purpose committee, or 2) solicit contributions to a general-purpose committee from the employees, stockholders, or members of the corporation or labor organization and their families. A general-purpose committee must report such support on Schedules C3 and C4.

**Contribution of Personal Services or Travel:** You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Non-Monetary Contributions List:** After you enter and save your first non-monetary (in-kind) contribution, the filing application will begin a list of all contributions entered on Schedule A2 for this report. The list will display pertinent information for each contribution:

Add Memo Done with Contributions

The non-monetary contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a

previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out of State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out of state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or

- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Contribution Date:** Enter the date your committee *accepted* the non-monetary (in-kind) contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

**Contribution Amount:** Enter the fair market value of the non-monetary (in-kind) contribution.

**Itemize box:** Checking this box indicates that this in-kind contribution will be itemized on Schedule A2. The automatic default is to itemize. As a general-purpose committee filing monthly, your committee is required to itemize contributions that exceed \$10 in the aggregate from a single contributor (or [\\$20 if committee qualifies](#)). If your committee accepted two or more non-monetary (in-kind) contributions from the same person, the total of which exceeds \$10 (or [\\$20 if committee qualifies](#)), enter each contribution separately and be sure the box is checked for each entry.

Contributions of \$10 or less (or [\\$20 if committee qualifies](#)). Although you are not required to do so, you may also itemize on Schedule A2 non-monetary (in-

kind) contributions that do not exceed \$10 (in the aggregate) for the reporting period. If you do not itemize non-monetary (in-kind) contributions of \$10 and less on Schedule A2 (or [\\$20 if committee qualifies](#)), you must total all such contributions and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such contributions here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule A2.

Contributor Name (First, Last, Title, Suffix; or Entity Name): Enter the [full name](#) of the contributor. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

Contributor Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the contributor.

**Contributor Principal Occupation and Employer Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

Principal Occupation: You must enter the contributor's principal occupation in this field.

Employer (Optional): You may enter the employer of the contributor in this field.

In-kind Description: Enter a description of the non-monetary (in-kind) contribution. The description should be sufficiently detailed to allow a person reviewing the committee's report to understand what was contributed.

In-kind Contribution For Out-of-State Travel? Check this box if the in-kind contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the "Enter Travel Info" button that activates when you check the box. This information will be included in your report on Schedule T.

## **MPAC: Schedule B**

**NEW!** As always, you must disclose a [pledge](#) on Schedule B in the reporting period in which your committee accepted the pledge. Effective January 1, 2015, you must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary

contributions), as applicable, in the reporting period in which your committee actually receives the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

Example: On June 20 a supporter promises that he will give a monthly committee \$1,000 on October 20. The committee accepts his promise. The committee must disclose the pledge on its July 5 monthly report covering the period in which it accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which the committee received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

**Schedule B** is used by a general-purpose committee filing monthly to itemize [pledges](#) (monetary or in-kind) that exceed \$10 from one person during the reporting period. If your committee accepted other types of incoming funds or activity (such as monetary contributions, non-monetary (in-kind) contributions, corporate or labor organization contributions or support, loans, or interest) enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee. NOTE: Such notices are not required if the committee is the principal political committee of a political party.

**Corporate or Labor Organization Pledged Contributions:** Do not enter on this schedule pledged contributions your committee accepted from [corporations](#) or labor organizations. A political committee that *supports or opposes measures exclusively* may accept pledged contributions from corporations or labor organizations and must report such pledged contributions on Schedule D.

**Pledge of Personal Services or Travel:** You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Pledged Contributions List:** After you enter your first pledged contribution, the filing application will begin a list of all contributions entered on Schedule B for this report. The list will display pertinent information for each contribution:

Date	Pledgor	Amount	Travel	Action
01/01/2015	Pledgor, Paula	\$1,000.00		Edit Delete

Add Memo Done with Pledges

The pledged contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor of the pledge is an individual or an entity.

**Contributions from Out of State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out of state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over \$500 in a reporting period from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept \$500 or less in a reporting period from an out-of-state PAC (including pledges), you must include one of the following with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If your committee accepted contributions from an out-of-state PAC and you do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

Pledge Date: Enter the date your committee *accepted* the [pledge](#). *Accepting* a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it. Note that your committee must accept a pledge before you are required to report it.

Pledge accepted and received in different reporting periods: If your committee accepts a pledge in one reporting period and then *receives* the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans) in the reporting period in which you received the pledge.

Pledge received in same reporting period as accepted: If your committee receives a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). The date of the contribution will be the date your committee accepted the pledged contribution, regardless of when the pledged contribution was actually received.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which your committee accepted the pledge. If your committee never actually receives the pledge, it is not necessary to correct your report to delete the pledge.

*Example:* On June 20 a supporter promises that he will give a monthly committee \$1,000 on October 20. The committee accepts his promise. The committee must disclose the pledge on its July 5 monthly report covering the period in which it accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which the committee received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

Pledge Amount: Enter the amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

**Itemize box:** Checking this box indicates that this pledge will be itemized on Schedule B. The automatic default is to itemize. As a general-purpose committee filing monthly, your committee is required to itemize pledges that exceed \$10 (in the aggregate) from a single contributor. If your committee accepted two or more pledges from the same person, the total of which exceeds \$10, enter each pledge separately and be sure the box is checked for each entry.

Pledges of \$10 or less: Although you are not required to do so, you may also itemize on Schedule B pledges that do not exceed \$10 (in the aggregate) for the reporting period. If you do not itemize pledges of \$10 and less on Schedule B, you must total all such pledges and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such pledges here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule B.

Contributor Name (First, Last, Title, Suffix; or Entity Name): Enter the [full name](#) of the person who made the pledge. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

Contributor Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the contributor of the pledge.

**Contributor Principal Occupation and Employer Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

Employer (Optional): You may enter the employer of the contributor of the pledge in this field.

Principal Occupation: You must enter the pledge contributor's principal occupation in this field.

In-Kind Description: If the pledge was for goods or services or any other thing of value, enter a description of the in-kind pledge of goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing the committee's report to understand what was pledged.

In-kind Contribution For Out-of-State Travel? Check this box if the in-kind pledged contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the "Enter Travel Info" button that activates when you check the box. This information will be included in your report on Schedule T.

**Schedule C2** is used to itemize all non-monetary (in-kind) [political contributions](#) accepted from [corporations](#) or labor organizations during this reporting period. You must itemize all such corporate or labor organization non-monetary (in-kind) contributions, regardless of the amount, on this schedule. ## **MPAC: Schedule C3**

**NEW!** Enter only incoming **monetary** corporate or labor organization support on Schedule C3. (Non-monetary corporate or labor organization support is now entered on Schedule C4.)

**Schedules C3 and C4 are only for a general-purpose committee that accepted corporate or labor organization support.** Other general-purpose committees that *support or oppose measures exclusively* and accept monetary and non-monetary (in-kind) contributions from corporations or labor organizations use Schedules C1 and C2 to disclose such corporate or labor organization contributions.

**Schedule C3** is used to itemize all monetary payments made by [corporations](#) or labor organizations to:

- finance the establishment or administration of your committee; or
- finance the solicitation of political contributions to your committee from the employees, stockholders, or members of the corporation or labor organization and their families.

You must itemize all such corporate or labor organization monetary support payments, regardless of the amount, on this schedule. If your committee accepted other types of incoming funds or activity (such as pledges, non-monetary (in-kind) contributions, loans, or interest) enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Monetary Support List:** After you enter and save your first monetary payment made by a corporation or labor organization in support of your committee, the filing application will begin a list of all monetary support payments entered on Schedule C3 for this report. The monetary support list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete a previously entered monetary support payment. To enter a new monetary support payment, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at

**Date:** Enter the date of the monetary payment made by the corporation or labor organization in support of your committee.

**Payments Made By Credit Card:** There is a special reporting rule for payments made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of a payment made by credit card is the date the credit card is used. For other reports, the date of a payment made by credit card is *either* the date of the charge *or* the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the payment as the date of the charge.*

**Amount:** Enter the amount of the payment made by the corporation or labor organization in support of your committee.

**Itemize box:** This box is always checked on this schedule. Your committee is required to itemize all monetary payments from corporations or labor organizations regardless of the amount. **Schedule C4** is used to itemize all [non-monetary support](#) provided by [corporations](#) or labor organizations to:

Add Memo Done with Contributions

The non-monetary support list will be the first screen you see each time you return to this schedule. From this list, you will be able to Edit or Delete previously entered non-monetary support provided by a corporation or labor organization to your committee. To enter a new non-monetary support entry, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the Memo button to provide additional explanation regarding non-monetary support entered on this schedule.

Date: Enter the date the corporation or labor organization provided non-monetary support to your committee. The payment date is the date the corporation or labor organization incurs the obligation to make a payment. The payment date is not necessarily the date goods or services are received. It is the date on which the obligation to make a payment is incurred, as long as the amount of the payment is “readily determinable”. Generally, the amount of a payment is known (and therefore readily determinable) when the obligation is incurred, but in some cases the amount is not known until the receipt of a bill.

Amount: Enter the fair-market value of the [non-monetary support](#) provided to your committee by a corporation or labor organization.

**Itemize box:** This box is always checked on this schedule. Your committee is required to itemize all non-monetary support from corporations or labor organizations regardless of the amount. Entity Name: Enter the name of the corporation or labor organization that provided [non-monetary support](#) to your committee.

Entity Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the corporation or labor organization that provided [non-monetary support](#) to your committee.

## **MPAC: Schedule D**

**This schedule is only for general-purpose committees that support or oppose measures *exclusively*.** Such committees also use Schedules C1 and C2 to disclose corporate or labor organization monetary and non-monetary (in-kind) contributions. Other general-purpose committees that receive support from [corporations](#) or labor organizations to establish or administer the committee or to solicit contributions to the committee from the employees, stockholders, or members of the corporation or labor organization and their families use Schedules C3 and C4 to disclose such support.

**NEW!** As always, you must disclose a corporate or labor organization pledge on Schedule D in the reporting period in which your committee accepted the pledge. Effective January 1, 2015, you must also disclose the receipt of the pledged corporate or labor organization contribution on Schedule C1 (used for monetary corporate or labor organization contributions) or C2 (used for non-monetary corporate or labor organization contributions), as applicable, in the

reporting period in which your committee actually receives the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

Example: On June 20 a corporate supporter promises to give a monthly committee \$1,000 on October 20. The committee accepts the corporation's promise. The committee must disclose the pledge on its July 5 monthly report covering the period in which the committee accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary corporate contribution on Schedule C1 of the report covering the period in which the committee received the money. Also, if the committee never receives the \$1,000, the committee does not correct/amend its report to delete the entry for the pledge.)

**Schedule D** is used to itemize all pledges (monetary or in-kind) from [corporations](#) or labor organizations accepted by your committee during the reporting period. You must itemize all such corporate or labor organization pledges, regardless of the amount, on this schedule. If your committee accepted other types of incoming funds or activity (such as monetary contributions, non-monetary (in-kind) contributions, corporate or labor organization support, loans, or interest), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Pledge of Personal Services or Travel:** You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Pledged Contributions List:** After you enter your first pledged contribution from a corporation or labor organization, the filing application will begin a list of all pledges entered on Schedule D for this report. The list will display pertinent information for each contribution:

**Pledge Date:** Enter the date your committee *accepted* the pledge. *Accepting* a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it. Note that your committee must accept a pledge before you are required to report it.

**Pledge accepted and received in different reporting periods:** If your committee accepts a pledge in one reporting period and then *receives* the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans) in the reporting period in which you received the pledge.

**Pledge received in same reporting period as accepted:** If your committee receives a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). The date of the contribution will be the date your committee accepted the pledged contribution, regardless of when the pledged contribution was actually received.

**Pledge accepted but never received:** You will disclose the pledge on this schedule in the reporting period in which your committee accepted the pledge. If your committee never actually receives the pledge, it is not necessary to correct your report to delete the pledge.

*Example:* On June 20 a corporate supporter promises to give a monthly committee \$1,000 on October 20. The committee accepts the corporation's promise. The committee must disclose the pledge on its July 5 monthly report covering the period in which the committee accepted the pledge. (Note: When the committee receives the \$1,000, the committee will disclose it as a monetary corporate contribution on Schedule C1 of the report covering the

**Pledge Amount:** Enter the amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the corporation or labor organization that made the pledge.

**In-Kind Description:** If the pledge was for goods or services or any other thing of value, enter a description of the in-kind pledge of goods or services or other thing of value. **In-kind Contribution For Out-of-State Travel?** Check this box if the in-kind pledged contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. ## **MPAC: Schedule F2**

**NEW!** Schedule F is now split into two schedules: Schedule F1 and Schedule F2. Enter only expenditure obligations that your committee has **incurred but not yet paid** on Schedule F2. (Political expenditures that were *paid* in this reporting period are disclosed on Schedule F1. Non-political expenditures that were paid in this reporting period are disclosed on Schedule I. Expenditures made by credit card are disclosed on schedule F4 (used for expenditures made by credit card).)

Effective January 1, 2015, you must also disclose when your committee actually pays the incurred expenditure. You must disclose the outgoing payment on Schedule F1 or I as applicable, in the reporting period in which your committee pays the expenditure.

**NEW!** Expenditures Made By Credit Card: Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When your committee pays the credit card bill, you will disclose the payment on the appropriate disbursements schedule. See [Expenditures Made by Credit Card](#) for more information.

**Schedule F2** is used by a general-purpose committee filing monthly to itemize political expenditures the committee has incurred but not yet paid that exceed \$10 to one individual or entity during the reporting period. Also use this schedule to itemize any non-political expenditures your committee has incurred but not yet paid during the reporting period, regardless of the amount. If your committee had other outgoing funds (such as investment purchases or political payments from political funds), or expenditures made by credit card, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Notice to Candidates and Officeholders:** If the committee makes political expenditures or accepts political contributions in support of a candidate or officeholder, the committee must provide written notice to the candidate or officeholder who benefits from the committee's activity. The notice must be given before the end of the reporting period during which the committee made the political expenditures or accepted the political contributions. The notice must inform the person that the committee has made political expenditures or accepted political contributions on his or her behalf, and include the full name and address of the political committee and its campaign treasurer and an indication that the committee is a general-purpose committee. **NOTE:** Such notices are not required if the committee is the principal political committee of a political party.

**Unpaid Incurred Obligations List:** After you enter and save your first unpaid incurred obligation, the filing application will begin a list of all unpaid incurred obligations entered on Schedule F2 for this report. The list will display columns showing pertinent information for each payee:

### [Tell Me More About Incurred Expenditure Obligations](#)

Expense Amount: Enter the amount of the incurred expenditure obligation.

**Itemize box:** Checking this box indicates that this incurred expenditure will be itemized on Schedule F2. The automatic default is to itemize. As a general-purpose committee filing monthly, your committee is required to itemize incurred political expenditures that exceed \$10 (in the aggregate) to a single payee. Your committee is required to itemize any non-political expenditure, regardless of the amount. If your committee incurred two or more political expenditures to the same payee, the total of which exceeded \$10, enter each incurred political expenditure obligation separately and be sure the box is checked for each entry.

Incurred Political Expenditure Obligations of \$10 or less. Although you are not required to do so, you may also itemize on Schedule F2 incurred political expenditures to a single payee that do not exceed \$10 for the reporting period. If you do not itemize incurred political expenditures of \$10 and less on Schedule F2, you must total all such incurred political expenditures and enter

the lump sum total on the Totals page of this report. If you enter information about such incurred political expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F2.

Type of Expenditure: Select whether the incurred expenditure was political or [non-political](#). **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures.

Check if Austin, TX officeholder living expense: For expenditures made on or after July 1, 2014, check this box only if the incurred expenditure is an [officeholder expense](#) for living in Austin, Texas.

Expenditure from Corporate Funds box: Check this box to indicate an expenditure paid in full or in part from corporations or labor organizations.

Payee Address (Street Address, Country, City, State, Zip Code): Enter the complete address of the payee of the expenditure obligation.

**Expenditure Purpose.** *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.*

Category: Select a category of goods, services, or other thing of value for which the incurred expenditure is made. If none of the listed categories apply, select "Other" and enter your own category.

Description: Enter a brief statement or description of the committee activity that is conducted by making the incurred expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. State whether the

expenditure was to support or oppose a candidate, officeholder, political party, or ballot measure, and identify the candidate, officeholder, political party, or ballot measure. If your incurred expenditure was a contribution to a candidate or officeholder, or to another committee, enter “political contribution” and identify the recipient.

**Expenditure For Out-of-State Travel?** Check this box if the expenditure was for travel outside of the state of Texas. The description of a political expenditure for out-of-state travel must include additional detailed information. ## **MPAC: Schedule F4**

**NEW!** Schedule F4 is a new schedule used to disclose information about expenditures made by credit card. Effective September 1, 2015, you must disclose committee expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card company. (When your committee pays the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule.)

Schedule F4 is used to itemize expenditures your monthly committee made by credit card that exceed \$10 to one individual or entity during the reporting period. If your committee had outgoing funds (such as investment purchases or political payments from political funds), or obligations that your committee has incurred but not yet paid, enter them on the applicable schedules associated with the categories shown on the Worksheet Summary page. See [Expenditures Made by Credit Card](#) for more information.

To Individual or Entity? Indicate whether the payee is an individual or an entity.

*Note:* Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

Expense Date: Enter the date your committee made the expenditure by credit card.

*Note:* There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.* See [Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures](#) for more information.

Expense Amount: Enter the amount of the credit card expenditure.

Itemize box: Checking this box indicates that this credit card expenditure will be itemized on Schedule F4. The automatic default is to itemize. You are required to itemize political expenditures made by credit card that exceed \$10

(in the aggregate) to a single payee. You are required to itemize any non-political expenditure made by credit card, regardless of the amount. If your committee made two or more expenditures to the same payee, the total of which exceeded \$10, enter each expenditure made by credit card separately and be sure the box is checked for each entry.

Credit Card Expenditures of \$10 or less. Although you are not required to do so, you may also itemize on Schedule F4 political expenditures made by credit card to a single payee that do not exceed \$10 for the reporting period. If you do not itemize political expenditures made by credit card of \$10 and less on Schedule F4, you must total all such credit card expenditures and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such credit card expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F4.

Expenditure Purpose. *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods,*

*Note:* Do not select "Credit Card Payment" as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card company. Instead, select the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

Description: Enter a brief statement or description of the committee activity that is conducted by making the credit card expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. If your credit card expenditure was a contribution to a candidate or officeholder, or to another committee, enter "political contribution" and identify the recipient.

## **MPAC: Schedule Subtotals**

**Schedule Subtotals** is a new page of the reporting form intended to supplement the report totals (cover sheet, page 2). This page displays the calculated **Subtotal** for each report schedule, based on the amounts you

entered on the schedule entry screen (reported itemized and reported unitemized) and any other unitemized total you enter as a lump sum amount here (user entered lump sum unitemized).

You are always required to itemize or report detailed information for contributions, expenditures, and loans over a certain monetary threshold. The thresholds vary depending on the type of activity (see "Itemization Thresholds" below). For smaller contributions, expenditures, and loans that do not exceed the threshold (in the aggregate from a single source), you may report them in one of two ways: 1) add them all together and enter the unitemized total as a lump sum; OR 2) enter the detailed information on the schedule entry screen (and choose to itemize or not).

Note: If your committee qualifies and chooses to use the [\\$20 itemization threshold](#) for contributions disclosed in this report, you must check the Higher Contribution Itemization Threshold box on the **Cover Sheet** page.

***Itemized transactions:*** You chose to enter the detailed information on the schedule entry screen AND the "itemize" box is checked. The filing application calculates the sum of the entries for each schedule and the amount is displayed in the **Reported Itemized** column for the applicable schedule.

***Unitemized transactions:*** Depending on your choice of entry, your unitemized transactions are shown under one of the following columns:

Reported Unitemized – You chose to enter the detailed information on the schedule entry screen and the "itemize" box is NOT checked. The transaction will remain unitemized, unless you manually check the "itemize" box or you enter additional transactions from/to the same source which cause the aggregate total to exceed the itemization threshold.

User Entered Lump Sum Unitemized – You chose not to enter the detailed information, but rather to enter the total of all your unitemized transactions as a lump sum for the applicable schedule. You must manually enter the lump sum total. DO NOT INCLUDE in a lump sum total any transactions for which you chose to enter detailed information.

***Itemization Thresholds for Each Schedule:*** To return to the instructions for each schedule, click on the applicable link.

**[Monetary Political Contributions \(A1\)](#)** – You are not required to itemize contributions (in the aggregate from a single source) of \$10 or less (or [\\$20 or](#)

**Pledged Contributions (B)** - You are not required to itemize pledges (in the aggregate from a single source) of \$10 or less. If not entered on this schedule, you must enter a lump sum.

## **MPAC: Report Totals (Cover Sheet, Page 2)**

You are required to include in your committee's campaign finance report the following total amounts of contributions, expenditures, and loans:

1. Total Unitemized Political Contributions (other than pledges, loans or guarantees of loans): *(The total amount is automatically calculated based on your entries.)* This is the sum total of the unitemized contribution amounts shown on the Subtotals page under **Monetary Contributions (A1) and Non-Monetary (In-kind) Contributions (A2)** for:

Reported Unitemized (contributions of \$10 or less (or [\\$20 or less if committee qualifies](#)) in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

User Entered Lump Sum Totals (contributions of \$10 or less (or [\\$20 or less if committee qualifies](#)) in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

Note: If your committee qualifies and chooses to use the [\\$20 itemization threshold](#) for contributions disclosed in this report, you must check the Higher Contribution Itemization Threshold box on the **Cover Sheet** page.

2. Total Political Contributions (other than pledges, loans or guarantees of loans): *(The total amount is automatically calculated based on your entries.)* This is the sum total of all political contributions you accepted in the reporting period. It includes the total amount shown on Line 1 (total unitemized contributions of \$10 or less or [\\$20 or less if committee qualifies](#)) plus the total **Reported Itemized** (contributions which you itemized on the schedule entry screen) amounts shown on the Subtotals page under **Monetary Contributions (A1), Monetary Contributions from Corporation or Labor Organization (C1), Non-Monetary (In-kind) Contributions (A2), Non-monetary (In-kind) Contributions from Corporation or Labor Organization (C2), Monetary Support from Corporation or Labor Organization (C3), and Non-monetary Support from Corporation or Labor Organization (C4)**.

3. Total Unitemized Political Expenditures of \$10 or less: *(The total amount is automatically calculated based on your entries.)* This is the sum total of the unitemized political expenditure amounts shown on the Subtotals page

under **Political Expenditures (F1), Unpaid Incurred Obligations (F2), and Expenditures Made by Credit Card (F4)** for:

Reported Unitemized (expenditures of \$10 or less in the aggregate to a payee for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

User Entered Lump Sum Totals (expenditures of \$10 or less in the aggregate to a payee which you entered as a lump sum instead of detailing on the schedule entry screen).

4. Total Political Expenditures: *(The total amount is automatically calculated based on your entries.)* This is the sum total of all political expenditures you made in the reporting period. It includes the total amount shown on Line 3 (total unitemized political expenditures of \$10 or less) plus the total **Reported Itemized** (expenditures which you itemized on the schedule entry screen) amounts shown on the Subtotals page under **Political Expenditures (F1), Unpaid Incurred Obligations (F2), and Expenditures Made by Credit Card (F4)**.

5. Total Political Contributions Maintained as of the Last Day of the Reporting Period: *(The total amount is a required field that **you must manually enter here.**)* Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter "0.00" if your committee does not maintain political contributions, including interest or other income earned on those contributions, as of the last day of the reporting period. (This is different from the total contributions reported on Line 2. Only contributions accepted during the period covered by the report are entered on Line 2.)

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period.

**The "total amount of political contributions maintained" includes:** the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political

Enter "0.00" if your committee did not accept any loans during the period covered and has no outstanding loans as of the last day of the reporting period. The "total outstanding loans" must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously. (This is different from the information reported on Loans (Schedule E). Only loans accepted during the period covered by the report are entered on Schedule E.)

7. Total Unitemized Pledges: *(The total amount is automatically calculated based on your entries. Note: A printed copy of your report will display this total on Schedule B and not on Cover Sheet page 2.)* This is the sum total of the unitemized pledge amounts shown on the Subtotals page under **Pledged Contributions (B)** for:

Reported Unitemized (pledges of \$10 or less in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

User Entered Lump Sum Totals (pledges of \$10 or less in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

8. Total Unitemized Loans: *(The total amount is automatically calculated based on your entries. Reported Unitemized (loans of \$10 or less in the aggregate from a lender (other than a [financial institution](#)) for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

## **MPAC: Report Error Check**

**Report Error Check** is a tool to assist you in fulfilling your reporting requirements. The Error Check details errors and omissions in the data entry; it does not verify that the report has satisfied all legal requirements. You should review the applicable COA-EFS Guide and the filing application PAGE HELP to ensure that ALL required information is included before you file your report.

If the Error Check finds errors in your report, the errors will be listed for you in a table on this screen. You can also click the View as PDF button to view the error list as an Adobe Acrobat .PDF file (requires Adobe Acrobat reader or equivalent viewer to view) or click the View as Excel button to view the error list in a Microsoft Excel spreadsheet.

The errors list includes the following information:

Severity: The error records are ranked in terms of severity:

**HIGH:** These are major omissions in information that indicate non-compliance with certain reporting requirements (such as not entering the amount of total political contributions maintained as of the last day of the reporting period under Report Totals). This information is considered very important and you **MUST CORRECT** these errors in order to file the report.

**LOW or MEDIUM:** These are omissions or errors in other information that indicate non-compliance with certain reporting requirements (such as not entering address information for a contributor or payee). You should correct these errors to be in legal compliance with your reporting requirements. You may, however, choose to accept these errors and file the report as is. **NOTE:** If you file the report with errors, you could be subject to a sworn complaint for reporting violations.

**Tracking Information:** This column shows the transaction (contribution, loan, etc.) containing the error and other information to help you identify the transaction.

**Error Record:** This column shows the name of the data field containing the error and provides a link directly to the entry screen where the error is located. After correcting the error and saving the transaction, you may run the Error Check again by clicking the **Check For Errors** link in the Report Menu navigation sidebar always displayed down the left side of your screen.

Message: This column provides a brief explanation of the required information that is missing or in error.

## **MPAC: Correction Affidavit**

A filer who files a corrected report must submit a **Correction Affidavit**. The affidavit must identify the information that has changed. The affidavit also provides check boxes for your use in swearing to certain statutory provisions regarding the corrected report, if applicable.

**Explanation of Correction:** Use this box to explain why there were error(s) on the original report, what information is being corrected, and how the new information is different from the information on the original report. You may also use this area to request a waiver or reduction of a late-filing penalty for this correction, if any, and state the basis of your request.

**Sworn Statement Check Boxes:** Check the box next to the statement, if applicable.

**For Any Corrected Report:** Check this box if you are filing this corrected report not later than the 14th business day after the date you learned that the report as originally filed is inaccurate or incomplete and any error or omission in the report as originally filed was made in good faith.

A corrected monthly report filed with the COA-EFS after its due date is not considered late for purposes of late-filing penalties if the report meets this "14th business day in good faith" statutory provision.

## **MPAC: Dissolution Report Affidavit**

You must file a Dissolution report in order to dissolve the committee. Your committee may file a Dissolution report if your committee expects to have no further reportable activity. There is not a fixed deadline for this report. A Dissolution report terminates the appointment of campaign treasurer (Form GTA) and relieves the campaign treasurer of the duty to file additional reports. (In this case, the Dissolution report serves as the treasurer's termination report.) A Dissolution report does not relieve the campaign treasurer of his or her responsibility for any delinquent reports or outstanding civil penalties. **Remember:** A political committee may not make or authorize political expenditures or accept political contributions without having a campaign treasurer appointment (GTA) on file.

**Dissolution Report Affidavit:** This page includes the Dissolution report affidavit language. You must agree to and acknowledge the affidavit to indicate that you understand the consequences of filing a Dissolution report. To do so, select the radio button next to the statement, "I agree to and acknowledge the above affidavit."

If your committee intends to have additional campaign activity and is not ready to file a Dissolution report, select the radio button next to the statement, "I do not agree to the above affidavit." You will have some options as to how you wish to continue:

Continue Working on a Different Report Type: *(This option is only available if you started the Dissolution report in combination with another report type.)* Selecting this option will return you to the "Cover Sheet" screen. From here, you can select "Clear This Report?" if you do not wish to file a Dissolution report at this time.

Go Back to My Reports Page: Selecting this option will return you to the “Manage My Reports” screen without creating the Dissolution report. From here, you can continue working on an in-progress report or start a new report.

Return to Dissolution Report Affidavit: Selecting this option will return you to the Dissolution Report Affidavit screen. From here, you can choose to agree to the Dissolution report affidavit in order to continue with the Dissolution report.

## **MPAC: Appendix**

### **Change Of Status**

A change in political activity may mean that a political committee has changed from a specific-purpose political committee (SPAC) to a general-purpose political committee (GPAC/MPAC) or vice versa. If this happens, the committee is subject to new filing requirements.

**SPAC becoming a GPAC/MPAC.** If an SPAC engages in activities that make the committee a GPAC/MPAC, the committee must file a new campaign treasurer appointment (on Form GTA) with the City of Austin before it may accept more than \$500 in total political contributions or make more than \$500 in total political expenditures as a GPAC/MPAC. On Form GTA, the committee may choose whether to file according to the regular filing schedule (filer type GPAC) or monthly filing schedule (filer type MPAC).

In addition to filing Form GTA with the City of Austin, the campaign treasurer of the new GPAC/MPAC must give notice of the change in status to the filing authority with whom the committee filed reports as an SPAC. This notice is due no later than the due date for the next report the committee would have had to file as an SPAC. The notice must state that the committee will file future reports as a GPAC/MPAC and that those reports will be filed with the City of Austin.

**GPAC/MPAC becoming an SPAC.** A GPAC or MPAC that chooses to limit its activities to the activities of an SPAC must file a new campaign treasurer appointment (on Form STA) with the appropriate filing authority. See ["Where to File an Appointment of Campaign Treasurer"](#) in the PAC guide. Further, the new SPAC may not make expenditures in an election supporting or opposing a candidate for a statewide office, the State Legislature, the State Board of Education, a multi-county district office, or a judicial district office unless it has

had its appointment of campaign treasurer as an SPAC on file for at least 30 days before the election.

In addition to filing a new Form STA with the appropriate filing authority, the campaign treasurer of the new SPAC must give notice to the City of Austin of the change in status. This notice must be given to the City of Austin no later than the due date for the next report the committee would have had to file with the City of Austin if the committee had not become an SPAC. The notice must state that the committee will file future reports as an SPAC and must identify the filing authority with which those reports will be filed.

## **Alternative Reporting Requirement for Some Committees**

For a report due on or after September 1, 2005, a general-purpose committee filing monthly with less than \$20,000 in total political contributions maintained as of the last day of the preceding reporting period may choose to itemize incoming monetary political contributions that exceed \$20 (instead of \$10) from one person during the reporting period. If your committee qualifies for the higher itemization threshold, you may select it by checking the box on the **Cover Sheet** page of the report.

## **Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures**

***You can never go wrong by disclosing the date the credit card was charged as the expenditure date.*** For 30-day and 8-day pre-election reports, the expenditure date is the date of the credit card charge, not the date of the credit card bill. For all other reports, the expenditure date may be either the date of the charge or the date of receipt of the credit card bill that includes the expenditure.

***If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, disclose the vendor who sold you the goods or services as the payee.*** DO NOT disclose as the payee the name of the candidate, officeholder, or committee that benefitted from the expenditure. Include that person's name under the purpose description.

***Did a staff worker make political payment(s) out of his or her personal funds?*** How you disclose the payment(s) depends on two things: 1) the

aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

*Staff Reimbursement Examples:*

**Case #1:** The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the \$100 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. DO NOT disclose as the payee the name of your staff worker.

**Case #2:** The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

**Case #3:** The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period BUT you reimburse the staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

## **Incurred Expenditure Obligations**

The date of an expenditure is not necessarily the date that goods or services are received. It is the date on which you incur the obligation to make a payment, as long as the amount of the payment is "readily determinable." Generally, you know the amount of an expenditure (and therefore it is readily determinable) when the obligation is incurred, but in some cases you may not

know the amount until the receipt of a periodic bill. An amount is readily determinable if the vendor can provide the amount at your request.

**Example 1:** On June 29th, a committee orders political signs. On July 16th, the committee receives the invoice for the signs. The date of the expenditure is June 29th, if on that date the vendor can provide the amount the committee will owe the vendor for the signs. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred and disclose that unpaid incurred obligation on Schedule F2 in the August 5 monthly report covering the period (June 26 through July 25) in which the unpaid obligation is incurred. (Note: When the committee makes the payment, the committee will disclose it as an outgoing payment on Schedule F1 in the report covering the period in which it pays the expenditure.)

**Example 2:** A committee maintains a political office. The committee does not know the cost of the office's June utilities until it receives the periodic monthly bill on July 16th. The filer will not disclose the expense as an unpaid incurred obligation on Schedule F2 in the August 5 monthly report, since the amount was not readily determinable until after the end of the reporting period.

## **Expenditures Made by Credit Card**

Beginning on September 1, 2015, all expenditures made by credit card must be reported on a new schedule: "Expenditures Made by Credit Card" Schedule (F4). This requirement applies to filers of electronic and paper campaign finance reports, including candidates, officeholders, political committees, political parties, and direct campaign expenditure filers.

When a credit card is used to make a reportable expenditure, the expenditure must be reported on the new schedule by identifying the name and address of the vendor who sold the goods or services, **NOT** the credit card company that issued the credit card. The date, amount, and purpose of the expenditure must also be disclosed, in addition to other information.

Once the credit card bill is paid, the payment must also be reported using the appropriate existing disbursement schedule (e.g., Schedule F1, Schedule G, Schedule H, or Schedule I) by identifying the credit card company that receives the payment. The date, amount, and purpose of the payment must also be disclosed, in addition to other information.

Please see the following examples of reporting expenditures made by credit card:

**Example 1: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate makes a payment from her political contributions account to pay the \$1,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked.
- For the payment to the credit card company: a \$1,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for campaign office supplies.”
- Both \$1,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting

period, the candidate makes a payment from his personal funds account to pay the \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.
- For the payment to the credit card company: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
- Both \$3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A general-purpose committee uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card company:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
- The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card company was made:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

## **MPAC: Glossary**

### **A**

**Accepting a Contribution:** A committee must report contributions that the committee has accepted. Receipt is different from acceptance. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received.

**Failure to make a determination about acceptance or refusal:** If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

**Returning refused contributions:** If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

## B

## C

**Corporation:** Includes any of the following business associations:

(1) corporations that are organized under the Texas Business Corporation Act, the Texas For-Profit Corporation Law, the Texas Non-Profit Corporation Act, the Texas Nonprofit Corporation Law, federal law, or law of another state or nation; or

(2) the following associations, whether incorporated or not: banks, trust companies, savings and loan associations or companies, insurance companies, reciprocal or interinsurance exchanges, railroad companies, cemetery companies, government-regulated cooperatives, stock companies, and abstract and title insurance companies.

## D

**Direct Campaign Expenditure:** A "direct campaign expenditure" to benefit a candidate is not a "political contribution" to that candidate. A direct campaign expenditure is a campaign expenditure made on someone else's behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of a candidate and you did not get the candidate's approval before you made the expenditure, you made a **direct campaign expenditure**. However, if you asked for and received the candidate's approval before making the expenditure, you made an in-kind contribution to the candidate.

## E

## F

**Financial Institution:** A corporation that has been legally engaged in the business of making loans for more than one year.

**Full Name of the Contributor:** Texas law does not allow anonymous contributions. Even if you do not itemize a contribution, you must maintain a record of all the information related to a contribution for two years after the deadline for filing the report. You must also identify the actual source of a contribution, not an intermediary.

## G

## H

## M

## N

**Non-Monetary Support:** Support provided by a corporation or labor organization through the use of goods or services to either establish or administer your committee, or solicit contributions to your committee from the employees, stockholders, or members of the corporation or labor organization and their families. Examples of non-monetary support include:

- The use of corporate or labor organization office space
- The use of a corporate or labor organization mailing list
- The use of any other corporate or labor organization asset

**Non-Political Expenditure:** An expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, **very few** expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Examples of non-political expenditures:

- Charitable donation, if you receive no benefit in return
- A political committee uses political contributions to pay a lobbyist to work on legislative matters

## O

**Officeholder Expenditure:** A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities, if the expenses are not reimbursable with public money.

**Austin Texas Officeholder Living Expense:** refers to payments made to defray ordinary and necessary expenses incurred in connection with the performance of duties or activities as a public officeholder, including payment of rent, utility, and other reasonable housing or household expenses incurred in maintaining a residence in Travis County by members of the legislature who do not ordinarily reside in Travis County. Examples include:

- Rent for Austin apartment
- Phone line and internet access for Austin apartment
- Installation expense of security system at officeholder apartment

## P

**Pledge:** a promise to transfer money, goods, services, or other things of value. A pledge is not a reportable contribution, unless it is accepted.

**Political Contribution:** Any transfer of or promise to transfer money, goods, services, or other thing of value, including a loan, that is given to a committee with the intent that it be used either:

(1) in connection with a campaign for elective office or a measure to be submitted to the voters; or

(2) to defray expenses in connection with an officeholder's duties or activities, provided that the expenditures are not reimbursable from public money

A donation of money to a political committee at a fundraiser is a monetary contribution.

A contribution of goods or services is a non-monetary (in-kind) contribution. Examples of non-monetary (in-kind) contributions are:

- Donation of office space
- Donation of an item to be auctioned at a fundraiser
- Donation of a mailing list
- Donation of material and labor for printing campaign signs

A political contribution in the form of a pledge must be reported on the appropriate schedule. For example, a promise to give you money after the election to pay debts incurred in connection with the election is a pledge.

A loan from an incorporated financial institution that has been in business for more than a year is not considered to be a contribution, but you must report any such loans taken out for campaign or officeholder purposes on the appropriate schedule.

## MEMORANDUM

**TO:** Candidates for the 2020 City Council Election

**FROM:** Jannette Goodall, City Clerk

**DATE:** May 1, 2020

**SUBJECT:** **New:** City of Austin E-Filing System for Campaign Finance Reporting

Pursuant to City Code, a candidate, officeholder, political committee, entity, or person required by City Code or state law to file a campaign finance report with the City Clerk shall, in addition to the required report, also provide to the City Clerk a structured data file containing the contents of the campaign finance report. You are receiving this message because you are either filing campaign finance reports with our office or still have an “active” campaign treasurer form on file.

**Beginning with the July 15, 2020 C/OH Report, all reports and associated data will be submitted to the City Clerk using the City of Austin Electronic Filing System located at: <https://austintexas.ethicsefile.com/EthFile/>. Starting July 1, 2020, the Clerk’s Office will no longer accept hard copy reports or the associated data files.**

If you expect no further reportable activity to occur, the campaign treasurer may file a dissolution report which relieves the campaign treasurer of obligation of filing additional reports. Information on dissolving a campaign is available at <https://www.ethics.state.tx.us/forms/coh/cohfrm.php>. Prior to the July 1, 2020, dissolution reports may be filed in hardcopy with the associated data file. After July 1, all reports including a dissolution report would be required to be filed electronically.

Attached is an informational flyer on the Electronic Filing System, instructions for requesting an account and dates for upcoming training sessions.

If you have questions you may email the Clerk’s Office at [efiling@austintexas.gov](mailto:efiling@austintexas.gov) or call 512-974-2210.

For the 2020 Election, the City Clerk's Office has launched an online electronic filing system, called the E-Filing System, for all filers (officeholders, candidates, political action committees and anyone required to file the Schedule ATX.1 or Schedule ATX 8). **All filers must electronically file all campaign finance reports starting with the July 15, 2020 Report.**

The new E-Filing System will streamline the filing process by allowing filers to file their reports from any location at their convenience by providing built in validation checks to reduce errors on the reports and eliminate the requirement for filers to submit a separate data file. Please refer to the 2020 Filing Schedule located on the [November 2020 Election Webpage](#) for a complete list of filing deadlines.

### **Who must use the E-Filing System**

**All filers must electronically file all campaign finance reports starting with the July 15, 2020 Report.**

Filers will be able to file the following reports using the E-Filing System:

- Texas Ethics Commission Candidate/Officeholder Campaign Finance Report (C/OH Forms)
  - Semi-Annual Report (C/OH Form) for Candidates, Officeholders and PACs
  - 30<sup>th</sup> Day Pre-Election Report (C/OH Form) for Candidates, Officeholders and PACs
  - 8<sup>th</sup> Day Pre-Election Report (C/OH Form) for Candidates, Officeholders and PACs
  - Candidate/Officeholder Report of Unexpended Contributions
  - C/OH Final Report
  - 15<sup>th</sup> Day after Campaign Treasurer Appointment Report
  - Exceeded \$500 Limit Report

- Schedule ATX 8 – Report of Covered Transfers Supporting Direct Campaign Expenditures (for anyone required to file)
- *Schedule ATX.6 Exemption Statement is no longer required*

### **Requesting an Account for the E-Filing System**

In order to file electronically and obtain an E-Filing account and password, candidates and political action committees will need to submit the following two forms to the City Clerk's Office:

- Appointment of a Campaign Treasurer by a Candidate (CTA)
- Campaign Finance Contact Form

## Electronic Filing of Campaign Finance Data: Informational Sheet

On August 6, 2015 the Austin City Council unanimously approved Ordinance 20150806-004, amending §2-2-26 of the City Code related to electronic filing of campaign finance information:

*(A) A candidate, officeholder, or political committee required by the City Code or state law to file a campaign finance report with the city clerk shall, in addition to the required report, also provide to the city clerk a structured data file containing the contents of the campaign finance report. The data file must comply with specifications and be on media determined by the city clerk. The data file must be provided to the city clerk no later than the date that the associated campaign finance report must be filed.*

[...]

*(C) The clerk must upload a data file into the database exactly as the file is received, except that the city clerk may not upload a data file that does not comply with the clerk's technical specifications. A filer who provides a noncompliant data file to the clerk shall resubmit the data in the required format. A data file that must be resubmitted is timely filed if resubmitted no later than the next business day after the date that the clerk notifies the filer that the data file is non-compliant.*

To assist filers, the City Clerk's Office has created a set of data templates in a Microsoft Excel workbook format (.xlsx) containing seven worksheets/tabs. Each tab is intended to collect a specific type of data as described in this document. Where possible, the design of the templates is based on the technical specifications established by the Texas Ethics Commission (TEC) for uploading data into their filing system.

If a filer has questions about completing the template, you may contact the Office of the City Clerk for assistance at 512-974-2210. **The forms and instruction guides will be updated in advance of the July 15, 2020 reporting deadline for the Candidate/Officeholder Campaign Finance Report. ## NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to himself, or to any other member of the governing body or court on which he serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

Examples of relatives within the third degree of consanguinity are as follows:

- (1) First degree: parent, child;
- (2) Second degree: brother, sister, grandparent, grandchild;
- (3) Third degree: great-grandparent, great-grandchild, uncle, aunt, nephew, niece.

These include relatives by blood, half-blood, and legal adoption. Examples of relatives within the second degree of affinity are as follows:

- (1) First degree: spouse, spouse's parent, son-in-law, daughter-in-law;
- (2) Second degree: brother's spouse, sister's spouse, spouse's brother, spouse's sister, spouse's grandparent.

Persons related by affinity (marriage) include spouses of relatives by consanguinity, and, if married, the spouse and the spouse's relatives by consanguinity. These examples are not all inclusive.

**INSTRUCTIONS FOR FILING A PETITION IN LIEU OF  
THE FILING FEE FOR A PLACE ON THE BALLOT**

The City Charter, Article III, Section 4 requires a filing fee of \$500.00. Texas Election Code, Section 143.005(c) requires a city to provide candidates an alternative to the filing fee. Therefore, in lieu of the filing fee, the City of Austin provides that a candidate may file his/her application for a place on the ballot along with a petition. The petition must contain the appropriate number of valid signatures [*see below*]. For council districts, a valid signature is one from any qualified voter within that particular district. The required number of valid signatures is determined through reference to Texas Election Code, Section 143.005(d)(2).

Listed below are the numbers of signatures required for the November 3, 2020 Election:

District 2: 96 signatures  
District 4: 60 signatures  
District 6: 137 signatures  
District 7: 180 signatures  
District 10: 195 signatures

Texas Election Code, Section 141.066 states:

- Signing more than one petition is prohibited.
- The following statement must appear at the top of each page of a petition: "Signing the petition of more than one candidate for the same office in the same election is prohibited."
- A signature on a candidate's petition is invalid if the signer signed the petition subsequent to signing a petition of another candidate for the same office in the same election.

Completing the Petition

1. The name of the person circulating the petition must be listed in the section in the upper right-hand corner. Indicate the number of pages being submitted. The circulator may make as many copies as needed of the blank petition page and the continuation page.
2. The next section of the petition must contain the following information:
  - City: Austin
  - Name of the candidate
  - Address: Candidate's address
  - Office sought: The specific Council District including District number.

3. The next section contains the signer's information. Please encourage signers to write as legibly as possible. The signature of the voter is required to be in the signer's own handwriting.

The following should be provided for each signer:

- Date the petition was signed.
- Signature of signer.
- Printed name of signer.
- Street address including the name of the city, state and zip code.  
Ditto marks [“ ”] can be used if the city, state and zip code are the same as the line above. The name of the city should be written out at least on the first signature line.
- County (Hays, Travis or Williamson).
- Voter registration number.
- Date of birth.

(Either the voter registration number or date of birth must be provided. It is recommended that both be provided to ensure the correct signature is validated.)

4. At the bottom of the form, the Affidavit of Circulator must be completed and must be notarized by a Notary. The Affidavit of the Circulator must be attached to the petition pages circulated by that individual. **This section must be completed for each circulator. If the circulator has multiple pages of signatures, one affidavit for all of the pages is acceptable provided the signatures are collected prior to the date of the notarized affidavit.**

#### Verification of Signatures

Upon receipt of the petition, the City Clerk's office will verify the signatures to ensure the signatures are valid and the petition is sufficient. If the number of valid signatures is equal to or more than the amount required by state law, the petition is declared valid. If the number of valid signatures is less than the amount required by state law, the petition is declared invalid. It is recommended that a person collect more than the required number of signatures to ensure the petition is valid. Once the validation process has been completed, the candidate will be notified of the results.

If the petition is declared invalid and the deadline for a candidate to file an application for a place on the ballot has not passed, another application may be filed along with a payment of the \$500.00 filing fee or submission of a new petition.

## [PFS: Deadline Extension Request](#)

If your PFS report is due on the regular annual April 30th filing deadline, you may request a 60 calendar day extension to this filing deadline. You can request this extension beginning March 1st through midnight Central Time on the night of the April 30th annual filing deadline. *Note:* If April 30th falls on a weekend or holiday, the annual filing deadline is automatically extended to the next business day.

Extensions are not allowed for PFS reports due on any alternate deadlines.

If you have not yet filed your PFS report, when you log into the PFS filing application from March 1st through the April 30th annual filing deadline, you will see an Apply for Extension button on your "Manage My Reports" page.

To apply for the filing deadline extension, click on the Apply for Extension button. If you qualify for the extension, your request will be automatically granted. You will see a message on your screen stating "Your PFS extension request has been approved. Your PFS report covering calendar year 2015 is due July 1, 2016." You will receive an email notification to your primary email address on file confirming that your extension has been granted.

After your PFS filing deadline extension request has been granted, you will no longer see the Apply for Extension button on your "Manage My Reports" page. However, you will continue to see the "Your PFS extension request has been approved. Your PFS report covering calendar year 2015 is due July 1, 2016." statement at the top of your "Manage My Reports" page to remind you of the new filing deadline.

If you are not eligible for the extension and you click on the Apply for Extension button, you will see a message on your screen stating "No filer event found. Extension cannot be granted at this time".

For more information on the PFS filing deadline extension, see the [Helpful Hints for Filing Your Personal Financial Statement](#) brochure.

## **PFS: Cover Sheet – Calendar Year & Reason for Filing**

This page is designed to help you fill in the required cover sheet information. For information regarding who is required to file a PFS, the period covered, filing deadlines, and other general information see the [General Instructions](#) in the Appendix.

**Period Covered:** In most cases, the personal financial statement covers activity for the entire calendar year *preceding* the year the statement is due. For example, a personal financial statement due in 2005 covers activity occurring between and including January 1 and December 31, 2004.

**New Appointees:** An appointed city official, appointee filling a vacancy in elective office, or the department executive head must file a PFS during the first year of his or her appointment. For these newly appointed officials, the period covered by the first required personal financial statement is determined by the date the official is appointed to the office. A new appointee's first personal financial statement covers the entire calendar year *preceding the year of appointment* rather than preceding the year the statement is due. For example, a person appointed city official effective December 15, 2008, is required to file a personal financial statement due January 14, 2009. This personal financial statement covers activity occurring

between and including January 1 and December 31, 2007. The PFS will cover activity for the entire calendar year preceding the year the statement is due.

**Select Year:** Select the year for filing the PFS from the dropdown menu.

**Reason for Filing:** Select the appropriate reason for filing the PFS from the dropdown menu and enter the corresponding office title.

If you are unsure whether you are required to file a PFS, please see the appendix for [Personal Financial Statement Frequently Asked Questions](#) and the [General Instructions](#).

**Candidate:** If you are a candidate for an elected office, check this title and indicate which office you seek. Identify the office completely, including the district or place name, if applicable.

**Elected Official:** If you are an [elected officeholder](#), select this title and indicate which office you hold. Identify the office completely, including the district or place name, if applicable.

*Example: Frank is running for council office district 2. He should select "Candidate" and write "Council Member, District 2" to indicate the office he seeks. Jane is the judge for Austin Municipal Court. She will select "Elected Official" and write "Judge, Austin Municipal Court."*

**Executive Head:** If you are the [executive head of a city department](#), select this title and indicate the department.

## **PFS: Family Members**

**Names of Family Members Whose Financial Activity You Are Reporting:** In Parts 1 through 18, you will disclose information about your financial activity during the preceding calendar year. In Parts 1 through 12, and 14, you are required to disclose not only your own financial activity, but also that of your spouse or a dependent child in which you have an ownership interest (e.g., community property). You are also required to disclose the separate financial activity (e.g., separate property) of your spouse or a dependent child if you had actual control over that financial activity, notwithstanding a partition agreement. See [Texas Ethics Commission Rule § 40.2](#).

**Note:** *If you have no financial activity to report for a [dependent child](#), **do not** enter that child's name into this report.*

**Family Members List:** Click the Add button to enter information about a family member for whom you will be reporting financial activity. (For example, the name of the first category is Sources of Occupational Income and the designated number for that schedule is PART 1.) If you indicated on a previous screen that you have activity to report for a certain part/category, those parts/categories are highlighted in **green** in the grid.

**Number of Entries:** This column keeps a running tally and displays the number of entries you have entered and saved for a particular part/category.

Action: To begin entering activity for a particular part/category, click on "Start" in this column. After you have saved your first transaction, the link that you can click changes from "Start" to "Continue" in this column.

## PFS: Part 1A Sources of Occupational Income

Complete this part for each source of occupational income. Occupational income refers to income derived from current occupational activity rather than income received as a pension or from a retirement plan associated with past occupational activity. Information about retirement funds or income may be reportable under some other category. See [Ethics Advisory Opinion No. 392](#).

**Sources of Occupational Income List:** After you enter and save your first occupation, the filing application will begin a list of all employers entered on Part 1A for this report. The list will display columns showing each employer:

## **PFS: Part 1B Retainers**

**Part 1B Retainers** asks for information about fees received by you, your spouse, or a dependent child, or received by a business in which you, your spouse, or a dependent child have a "substantial interest," as a retainer for a claim on future services in case of need, rather than fees for services on a matter specified at the time of contracting for or receiving the fee. Report such retainers only in cases in which the value of the amount of work actually performed during the calendar year did not equal or exceed the value of the retainer.

*Example: Last year you received a retainer for \$15,000 for consulting services in case of need. You ended up providing \$5,000 worth of services during the calendar year. You should report the entire \$15,000 retainer on this year's financial statement, which covers last year's activity.*

**Substantial Interest.** An individual has a substantial interest in a business entity if the individual:

- (1) has a controlling interest in the business entity;
- (2) owns more than 10 percent of the voting interest in the business entity;
- (3) owns more than \$25,000 of the fair market value of the business entity;
- (4) has a direct or indirect participating interest by shares, stocks, or otherwise, regardless of whether voting rights are included, in more than 10 percent of the profits, proceeds, or capital gains of the business entity;
- (5) is a member of the board of trustees or other governing board of the business entity;
- (6) serves as an elected official of the business entity; or
- (7) is an employee of the business entity.

**Disclosing Confidential Information.** City officials who are physicians are not required to include on their financial disclosure reports a patient's identity because that information is made confidential by the Medical Practices Act. See [Ethics Advisory Opinion No. 21](#). The commission has declined to extend this exception to accountants who would be reporting information regulated by the Public Accountancy Act. See [Ethics Advisory Opinion No. 22](#) (Public Accountancy Act does not make a client's identity confidential and therefore does not conflict with financial disclosure requirements). The commission has also indicated that this exception would not be extended to attorneys in cases where disclosing a client's identity would not reveal a confidential communication. See *id.*

**Retainers List:** After you enter and save your first retainer, the filing application will begin a list of all retainers entered on Part 1B for this report. The list will display columns showing each person providing a retainer:

Generally, section 36.07 of the Penal Code prohibits a public servant from accepting an honorarium in consideration for providing services he or she would not have been asked to provide but for his or her official position. The provision does not, however, prohibit the acceptance of necessary transportation, lodging, or meals in connection with a conference or

similar event at which the public servant renders services, such as addressing an audience or participating in a seminar, that are more than merely perfunctory.

If someone provided you with transportation, meals, or lodging under this provision, identify the donor and provide the amount of expenditures made. You may have to contact the donor to obtain the amount.

If someone provided you with transportation, meals, or lodging under this provision, identify the donor and provide the amount of expenditures made. You may have to contact the donor to obtain the amount.

**Interest.** Please note that the statute applies if you, your spouse, or a dependent child, and a lobbyist both have “an interest” in the business. The interest does not have to be a “substantial interest” as in Part 1B in order to trigger the reporting requirement. Please note that for purposes of this section, a person who is an employee of a business entity is considered to have an interest in that business entity.

See [Ethics Advisory Opinion No. 252](#). You are not required to disclose fees received from a business entity by which you are employed unless the business entity is merely an alter ego of the city official. See [Ethics Advisory Opinion No. 333](#).

**Actual Knowledge.** You "actually" know that someone directly compensates or reimburses a person required to be registered as a lobbyist if you personally know that the person does so or you could readily determine that fact by contacting the person or the Texas Ethics Commission. See [Ethics Advisory Opinion No. 333](#) (1996).

**Disclosing Confidential Information.** City officials who are physicians are not required to include on their financial disclosure reports a patient's identity because that information is made confidential by the Medical Practices Act. See [Ethics Advisory Opinion No. 21](#). The commission has declined to extend this exception to accountants who would be reporting information regulated by the Public Accountancy Act. See [Ethics Advisory Opinion No. 22](#) (Public Accountancy Act does not make a client's identity confidential and therefore does not conflict with financial disclosure requirements). The commission has also indicated that this exception would not be extended to attorneys in cases where disclosing a client's identity would not reveal a confidential communication. See *id.*

**Fees Received List:** After you enter and save the information regarding the first fee you received for providing services to or on behalf of a person required to be registered as a lobbyist, the filing application will begin a list of all such fees on Part 15 for this PFS. ## **PFS: Report Error Check**

**Report Error Check** is a tool to assist you in fulfilling your reporting requirements. The Error Check details errors and omissions in the data entry; it does not verify that the report has satisfied all legal requirements. You should review the applicable COA-EFS Guide and the filing application PAGE HELP to ensure that ALL required information is included before you file your report.

If the Error Check finds errors in your report, the errors will be listed for you in a table on this screen. You can also click the View as PDF button to view the error list as an Adobe Acrobat .PDF file (requires Adobe Acrobat reader or equivalent viewer to view) or click the View as Excel button to view the error list in a Microsoft Excel spreadsheet.

The errors list includes the following information:

Severity: The error records are ranked in terms of severity:

**HIGH:** These are major omissions in information that indicate non-compliance with certain reporting requirements (such as not uploading the Trustee Statement for a Blind Trust). This information is considered very important and you **MUST CORRECT** these errors in order to file the report.

**LOW or MEDIUM:** These are omissions or errors in other information that indicate non-compliance with certain reporting requirements (such as not entering address information for a business association). You should correct these errors to be in legal compliance with your reporting requirements. You may, however, choose to accept these errors and file the report as is. **NOTE:** If you file the report with errors, you could be subject to a sworn complaint for reporting violations.

Tracking Information: This column shows the transaction (retainer information, blind trust, etc.) containing the error and other information to help you identify the transaction.

Error Record: This column shows the name of the data field containing the error and provides a link directly to the entry screen where the error is located. After correcting the error and saving the transaction, you may run the Error Check again by clicking the **Check For Errors** link in the Report Menu navigation sidebar always displayed down the left side of your screen.

Message: This column provides a brief explanation of the required information that is missing or in error.

## **PFS: Correction Affidavit**

A filer who files a corrected report must submit a **Correction Affidavit**. The affidavit must identify the information that has changed. The affidavit also provides a check box for your use in swearing to certain statutory provisions regarding the corrected report, if applicable.

Explanation of Correction: Use this box to explain why there were error(s) on the original report, what information is being corrected, and how the new information is different from the information on the original report. You may also use this area to request a waiver or reduction of a late-filing penalty for this correction, if any, and state the basis of your request.

Sworn Statement Check Box: Check this box if you are filing this corrected report not later than the 14th business day after the date you learned that the report as originally filed is inaccurate or incomplete and any error or omission in the report as originally filed was made in good faith.

Correction Tables: Any corrections made to this report are listed in a table below according to the type of correction (added, updated, or deleted). Only the applicable table(s) will display. If you make additional changes before you file the report, those changes will be reflected here.

Added Record Table: This table contains any new records you entered in this corrected report that were not previously disclosed in the original report.

Updated Record Table: This table contains any records you changed in this corrected report that were previously disclosed incorrectly in the original report.

Deleted Record Table: This table contains any records you deleted in this corrected report that were previously disclosed in error in the original report.

Each table includes columns with the following information:

Record Type and Tracking Information: Shows the type of transaction that you added, updated, or deleted, and other information to help you identify the transaction.

Record Detail: Shows the specific data you added, updated, or deleted.

### General Instructions

Every year, appointed officers and executive heads of some state agencies, board members and executive heads of river authorities, members of the Texas Legislature, statewide elected officers, justices of a court of appeals, district judges, district or criminal district attorneys must **electronically** file a personal financial statement (PFS) with the Texas Ethics Commission.

If you have questions about whether you are required to file this form, please visit our website, at <http://austintexas.gov/departments/campaign-finance-reports> . The website also provides access to Chapter 572 of the Government Code, Commission rules, filing schedules, and personal financial statement brochures.

### WHO IS REQUIRED TO FILE?

The mayor, city council members, city manager and city attorney are the only city staff that is required to file a PFS statement as required by Texas Government Code [Sec. 572.021](#), [Sec 572.026](#), Tex. Election Code [Sec. 145.004\(a\)-\(c\)](#), and [Sec. 1.006](#).

**Other Local Filers.** Other local officers, candidates, or even employees may also be required to file a personal financial statement with a local filing authority. Some of those filing authorities may choose to use the Texas Ethics Commission Form PFS. Consult [chapter 159](#) of the Local Government Code for additional information.

**Municipalities With Populations of 100,000 or More.** The mayor, members of the governing body, the municipal attorney, and the city manager of municipalities with a population of 100,000 or more are required to file personal financial statements with the clerk or secretary of the municipality. The Texas Ethics Commission does not have jurisdiction over this filing requirement. See chapter 145 of the Local Government Code for additional information.

### COMPLETING THE FORM

All Personal Financial Statements filed with the COA must be filed electronically.

## WHAT NOT TO INCLUDE

Please note that personal financial statements are public records. Do not include unrequired information that is confidential or proprietary, such as your social security number, driver's license number, or copies of your tax returns.

## PERIOD COVERED

In most cases, the personal financial statement covers activity for the entire calendar year ***preceding*** the year the statement is due. For example, a personal financial statement due in 2005 covers activity occurring between and including January 1 and December 31, 2004.

**New Appointees.** For a newly appointed officer, the period covered by the first required personal financial statement is determined by the date the officer is appointed to the office. A new appointee's first personal financial statement covers the entire calendar year ***preceding the year of appointment*** rather than preceding the year the statement is due. For example, a person appointed to serve on a board effective December 15, 2008, is required to file a personal financial statement due January 14, 2009. This personal financial statement covers activity occurring between and including January 1 and December 31, 2007.

## FILING DEADLINES

**Annual Statement.** The regular filing deadline for the annual personal financial statement is **April 30** for non-candidates.

A candidate for an elected office, check this title and indicate which office you seek. Identify the office completely, including the district or place name, if applicable.

Candidate must file Personal Financial Statement with the City Clerk not later than the 20th day after the deadline for filing an application for a place on the ballot. Tex. Local Gov't Code § 145.004(c).

## TIMELY FILINGS

A personal financial statement required to be filed with the COA must be filed by **midnight Central Time Zone** on the last day for filing the report under the law requiring the filing of the report.

## EXTENSION OF THE APRIL 30TH DEADLINE

Sec. 145.004 (e) of the Local Government Code states: A municipal officer or a person who is appointed to a municipal office may request the clerk or secretary of the municipality to grant an extension of not more than 60 days for filing the statement. The clerk or secretary shall grant the request if it is received before the filing deadline or if the officer's physical or mental incapacity prevents the officer from filing the statement or requesting an extension before the filing deadline. The clerk or secretary may not grant more than one extension to a person in one year except for good cause shown.

## COA-EFS CORRECTION INFORMATION

If you discover after the filing deadline that the personal financial statement you filed was incorrect or incomplete, you must file a corrected financial statement. Correction to electronically filed reports must be using the electronic filing application. See the [Correction Affidavit Page Help](#) for further information.

## RECORDS RETENTION

The commission recommends that you retain a copy of a filed financial disclosure statement and the supporting documentation for at least two years after the deadline for filing the statement. See [Ethics Advisory Opinion No. 236](#).

**30th Day Before Election Report:** [Opposed candidates](#) in an election who did not choose the [modified reporting](#) schedule must file this pre-election report. If an [opposed candidate](#) chose [modified reporting](#), but then exceeded a threshold before the 30th day before the election, the candidate must file this report. (Note: Candidates who are [unopposed](#) in an election are not required to file pre-election reports for that election.) The report is due no later than 30 days before the election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**8th Day Before Election Report:** [Opposed candidates](#) in an election who did not choose the [modified reporting](#) schedule must file this pre-election report. If an [opposed candidate](#) chose [modified reporting](#) but then exceeded a threshold before the 8th day before the election, the candidate must file this report. (Note: Candidates who are [unopposed](#) in an election are not required to file pre-election reports for that

election.) The report is due no later than 8 days before the election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**Exceeded \$500 Limit Report:** Candidates who chose to file under the [modified reporting](#) schedule but then, after the 30th day before the election, exceeded \$500 in contributions or \$500 in expenditures in connection with the election must file this Exceeded \$500 Limit report within 48 hours after exceeding the \$500 limit.

**Runoff Report:** Candidates who are participating in a runoff election and did not choose the [modified reporting](#) schedule must file this runoff report. The report is due no later than 8 days before the runoff election and must be received by the COA-EFS no later than midnight Central Time on the report due date.

**Less Commonly Filed Reports:** These reports are only required if you meet certain criteria. You can select one of the following report types as a stand-alone report or in combination with one of the reports listed above, if applicable. Select the radio button for one of these less commonly filed reports only if the report type applies to the event for which you are filing.

**Final Report:** You may file a Final report if you have a campaign treasurer appointment (Form CTA) on file with the COA-EFS and meet all of the following: 1) do not expect to accept any more campaign contributions or make or authorize any more campaign expenditures, 2) expect to take no further action to get elected to a public office, and 3) do not intend to continue accepting contributions to pay campaign debts. There is not a fixed deadline for this report.

***Important Things to Know Before Filing a Final Report:***

- You must have a CTA on file to accept contributions to offset campaign debts or to pay campaign debts. If you intend to continue this campaign activity, do not file a final report at this time.
- A final report will terminate your CTA and relieve you from any additional filing obligations as a candidate. If you are an officeholder, you will still be subject to the filing requirements applicable to officeholders. If you are not an officeholder but have surplus political funds or assets, you will be required to file annual Unexpended Contribution reports. (See Unexpended Contributions under "Other Reports" for more information.)
- Terminating a CTA does not relieve you of your responsibility for any delinquent reports or outstanding civil penalties.
- A candidate who does not have a CTA on file is still required to file a personal financial statement (PFS) in accordance with chapter 572 of the Government

Code. You can set up a PFS filer type with COA-EFS to file PFS using this filing application, if applicable.

**15 Day After Treasurer Appointment Report (For Officeholders Only):** An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment (Form CTA) on file. This report is due no later than midnight Central Time on the 15th day after an officeholder files Form CTA with the COA-EFS. It is not required of officeholders who are merely changing their campaign treasurers. Candidates who are not officeholders do not file this report.

**Other Reports:** These other reports are only required in certain circumstances and cannot be combined with other report types. Read the information concerning each of the report types. Select the radio button for one of these other reports only if the report type applies to the event for which you are filing.

**Daily Pre-election Report of Contributions:** Daily Pre-election reports are time-sensitive reports due during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. If you are an [opposed candidate](#) in an election for statewide office; district office filled by voters of more than one county; judicial district office filled by voters of only one county; State Board of Education; state senator; or state representative, you must file a Daily report each time you accept contribution(s) from a single source that in the aggregate total more than \$1,000 during the Daily report period. You may be required to file more than one Daily report during the Daily report period. A Daily report must be received by the COA-EFS no later than midnight Central Time the first business day after the date you accepted the contribution that triggered the reporting requirement. *Note:* Contributions disclosed on a Daily report must be disclosed again on the next required report. Don't worry; the filing application will automatically copy contributions from any Daily report you file into your next required report.

**Legislative Special Session Report:** This report is filed after a special legislative session called by the governor. You must file this report ONLY IF you are a statewide or legislative candidate or officeholder who accepted contributions during the period covered by the Special Session report. (Statewide officeholders and members of the legislature may not accept political contributions during a regular legislative session. This restriction does not apply during a special session.) The Special Session report must be filed no later than 30 days after the date of final adjournment and must cover the period beginning on the date the governor signs the proclamation calling the special session and ending on the date of final adjournment of the special session. You are not required to file a separate Special Session report if another report is due no later than the 10th day after the date on which the Special Session report would be due.

If you do not accept any contributions during the period covered by the Special Session report, you are not required to file the report. (This is an exception from the usual requirement that you must file a report even if you have no activity to report.)

A Special Session report is a report of contributions only, not expenditures. Contributions reported on a Special Session report must be reported again on your next regular report. (Don't worry; the filing application will automatically copy contributions from any Special Session report you file into your next required report.) In addition, you must include on your next regular report any expenditures that occurred during the period covered by the Special Session report.

**Unexpended Contributions Report-Annual (For Former Candidates and Former Officeholders without a Campaign Treasurer Appointment on File):** You must file this report if one of the following descriptions applies to you:

- (1) You filed a final report as a candidate at a time when you were not an officeholder, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you filed the final report; or
- (2) You ceased to be an officeholder at a time when you did not have a campaign treasurer on file, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you ceased to be an officeholder.

If you are a former candidate or officeholder with unexpended funds or assets, you must file an annual Unexpended Contributions report by midnight Central Time on January 15 following each year in which you maintained unexpended contributions or assets. You must continue to file annual Unexpended Contribution reports until you have disposed of all your unexpended contributions or assets. (See "Unexpended Contributions Report-Final" below for more information about the report of final disposition.) [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Unexpended Contributions Report-Final (For Former Candidates and Former Officeholders without a Campaign Treasurer Appointment on File):** You must file Unexpended Contribution reports if one of the following descriptions applies to you:

- (1) You filed a final report as a candidate at a time when you were not an officeholder, and you had unexpended political contributions, interest, assets, or other money earned from political contributions at the time you filed the final report; or
- (2) You ceased to be an officeholder at a time when you did not have a campaign treasurer on file, and you had unexpended political contributions, interest,

assets, or other money earned from political contributions at the time you ceased to be an officeholder.

(See "Unexpended Contributions Report-Annual" above for more information about the annual reports.) Once you have disposed of all your political contributions or assets, you will file an "Unexpended Contributions-Final" report. You may not retain unexpended contributions or assets longer than 6 years after the date you filed your final report or ceased being an officeholder, as applicable. The latest possible date for filing a "final disposition" report of unexpended contributions is 30 days after the end of that six-year period. [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Period Covered:** The filing application will calculate the period covered for your report based on the report type you select. You can modify the start and end dates as long as your modified start date does not precede the filing application calculated start date and your modified end date does not extend past the filing application calculated end date. If you need to report activity outside of the filing application calculated date range for this report, you will need to file multiple reports.

A reporting period includes the Start date and the End date. The report due date will be after the end of the period. Generally, a report picks up where the last report left off and there should be no gaps or overlapping periods. The exceptions are Daily Pre-election reports and Special Session reports, which do create overlaps because you are required to report the activity twice.

**First Reports.** If this is the first campaign finance report that you have filed, the start date will depend on the date your campaign treasurer appointment (Form CTA) was filed or the date you took office.

- If you are a candidate (an individual who has filed a Form CTA) and you are filing your first report, the start date will be the date your Form CTA was filed.
- If you are an officeholder who was appointed to an elective office and who did not have a Form CTA on file at the time of the appointment, the beginning date for your first report will be the date you took office.

**January 15th Semiannual Report Period:** The start date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the "First Reports" section above. The end date is December 31 of the previous year.

**July 15th Semiannual Report Period:** The start date is January 1 or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the "First Reports" section above. The ending date is June 30.

**30th Day Before Election Report Period:** The start date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the "First Reports" section above. The end date is the 40th day before the election. (This report is not required for [unopposed candidates](#) or candidates who are filing under the [modified reporting](#) schedule.)

**8th Day Before Election Report Period:** The start date is the 39th day before the election if you were required to file a 30th Day Before Election Report. If you were not required to file the 30th Day Before Election Report, the start date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the "First Reports" section above. The end date is the 10th day before the election. (This report is not required for [unopposed candidates](#) or candidates who are filing under the [modified reporting](#) schedule.)

**Exceeded \$500 Limit Report Period:** (This report is only required for candidates who selected the [modified reporting](#) schedule but exceeded the \$500 limit after the 30th day before the election.) The start date for the report is either the day you appointed your campaign treasurer or the day after the last day covered by your last required report, whichever is later. The end date is the day you exceeded the \$500 limit for contributions or expenditures. (See "Exceeded \$500 Limit Report" in the "Report Type" section above for more information.)

**Runoff Report Period:** The start date is the 9th day before the main election if you filed an 8th Day Before Election report in connection with the main election. Otherwise, the start date is the day after the last day covered by your last required report or the day you appointed a campaign treasurer, whichever is later. The end date is the 10th day before the runoff election. (This report is not required for candidates who are filing under the [modified reporting](#) schedule.)

**Final Report Period:** The start date is the day after the last day covered by your last required report. The end date is the day you file the final report.

**15 Day After Treasurer Appointment Report Period (Officeholders Only):** The start date is either the day after the last day covered by your last required report or the day you began serving an appointment to elective office. The end date is the day before the campaign treasurer appointment was filed. This report is due no later than 15 days after the campaign treasurer appointment was filed.

**Daily Pre-election Report Period:** The start date is the day you accepted the contribution(s) that triggered the reporting requirement. The end date is the day you file the report. A Daily report must be received by the COA-EFS no later than midnight Central Time the first business day after the date you accepted the contribution that triggered the reporting requirement. (See [Daily Pre-election Report of Contributions](#) in the "Report Type" section for more information.)

Legislative Special Session Report Period: (This report is only required if you are a statewide or legislative candidate or officeholder who accepted contributions during the period covered by the Special Session report.) The start date is the day the governor signs the proclamation calling the special legislative session. The end date is the day of final adjournment of the special legislative session. (See [Legislative Special Session Report](#) in the "Report Type" section for more information.)

**Unexpended Contributions Report-Annual Period:** If this is the first Unexpended Contributions-Annual report you have filed, the start date is the day after the day you filed your Final Report. The start date for all other Unexpended Contributions-Annual reports is January 1 of the previous year. The end date for all Unexpended Contributions-Annual reports is December 31 of the previous year. (See [Unexpended Contributions Report-Annual](#) in the "Report Type" section for more information.) [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Unexpended Contributions Report-Final Period:** If this is an Unexpended Contributions-Final report, the start date is the day after the period covered by your most recent Unexpended Contributions-Annual report. The end date is the date you file the Unexpended Contributions-Final report. (See [Unexpended Contributions Report-Final](#) in the "Report Type" section for more information.) You are required to disclose the receipt of such a notice in the report covering the period in which you receive the notice. ## C/OH: Worksheet Summary

**Worksheet Summary** is a new page in the filing application designed to help you keep track of the schedules required for this report and the activity you enter. If you indicated by answering "Yes" on the previous **Reporting Period Activities** screen that you have activity to report, those schedules/categories are highlighted in **green** in the grid.

**Return to Cover Sheet button:** Click on this button to go to the beginning of this report's **Cover Sheet** (report type and period covered). You may also go to the cover sheet by clicking on the link in the Report Menu navigation sidebar always displayed down the left side of your screen.

**Walk me through all schedules button:** Click on this button to be guided through a series of questions to determine whether-or-not you may have activity to disclose on a report schedule. This option takes you through ALL the schedules in the report from beginning to end. During the walk-through, any schedules that you choose to "work on this later" will be flagged with a check mark in the **Work on Later** column on the **Worksheet Summary** screen.

**Report Totals button:** Click on this button to go to this report's **Subtotals** and **Totals** pages, where you can view the calculated totals of activity entered in this report and enter lump sum totals for unitemized contributions, pledges, loans, and expenditures.

**Upload File button:** Click on this button to import your contribution and expenditure data into the filing application.

**Worksheet Summary Grid:** The reporting schedules/categories are organized into three main areas:

- **Incoming Funds** – any money coming into your political account(s);
- **Outgoing Funds** – any payments going out of your political account(s); and
- **Additional Activity** – other types of activity, such as non-monetary (in-kind) contributions, pledged contributions, or unpaid incurred expenditure obligations.

Under each main area, the information is displayed in the following columns:

**Category:** This column displays the name and letter code of each schedule/category you may possibly need for this report. (For example, the name of the first schedule is Monetary Political

Contributions and the letter code for that schedule is A1.) If you indicated on a previous screen that you have activity to report, those schedules/categories are highlighted in **green** in the grid.

**Walk Thru:** Click this link to be guided through a series of questions to help you determine whether or not you may have activity to disclose on a particular report schedule. This option allows you to walk-through a single schedule only. During the walk-through, if you choose to "work on this later" the schedule will be flagged with a check mark in the Work on Later column.

**Count:** This column keeps a running tally and displays the number of transactions you have entered and saved for a particular schedule/category.

**Sub-Total:** This column displays the total amount of transactions you have entered and saved plus any lump sum-total you entered on the **Schedule Subtotals** page for a particular schedule/category.

**Action:** To begin entering activity for a particular schedule/category, click on "Start" in this column. After you have saved your first transaction, the link that you click on changes to "Continue" in this column.

**Work on Later:** If you choose to do a "walk thru" of all schedules or one particular schedule, any schedules that you choose to "work on this later" will be flagged with a check mark in this column. Once you enter and save data on a checked schedule, the check mark will be removed; but remember, you can always enter information on any category/schedule, as needed, until you file the report.

## **C/OH: Schedule A1**

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **monetary** contributions on Schedule A1. (Non-monetary (in-kind) contributions are now entered on Schedule A2.)

**Schedule A1** is used to itemize incoming monetary [political contributions](#) that exceed \$50 from one person during the reporting period. If you accepted other types of incoming funds (such as loans or interest) or non-monetary contributions (such as in-kind contributions or pledges), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contributions List:** After you enter and save your first contribution, the filing application will begin a list of all contributions entered on Schedule A1 for this report. The list will display columns showing pertinent information for each contribution:

Date	Contributor	Amount	Action
01/01/2015	Contributor, Connie	\$1,000.00	<a href="#">Edit</a> <a href="#">Delete</a>

(1 of 1) [Navigation icons] 5

[Add](#) [Memo](#) [Done with Contributions](#)

The contribution list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered contribution. To enter new contributions, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding contribution(s) entered on this schedule.

**From Individual or Entity?** Indicate whether the contributor is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over **\$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept **\$500 or less in a reporting period** from an out-of-state PAC (including pledges), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If you accepted contributions from an out-of-state PAC and do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Contribution Date:** Enter the date you *accepted* the contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

**Contribution Amount:** Enter the amount of the contribution.

**Itemize box:** Checking this box indicates that this contribution will be itemized on Schedule A1. The automatic default is to itemize. You are required to itemize contributions that exceed \$50 (in the aggregate) from a single contributor. If you accepted two or more contributions from the same contributor, the total of which exceeded \$50, enter each contribution separately and be sure the box is checked for each entry.

**Contributions of \$50 or less.** Although you are not required to do so, you may also itemize on Schedule A1 monetary contributions that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize monetary contributions of \$50 and less on Schedule A1, you must total all such contributions and enter the lump sum-total on the **Schedule Subtotals** page of this report. If you enter information about such contributions here and remove the check from the "Itemize" box, the system will include the amount on the Totals page but the entry will not appear on Schedule A1.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter [the full name of the contributor](#). If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the contributor.

**Contributor Employer and Occupation Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

**Principal Occupation or Job Title:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**Employer:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

## **C/OH: Schedule E**

**Schedule E** is used to itemize loans made for campaign or officeholder purposes by financial institutions or individuals, and loans to your campaign from personal funds. You must itemize all loans that you accepted during the reporting period from [financial institutions](#) regardless of the amount. Additionally, you must itemize loans exceeding \$50 from one person that you accepted during the reporting period.

**Loans to Your Campaign from Your Personal Funds:** If you make a political expenditure from personal funds and intend to seek reimbursement of any amount, the simplest way to disclose the expenditure is to use Schedule G (see the [Schedule G Page Help](#) for more information). Another way is to disclose political expenditures from personal funds as a loan to your campaign on Schedule E. Outgoing political expenditures made from that loan must then be disclosed on Schedule F1. Remember: The amount you disclose as a loan from yourself in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from your personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, disclose the reimbursement as another outgoing political expenditure on Schedule F1. (Note: The reimbursement may not exceed the amount disclosed as a loan.)

**Personal Funds Deposited into a Political Account:** If you choose to deposit personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, disclose the deposited amount as a loan on Schedule E and check the box indicating "Personal Funds Deposited into Political Account." (Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.) Disclose the outgoing political expenditures made from that loan on Schedule F1. When you reimburse yourself, which could be months or years later, disclose the reimbursement as another outgoing political expenditure on Schedule F1. (Note: The reimbursement may not exceed the amount disclosed as a loan.)

[Examples of Reporting Expenses from Personal Funds](#)

**Loans List:** After you enter and save your first loan, the filing application will begin a list of all loans entered on Schedule E for this report. The list will display columns showing pertinent information for each loan:

Lender	Amount	Loan Date	Maturity Date	Interest Rate	Collateral	Guarantor	Action
Lender, Larry	\$1,000.00	01/01/2015	12/31/2015	5	N	N	Edit Delete

Add Memo Done with loans

The loans list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered loan. To enter a new loan, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding loan(s) entered on this schedule.

**Loan Date:** Enter the date you accepted the loan.

**Maturity Date:** Enter the maturity date of the loan.

**Loan Amount:** Enter the principal amount of the loan.

**Itemize box:** Checking this box indicates that this loan will be itemized on Schedule E. The automatic default is to itemize. You are required to itemize all loans from financial institutions, regardless of the amount. Additionally, you must itemize loans exceeding \$50 from one person that you accepted during the reporting period. If you accepted two or more loans from the same person, the total of which exceeds \$50, enter each loan separately.

**Loans of \$50 or less from persons other than financial institutions:** Although you are not required to do so, you may itemize on this schedule loans from persons other than

financial institutions that do not exceed \$50 for the reporting period. If you do not itemize loans of \$50 and less from persons other than financial institutions on Schedule E, you must total all such loans and enter the lump sum-total on the **Schedule Subtotals** page of this report.

**Interest Rate:** Enter the interest rate of the loan.

**From Individual or Entity?** Indicate whether the lender is an individual or an entity.

**Loans from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of lender.)*

**Is the Lender an out of state PAC?** Check this box only if the lender is an out-of-state political committee (PAC). Certain restrictions apply to contributions (including loans) from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept over **\$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

**NEW!** Schedule F3 is a new schedule used to disclose information about investments of over \$100 purchased with political contributions. Prior to January 1, 2015, this activity was disclosed on Schedule K (used for other incoming funds earned or returned to your political account).

**Schedule F3** is used to itemize any investment purchased in the reporting period with political funds, the amount of which exceeds \$100. If you had other types of outgoing funds (such as political expenditures from political or personal funds, or unpaid incurred expenditure obligations), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Purchased Investments List:** After you enter and save your first investment purchased with political contributions, the filing application will begin a list of all purchased investments entered on Schedule F3 for this report. The list will display columns showing pertinent information for each payee:

Schedule	Payee	Amount	Date	Action
F3	Payee, Paul	\$1,000.00	01/01/2015	<a href="#">Edit</a> <a href="#">Delete</a>

(1 of 1) 1 10

[Add](#) [Memo](#) [Done With Expenditures](#)

The purchased investments list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered investment purchased with political contributions. To enter a new purchased investment, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding purchased investment(s) entered on this schedule.

**From Individual or Entity?** Indicate whether the person from whom you purchased the investment is an individual or an entity.

**Expense Date:** Enter the date you purchased the investment.

**Expense Amount:** Enter the amount paid for the investment.

**Itemize box:** The box is always checked on this schedule. You are required to itemize investments that exceed \$100. If you made two or more payments to the same payee to purchase an investment, the total of which exceeded \$100, enter each payment separately.

**Payments of \$100 or less.** Although you are not required to do so, you may also itemize on Schedule F3 a political payment to purchase an investment that does not exceed \$100 for the reporting period. All such payments entered here will be itemized and appear on Schedule F3.

**Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the person or business from whom you purchased the investment. If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity.

**Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the person or business from whom you purchased the investment.

**Description:** Enter a brief statement or description of the investment (for example, “ten shares of stock in ABC Company”).

## C/OH: Schedule A2

**NEW!** Schedule A is now split into two schedules: Schedule A1 and Schedule A2. Enter only incoming **non-monetary (in-kind)** contributions of goods, services, or other thing of value on Schedule A2. (Monetary contributions are now entered on Schedule A1.)

**Schedule A2** is used to itemize incoming non-monetary (in-kind) [political contributions](#) of goods, services, or other thing of value that exceed \$50 from one person during the reporting period. If you accepted other types of incoming funds (such as monetary contributions, pledges, loans or interest), enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contribution of Personal Services or Travel:** You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Non-Monetary Contributions List:** After you enter and save your first non-monetary (in-kind) contribution, the filing application will begin a list of all contributions entered on Schedule A2 for this report. The list will display pertinent information for each contribution:

Add Memo Done with Contributions

The non-monetary contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered contribution. To enter new contributions, click the **Add** button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding contribution(s) entered on this schedule.

From Individual or Entity? Indicate whether the contributor is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these

restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept **over \$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept **\$500 or less in a reporting period** from an out-of-state PAC (including pledges), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If you accepted contributions from an out-of-state PAC and do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Contribution Date:** Enter the date you *accepted* the non-monetary (in-kind) contribution. [Accepting a contribution](#) is different from receiving a contribution. You accept a contribution

when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

**Contribution Amount:** Enter the fair market value of the in-kind contribution.

**Itemize box:** Checking this box indicates that this in-kind contribution will be itemized on Schedule A2. The automatic default is to itemize. You are required to itemize contributions that exceed \$50 (in the aggregate) from a single contributor. If you accepted two or more contributions from the same contributor, the total of which exceeded \$50, enter each contribution separately and be sure the box is checked for each entry.

**Contributions of \$50 or less.** Although you are not required to do so, you may also itemize on Schedule A2 in-kind contributions that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize in-kind contributions of \$50 and less on Schedule A2, you must total all such contributions and enter the lump sum total on the **Schedule Subtotals** page of this report. If you enter information about such in-kind contributions here and remove the check from the "Itemize" box, the system will include the amount on the Totals page but the entry will not appear on Schedule A2.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the contributor. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the contributor.

**Contributor Employer and Occupation Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

**Principal Occupation or Job Title:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**Employer:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**In-kind Description:** Enter a description of the in-kind contribution. The description should be sufficiently detailed to allow a person reviewing your report to understand what goods or services were contributed.

**In-kind Contribution for Out-of-State Travel?** Check this box if the in-kind contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the "**Enter Travel Info**" button that activates when you check the box. This information will be included in your report on Schedule T.

## C/OH: Schedule B

**NEW!** As always, you must disclose a pledge on Schedule B in the reporting period in which you accepted the pledge. Effective January 1, 2015, you must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

**Example:** In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

**Schedule B** is used to itemize pledges (monetary or in-kind) that exceed \$50 from one person during the reporting period. If you accepted monetary incoming funds (such as contributions, loans, or interest) or received non-monetary (in-kind) contributions, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

**Contribution of Personal Services or Travel:** You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services.

**Pledged Contributions List:** After you enter your first pledged contribution, the filing application will begin a list of all contributions entered on Schedule B for this report. The list will display pertinent information for each contribution:

The pledged contributions list will be the first screen you see each time you return to this schedule. From this list, you will be able to **Edit** or **Delete** a previously entered contribution. To enter new contributions, click the Add button located below the list. You can also sort the list in ascending or descending order by clicking on the column header in which you are interested or search the list by entering the search word in the field at the top of each column. You may also use the **Memo** button to provide additional explanation regarding contribution(s) entered on this schedule.

**From Individual or Entity?** Indicate whether the contributor who made the pledge is an individual or an entity.

**Contributions from Out-of-State Political Committees** *(These fields will be activated only if "Entity" is selected for the type of contributor.)*

**Is the Contributor an out-of-state PAC?** Check this box only if the contributor is an out-of-state political committee (PAC). Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is NOT an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

**PAC FEC #:** If the out-of-state PAC is registered with the Federal Election Commission (FEC), enter the PAC's FEC identification number (FEC #).

If you do not have an FEC # for the out-of-state PAC, you must provide other documentation as explained below.

**Browse to Upload PDF.** Attach a copy of one of the following required documents in PDF format to be included with your report:

If you accept **over \$500 in a reporting period** from an out-of-state PAC (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$100 to the out-of-state PAC during the 12 months immediately preceding the contribution.

If you accept **\$500 or less in a reporting period** from an out-of-state PAC (including pledges), you must **include one of the following** with your report:

- a copy of the out-of-state PAC's statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a document listing the committee's name, address and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address and phone number of the committee's campaign treasurer.

**NOTE:** If you accepted contributions from an out-of-state PAC and do not enter the FEC # or attach a PDF copy of the required information, you must timely file a paper copy of the required information at the time you file your electronic report.

**Pledge Date:** Enter the date you *accepted* the pledge. *Accepting* a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it. (If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.)

**Pledge accepted and received in different reporting periods:** If you *accept* a pledge in one reporting period and then *receive* the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans) in the reporting period in which you received the pledge.

**Pledge accepted and received in the same reporting period:** If you receive a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). The date of the contribution will be the date you accepted the pledged contribution, regardless of when the pledged contribution was actually received.

**Pledge accepted but never received:** You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If you never actually receive the pledge, it is not necessary to correct your report to delete the pledge.

**Example:** In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

**Pledge Amount:** Enter the amount of the pledge or the fair market value of the pledged goods or services or other thing of value, as applicable.

**Itemize box:** Checking this box indicates that this pledge will be itemized on Schedule B. The automatic default is to itemize. You are required to itemize pledges that exceed \$50 (in the aggregate) from a single contributor. If you accepted two or more pledges from the same contributor, the total of which exceeded \$50, enter each pledge separately and be sure the box is checked for each entry.

**Pledges of \$50 or less.** Although you are not required to do so, you may also itemize on Schedule B pledges that do not exceed \$50 (in the aggregate) for the reporting period. If you do not itemize pledges of \$50 and less on Schedule B, you must total all such pledges and enter the lump sum total on the Schedule Subtotals page of this report. If you enter information about such pledges here and remove the check from the "Itemize" box, the system will include the amount on the Totals page but the entry will not appear on Schedule B.

**Contributor Name (First, Last, Title, Suffix; or Entity Name):** Enter the [full name](#) of the person who made the pledge. If the contributor of the pledge is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor of the pledge is an entity, enter the full name of the entity.

**Contributor Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the person who made the pledge.

**Contributor Employer and Occupation Information** *(These fields will be activated only if "Individual" is selected for the type of contributor.)*

**Employer:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of

\$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**Principal Occupation or Job Title:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$500 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

**In-kind Description:** Enter a description of the in-kind pledge of goods, services, or other thing of value. The description should be sufficiently detailed to allow a person reviewing your report to understand what goods or services were pledged.

**In-kind Contribution for Out-of-State Travel?** Check this box if the in-kind contribution was for travel outside of the state of Texas. The description of an in-kind contribution or pledge for out-of-state travel must include additional detailed information. To enter the required information, click on the **"Enter Travel Info" button** that activates when you check the box. This information will be included in your report on Schedule T.

## C/OH: Schedule F2

**NEW!** Schedule F is now split into two schedules: Schedule F1 and Schedule F2. Enter only expenditure obligations that you have **incurred but not yet paid** on Schedule F2. (Political expenditures that were *paid* in this reporting period are disclosed on Schedule F1 (used for political payments from political funds) or Schedule G (used for political payments from personal funds), as applicable. Non-political expenditures that were paid in this reporting period are disclosed on Schedule I.) Expenditures made by credit card are disclosed on schedule F4 (used for expenditures made by credit card).

Effective January 1, 2015, you must also disclose when you actually pay the incurred expenditure. You must disclose the outgoing payment on Schedule F1, G, or I, as applicable, in the reporting period in which you pay the expenditure.

**NEW! Expenditures Made By Credit Card:** Effective September 1, 2015, you must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you will disclose the payment to the credit card company on the appropriate disbursements schedule. See [Expenditures Made by Credit Card](#) for more information.

**Schedule F2** is used to itemize political expenditures you have incurred but not yet paid that exceed \$100 to one individual or entity during the reporting period. Also use this schedule to itemize any non-political expenditures you have incurred but not yet paid during the reporting period, regardless of the amount. If you had outgoing funds (such as investment purchases or political payments from political or personal funds), or expenditures made by credit card, enter

them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page.

### [Important Restrictions Regarding the Use of Political Funds to Rent or Purchase Real Property](#)

**Unpaid Incurred Obligations List:** After you enter and save your first unpaid incurred obligation, the filing application will begin a list of all unpaid incurred obligations entered on Schedule F2 for this report. The list will display columns showing pertinent information for each payee:

**To Individual or Entity?** Indicate whether the payee is an individual or an entity.

**Expense Date:** Enter the date you incurred the expenditure obligation. (Remember: expenditure obligations you incurred and paid in this reporting period are entered on Schedule F1, G, or I, as applicable and expenditures made by credit card are entered on Schedule F4.)

### [Tell Me More About Incurred Expenditure Obligations](#)

**Expense Amount:** Enter the amount of the incurred expenditure obligation.

**Itemize box:** Checking this box indicates that this incurred expenditure will be itemized on Schedule F2. The automatic default is to itemize. You are required to itemize political expenditures that exceed \$100 (in the aggregate) to a single payee. You are required to itemize any non-political expenditure, regardless of the amount. If you incurred two or more political expenditures to the same payee, the total of which exceeded \$100, enter

each incurred expenditure obligation separately and be sure the box is checked for each entry.

**Expenditure Obligations of \$100 or less.** Although you are not required to do so, you may also itemize on Schedule F2 incurred political expenditures to a single payee that do not exceed \$100 for the reporting period. If you do not itemize incurred political expenditures of \$100 and less on Schedule F2, you must total all such incurred political expenditures and enter the lump sum total on the **Schedule Subtotals** page of this report. If you enter information about such incurred political expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F2.

**Type of Expenditure:** Select whether the incurred expenditure was political or [non-political](#). **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Remember that you may not convert political contributions to personal use.

**Check if Austin, TX, officeholder living expense:** For expenditures made on or after July 1, 2014, check this box only if the incurred expenditure is an [officeholder expense](#) for living in Austin, Texas.

**Payee Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the payee of the expenditure obligation. If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity.

**Payee Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the payee of the expenditure obligation.

**Expenditure Purpose.** *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.*

#### **Examples of Acceptable Ways to Report Expenditure Purpose**

**Category:** Select a category of goods, services, or other thing of value for which the incurred expenditure is made. If none of the listed categories apply, select "Other" and enter your own category.

**Description:** Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the incurred expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. If

your incurred expenditure was a contribution to another candidate or officeholder, or to a committee, enter "political contribution" and identify the recipient.

**Expenditure For Out-of-State Travel?** Check this box if the expenditure was for travel outside of the state of Texas. The description of a political expenditure for out-of-state travel must include additional detailed information. To enter the required information, click on the "**Enter Travel Info**" button that activates when you check the box. This information will be included in your report on Schedule T.

**Direct Expenditure to Benefit C/OH?** Check this box if the expenditure was a [direct campaign expenditure](#) to benefit another candidate or officeholder (C/OH). The description of a [direct campaign expenditure](#) to benefit another C/OH must include additional information about the C/OH. To enter the required information, click on the "**Enter Candidate Info**" button that activates when you check the box. This information will be included in your report on Schedule F2. Do not complete this section if the expenditure was not a [direct campaign expenditure](#).

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of a candidate and you did not get the candidate's approval before you made the expenditure, you made a [direct campaign expenditure](#). However, if you asked for and received the candidate's approval before making the expenditure, you made an [in-kind contribution](#) to the candidate.

## [C/OH: Schedule F4](#)

**NEW!** Schedule F4 is a new schedule used to disclose information about expenditures made by credit card. Effective September 1, 2015, you must disclose expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card company. (When you pay the credit card bill, you will enter the payment to the credit card company on the appropriate disbursements schedule.)

**Schedule F4** is used to itemize expenditures you made by credit card that exceed \$100 to one individual or entity during the reporting period. If you had outgoing funds (such as investment purchases or political payments from political or personal funds), or obligations that you have incurred but not yet paid, enter them on the applicable schedules associated with the categories shown on the **Worksheet Summary** page. See [Expenditures Made by Credit Card](#) for more information.

### [Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures](#)

**To Individual or Entity?** Indicate whether the payee is an individual or an entity.

**Note:** Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

**Expense Date:** Enter the date you made the expenditure by credit card.

**Note:** There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.* See [Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures](#) for more information.

**Expense Amount:** Enter the amount of the credit card expenditure.

**Itemize box:** Checking this box indicates that this credit card expenditure will be itemized on Schedule F4. The automatic default is to itemize. You are required to itemize political expenditures made by credit card that exceed \$100 (in the aggregate) to a single payee. You are required to itemize any non-political expenditure made by credit card, regardless of the amount. If you made two or more expenditures to the

same payee, the total of which exceeded \$100, enter each expenditure made by credit card separately and be sure the box is checked for each entry.

**Credit Card Expenditures of \$100 or less.** Although you are not required to do so, you may also itemize on Schedule F4 political expenditures made by credit card to a single payee that do not exceed \$100 for the reporting period. If you do not itemize political expenditures made by credit card of \$100 and less on Schedule F4, you must total all such credit card expenditures and enter the lump sum-total on **the Schedule Subtotals** page of this report. If you enter information about such credit card expenditures here and remove the check from the "Itemize" box, the filing application will include the amount on the Totals page but the entry will not appear on Schedule F4.

**Check if Austin, TX, officeholder living expense:** For credit card expenditures made on or after July 1, 2014, check this box only if the expenditure is an [officeholder expense](#) for living in Austin, Texas.

**Type of Expenditure:** Select whether the credit card expenditure was political or [non-political](#). **NOTE: As a practical matter, very few expenditures made from political contributions are non-political expenditures.** For instance, expenditures for administrative expenses, banking fees, and professional dues are typically **political** expenditures. Remember that you may not convert political contributions to personal use.

**Payee Name (First, Last, Title, Suffix; or Entity Name):** Enter the full name of the payee of the credit card expenditure. If the payee is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the payee is an entity, enter the full name of the entity. **Note:** Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card company. You do not report the name of the credit card company on this schedule.

**Payee Address (Street Address, Country, City, State, Zip Code):** Enter the complete address of the payee of the expenditure obligation.

**Expenditure Purpose.** *You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.*

#### **Examples of Acceptable Ways to Report Expenditure Purpose**

**Category:** Select a category of goods, services, or other thing of value for which the credit card expenditure is made. If none of the listed categories apply, select "Other" and enter your own category.

**Note:** Do not select "Credit Card Payment" as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card

company. Instead, select the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

**Description:** Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the credit card expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. If your credit card expenditure was a contribution to another candidate or officeholder, or to a committee, enter "political contribution" and identify the recipient.

**Expenditure For Out-of-State Travel?** Check this box if the expenditure was for travel outside of the state of Texas. The description of a political expenditure for out-of-state travel must include additional detailed information. To enter the required information, click on the "Enter Travel Info" button that activates when you check the box. This information will be included in your report on Schedule T.

**Direct Expenditure to Benefit C/OH?** Check this box if the expenditure was a [direct campaign expenditure](#) to benefit another candidate or officeholder (C/OH). The description of a [direct campaign expenditure](#) to benefit another C/OH must include additional information about the C/OH. To enter the required information, click on the "Enter Candidate Info" button that activates when you check the box. This information will be included in your report on Schedule F4. Do not complete this section if the expenditure was not a [direct campaign expenditure](#).

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of another candidate and you did not get the candidate's approval before you made the expenditure, you made a [direct campaign expenditure](#). However, if you asked for and received the candidate's approval before making the expenditure, you made an [in-kind contribution](#) to the candidate.

## C/OH: Schedule Subtotals

**Schedule Subtotals** is a new page of the reporting form intended to supplement the report totals (cover sheet, page 2). This page displays the calculated Subtotal for each report schedule, based on the amounts you entered on the schedule entry screen (reported itemized and reported unitemized) and any other unitemized total you enter as a lump sum amount here (user entered lump sum unitemized).

You are always required to itemize or report detailed information for contributions, expenditures, and loans over a certain monetary threshold. The thresholds vary depending on the type of activity (see "Itemization Thresholds" below). For smaller contributions, expenditures, and loans that do not exceed the threshold (in the aggregate from a single

source), you may report them in one of two ways: 1) add them all together and enter the unitemized total as a lump sum; OR 2) enter the detailed information on the schedule entry screen (and choose to itemize or not).

**Itemized transactions:** You chose to enter the detailed information on the schedule entry screen AND the "itemize" box is checked. The filing application calculates the sum of the entries for each schedule and the amount is displayed in the **Reported Itemized** column for the applicable schedule.

**Unitemized transactions:** Depending on your choice of entry, your unitemized transactions are shown under one of the following columns:

**Reported Unitemized** – You chose to enter the detailed information on the schedule entry screen and the "itemize" box is NOT checked. The transaction will remain unitemized, unless you manually check the "itemize" box or you enter additional transactions from/to the same source which cause the aggregate total to exceed the itemization threshold.

**User Entered Lump Sum Unitemized** – You chose not to enter the detailed information, but rather to enter the total of all your unitemized transactions as a lump sum for the applicable schedule. You must manually enter the lump sum total. DO NOT INCLUDE in a lump sum total any transactions for which you chose to enter detailed information.

**Itemization Thresholds for Each Schedule:** To return to the instructions for each schedule, click on the applicable link.

**[Monetary Political Contributions \(A1\)](#)** – You are not required to itemize contributions (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**[Loans \(E\)](#)** – You are not required to itemize loans (in the aggregate from a single source) of \$50 or less from a person other than a financial institution. If not entered on this schedule, you must enter a lump sum. You must itemize all loans from a financial institution regardless of the amount.

**[Interest, Credits, Gains, Refunds, and Contributions Returned to Filer \(K\)](#)** – You are not required to itemize such activity (in the aggregate from a single source) of \$100 or less. You are not required to enter a lump sum for this schedule.

**[Political Expenditures from Political Contributions \(F1\)](#)** – You are not required to itemize political expenditures (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum.

**Political Expenditures from Personal Funds (G)** - You are not required to itemize political expenditures (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum. (Note: You are required to itemize political expenditures from personal funds in any amount, if you intend to seek reimbursement from political contributions.)

**Payment from Political Contributions to the Business of a C/OH (H)** – There is no itemization threshold for this schedule. You must itemize all such payments.

**Non-political Expenditures from Political Contributions (I)** – There is no itemization threshold for this schedule. You must itemize all non-political expenditures from political contributions.

**Purchase of Investments from Political Contributions (F3)** – You are not required to itemize investments (in the aggregate from a single source) of \$100 or less. You are not required to enter a lump sum for this schedule.

**In-kind Political Contributions (A2)** – You are not required to itemize contributions (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**Pledged Contributions (B)** – You are not required to itemize pledges (in the aggregate from a single source) of \$50 or less. If not entered on this schedule, you must enter a lump sum.

**Unpaid Incurred Obligations (F2)** – You are not required to itemize incurred but not yet paid political expenditures (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum. You are required to itemize all incurred but not yet paid non-political expenditures, regardless of the amount.

**Expenditures Made by Credit Card (F4)** – You are not required to itemize political expenditures made by credit card (in the aggregate from a single source) of \$100 or less. If not entered on this schedule, you must enter a lump sum. You are required to itemize all non-political expenditures made by credit card, regardless of the amount.

## **C/OH: Report Totals (Cover Sheet, Page 2)**

You are required to include in your campaign finance report the following total amounts of contributions, expenditures, and loans:

**1. Total Unitemized Political Contributions of \$50 or less** (other than pledges, loans or guarantees of loans): *(The total amount is automatically calculated based on your entries.)* This is the sum-total of the unitemized contribution amounts shown on the Subtotals page under **Monetary Contributions (A1) and Non-Monetary (In-kind) Contributions (A2)** for:

**Reported Unitemized** (contributions of \$50 or less in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (contributions of \$50 or less in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

**2. Total Political Contributions (other than pledges, loans or guarantees of loans):** *(The total amount is automatically calculated based on your entries.)* This is the sum total of all political contributions you accepted in the reporting period. It includes the total amount shown on Line 1 (total unitemized contributions of \$50 or less) plus the total **Reported Itemized** (contributions which you itemized on the schedule entry screen) amounts shown on the Subtotals page under **Monetary Contributions (A1) and Non-Monetary (In-kind) Contributions (A2)**.

**3. Total Unitemized Political Expenditures of \$100 or less:** *(The total amount is automatically calculated based on your entries.)* This is the sum total of the unitemized political expenditure amounts shown on the Subtotals page under **Political Expenditures (F1), Unpaid Incurred Obligations (F2), Expenditures Made by Credit Card (F4), and Political Expenditures from Personal Funds (G)** for:

**Reported Unitemized** (expenditures of \$100 or less in the aggregate to a payee for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (expenditures of \$100 or less in the aggregate to a payee which you entered as a lump sum instead of detailing on the schedule entry screen).

**4. Total Political Expenditures:** *(The total amount is automatically calculated based on your entries.)* This is the sum total of all political expenditures you made in the reporting period. It includes the total amount shown on **Line 3** (total unitemized political expenditures of \$100 or less) plus the total **Reported Itemized** (expenditures which you itemized on the schedule entry screen) amounts shown on the Subtotals page under **Political Expenditures (F1), Unpaid Incurred Obligations (F2), Expenditures Made by Credit Card (F4), Political Expenditures from Personal Funds (G), and Payment from Political Contributions to a Business of C/OH (H)**.

**5. Total Political Contributions Maintained as of the Last Day of the Reporting Period:** *(The total amount is a required field that you must manually enter here.)* Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter "0.00" if you do not maintain political contributions, including interest or other income earned on those contributions, as of the last day of the reporting period. (This is different from the total contributions reported on **Line 2**. Only contributions accepted during the period covered by the report are entered on **Line 2**.)

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period.

**The "total amount of political contributions maintained" includes:** the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions and the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.

**Personal Funds:** The "total amount of political contributions maintained" does **NOT** include personal funds that you intend to use for political expenditures, unless the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan at the end of the reporting period are required to be included in the "total amount of political contributions maintained." Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

#### **6. Total Principal Amount of all Outstanding Loans as of the Last Day of the Reporting**

**Period:** *(The total amount is a required field that **you must manually enter** here.)* Enter the aggregate outstanding principal amount of all loans accepted for campaign or officeholder purposes as of the last day of the reporting period. Enter "0.00" if you did not accept any loans during the period covered and have no outstanding loans as of the last day of the reporting period. The "total outstanding loans" must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously. (This is different from the information reported on Loans (Schedule E). Only loans accepted during the period covered by the report are entered on Schedule E.)

**7. Total Unitemized Pledges:** *(The total amount is automatically calculated based on your entries. Note: a printed copy of your report will display this total on Schedule B and not on Cover Sheet page 2.)* This is the sum total of the unitemized pledge amounts shown on the Subtotals page under **Pledged Contributions (B)** for:

**Reported Unitemized** (pledges of \$50 or less in the aggregate from a contributor for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (pledges of \$50 or less in the aggregate from a contributor which you entered as a lump sum instead of detailing on the schedule entry screen).

**8. Total Unitemized Loans:** *(The total amount is automatically calculated based on your entries. Note: a printed copy of your report will display this total on Schedule E and not on Cover Sheet*

page 2.) This is the sum total of the unitemized loan amounts shown on the Subtotals page under **Loans (E)** for:

**Reported Unitemized** (loans of \$50 or less in the aggregate from a lender (other than [a financial institution](#)) for which you entered detailed information on the schedule entry screen and did not check the "itemize" box); plus

**User Entered Lump Sum Totals** (loans of \$50 or less in the aggregate from a lender (other than a [financial institution](#)) which you entered as a lump sum instead of detailing on the schedule entry screen).

Do not complete this section if the expenditure was not a direct campaign expenditure.

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of a candidate and *you did not get the candidate's approval* before you made the expenditure, you made a [direct campaign expenditure](#). ## **C/OH: Report Error Check**

**Report Error Check** is a tool to assist you in fulfilling your reporting requirements. The Error Check details errors and omissions in the data entry; it does not verify that the report has satisfied all legal requirements. You should review the applicable COA-EFS Guide and the filing application PAGE HELP to ensure that ALL required information is included before you file your report.

If the Error Check finds errors in your report, the errors will be listed for you in a table on this screen. You can also click the **View as PDF** button to view the error list as an Adobe Acrobat .PDF file (requires Adobe Acrobat reader or equivalent viewer to view) or click the **View as Excel** button to view the error list in a Microsoft Excel spreadsheet.

The errors list includes the following information:

**Severity:** The error records are ranked in terms of severity:

**HIGH:** These are major omissions in information that indicate non-compliance with certain reporting requirements (such as not entering the amount of total political contributions maintained as of the last day of the reporting period under Report Totals). This information is considered very important and you **MUST CORRECT** these errors in order to file the report.

**LOW or MEDIUM:** These are omissions or errors in other information that indicate non-compliance with certain reporting requirements (such as not entering address information for a contributor or payee). You should correct these errors to be in legal compliance with your reporting requirements. You may, however, choose to accept these errors and file the report as is. **NOTE:** If you file the report with errors, you could be subject to a sworn complaint for reporting violations.

**Tracking Information:** This column shows the transaction (contribution, loan, etc.) containing the error and other information to help you identify the transaction.

**Error Record:** This column shows the name of the data field containing the error and provides a link directly to the entry screen where the error is located. After correcting the error and saving the transaction, you may run the Error Check again by clicking the **Check For Errors** link in the Report Menu navigation sidebar always displayed down the left side of your screen.

**Message:** This column provides a brief explanation of the required information that is missing or in error.

## C/OH: Correction Affidavit

A filer who files a corrected report must submit a **Correction Affidavit**. The affidavit must identify the information that has changed. The affidavit also provides check boxes for your use in swearing to certain statutory provisions regarding the corrected report, if applicable.

**Explanation of Correction:** Use this box to explain why there were error(s) on the original report, what information is being corrected, and how the new information is different from the information on the original report.

**Sworn Statement Check Boxes:** Check the box next to any and all applicable statements.

**For Any Corrected Report:** Check this box if you are filing this corrected report not later than the 14th business day after the date you learned that the report as originally filed is inaccurate or incomplete and any error or omission in the report as originally filed was made in good faith.

A corrected report (other than an 8th Day Before Election Report or a Daily Pre-election Report) filed with the COA-EFS after its due date is not considered late for purposes of

late-filing penalties if the report meets this "14th business day in good faith" statutory provision.

A correction to an 8th Day Before Election Report must also meet the "14th business day in good faith" statutory provision; however, the corrected report could be subject to a late-filing penalty unless the report as originally filed substantially complies with the applicable law as determined by the Ethics Commission.

**For Corrections to Semiannual Reports:** Effective September 1, 2011, a Semiannual Report (due January 15 or July 15) that is amended/corrected before the eighth day after the original report was filed is considered to have been filed on the date the original report was filed. A Semiannual Report that is amended/corrected on or after the eighth day after the original report was filed is considered to have been filed on the date the original report was filed if: (1) the amendment/correction is made before any complaint is filed with regard to the subject of the amendment/correction; and (2) the original report was made in good faith and without intent to mislead or misrepresent the information contained in the report.

**Correction Tables:** Any corrections made to this report are listed in a table below according to the type of correction (added, updated, or deleted). Only the applicable table(s) will display. If you make additional changes before you file the report, those changes will be reflected here.

**Added Record Table:** This table contains any new records you entered in this corrected report that were not previously disclosed in the original report.

**Updated Record Table:** This table contains any records you changed in this corrected report that were previously disclosed incorrectly in the original report.

**Deleted Record Table:** This table contains any records you deleted in this corrected report that were previously disclosed in error in the original report.

Each table includes columns with the following information:

**Record Type and Tracking Information:** Shows the type of transaction (contribution, loan, expenditure, etc.) that you added, updated, or deleted, and other information to help you identify the transaction.

**Record Detail:** Shows the specific data you added, updated, or deleted.

## [C/OH: Final Report Affidavit](#)

You may file a Final report if you have a campaign treasurer appointment (Form CTA) on file with the COA-EFS and meet all of the following: 1) do not expect to accept any more campaign contributions or make or authorize any more campaign expenditures, 2) expect to take no

further action to get elected to a public office, and 3) do not intend to continue accepting contributions to pay campaign debts. There is not a fixed deadline for this report.

***Important Things to Know Before Filing a Final Report:***

- You must have a CTA on file to accept contributions to offset campaign debts or to pay campaign debts. If you intend to continue this campaign activity, *do not* file a Final report at this time.
- A Final report will terminate your CTA and relieve you from any additional filing obligations *as a candidate*. If you are an officeholder, you will still be subject to the filing requirements applicable to officeholders. If you are not an officeholder but have surplus political funds or assets, you will be required to file annual Unexpended Contribution reports. (See [Final Disposition of Unexpended Contributions](#) for more information.)
- Terminating a CTA does not relieve you of your responsibility for any delinquent reports or outstanding civil penalties.
- A candidate who does not have a CTA on file is still required to file a personal financial statement (PFS) in accordance with chapter 572 of the Government Code. You can set up a PFS filer type with COA-EFS to file PFS using this filing application, if applicable.

**Final Report Affidavit:** This page includes the Final report affidavit language. You must agree to and acknowledge the affidavit to indicate that you understand the consequences of filing a Final report. To do so, select the radio button next to the statement, “I agree to and acknowledge the above affidavit.”

If you intend to have additional campaign activity and are not ready to file a Final report, select the radio button next to the statement, “I do not agree to the above affidavit.” You will have some options as to how you wish to continue:

**Continue Working on a Different Report Type:** *(This option is only available if you started the Final report in combination with another report type.)* Selecting this option will return you to the “Cover Sheet” screen. From here, you can select “Clear This Report?” if you do not wish to file a Final report at this time.

**Go Back to My Reports Page:** Selecting this option will return you to the “Manage My Reports” screen without creating the Final report. From here, you can continue working on an in-progress report or start a new report.

**Return to Final Report Affidavit:** Selecting this option will return you to the Final Report Affidavit screen. From here, you can choose to agree to the Final report affidavit in order to continue with the Final report.

## C/OH: Final Report Officeholder Status

**Are you currently an officeholder?** If you are an officeholder at the time of filing your Final Report, select “Yes.” Otherwise, select “No.”

**You Are an Officeholder at the Time of Filing a Final Report:** You are still required to file semiannual reports for any period during which you are an officeholder, regardless of whether you have a campaign treasurer appointment (Form CTA) on file.

You will not have to worry about surplus political funds and assets until you cease to be an officeholder. If you cease to be an officeholder at a time when you do not have a campaign treasurer appointment (Form CTA) on file, *and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder*, you must file an Annual Report of Unexpended Contributions not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder. **Remember:** *You may not convert unexpended political contributions, unexpended interest or income earned on political contributions, or assets purchased with political contributions or interest or other income from political contributions to personal use.* [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**You Are Not an Officeholder at the Time of Filing a Final Report:** You will no longer be required to file reports *unless you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions.* If you retain any of those items, you must file an Annual Report of Unexpended Contributions not earlier than January 1 and not later than January 15 of each year after the year in which you filed your Final report. You may not retain these unexpended funds longer than six years after the date of filing a Final report. **Remember:** *You may not convert unexpended political contributions, unexpended interest or income earned on political contributions, or assets purchased with political contributions or interest or other income from political contributions to personal use.* [Proper Ways to Dispose of Unexpended Funds and Assets](#)

**Unexpended Contributions & Retained Assets** *(These fields will be activated only if you indicated that you are not currently an officeholder.)*

Select the applicable radio buttons to indicate that you either do or do not retain unexpended contributions, unexpended interest or income earned from political contributions, or assets purchased with political contributions or interest or other income from political contributions. See [You Are Not an Officeholder at the Time of Filing a Final Report](#) for more information.

Officeholder Statement: Check the box next to this statement *only if* you are a current officeholder. Checking this box indicates that you understand your filing responsibilities as an officeholder. See [You Are an Officeholder at the Time of Filing a Final Report](#) for more information.

## C/OH: Appendix

### Final Disposition of Unexpended Contributions.

The obligation to file annual Unexpended Contributions reports ends when the former candidate or officeholder files a report of "final disposition" of unexpended contributions.

A former candidate or former officeholder has six years from the date of filing a Final report or leaving office (whichever is later) to dispose of surplus funds and assets. The latest possible date for filing a "final disposition" report of unexpended contributions is 30 days after the end of that six-year period. At the end of the six-year period, a former candidate or officeholder must dispose of surplus assets or funds in one of the following ways:

- (1) You may give them to the political party with which you were affiliated when your name was last on the ballot.
- (2) You may give them to a candidate or a political committee. If you do so, however, you must report the contribution twice as described below.

***Extra Reporting of a Contribution To Candidate Or Committee.*** If you contribute unexpended contributions or assets to another candidate or committee, you must report the contribution twice. You must include the contribution on your annual Unexpended Contributions Report. You must also report the contribution on Form ASIFSPAC. You must file the ASIFSPAC report with the filing authority with whom the candidate or political committee files reports by the date by which the candidate or political committee receiving the contribution must report the receipt of the contribution.

***NOTE:*** You will need a separate ASIFSPAC filer ID to file Form ASIFSPAC using the filing application. Contact COA-EFS for assistance in setting up an ASIFSPAC filer ID.

(3) You may give them to the comptroller for deposit in the state treasury to be used to finance primary elections.

(4) You may give them to one or more persons from whom you received political contributions, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which you were accepting political contributions.

(5) You may give them to a recognized charitable organization formed for educational, religious, or scientific purposes that is exempt from taxation under Section 501(c)(3), Internal Revenue Code of 1986, and its subsequent amendments.

(6) You may give them to a public or private post-secondary educational institution or an institution of higher education as defined by Section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

A former candidate or former officeholder may dispose of unexpended contributions or assets in this manner at any time during the six-year period. A former candidate or former officeholder who has disposed of all surplus funds and assets must file an Unexpended Contributions "final disposition" report. This report may be filed as soon as the former candidate/officeholder has disposed of all funds.

### **Extra Reporting for Contribution to Candidate or Committee**

If you contributed unexpended contributions or assets to another candidate or committee, you must report the contribution twice. You must include the contribution on your Annual Report. You must also report the contribution on form AS IF-Specific Purpose Committee Campaign Finance Report ([AS IF-SPAC](#)). You must file the [AS IF-SPAC](#) report with the filing authority with whom the candidate or political committee files reports by the date by which the candidate or political committee receiving the contribution must report the receipt of the contribution.

**NOTE:** You will need a separate ASIFSPAC filer ID to file the ASIFSPAC report using the filing application. Please contact the COA-EFS for help in establishing an ASIFSPAC filer ID.

### **Examples of Reporting Expenses from Personal Funds**

**Spending your own money on your campaign? Avoid common reporting errors!** If you intend to seek reimbursement of any amount from political contributions for a political expenditure made from your personal funds, report the expenditure in one of three ways. Method 3 is a new method that will become available on September 28, 2011. We think that Method #1 is the simplest method. Keep in mind that this reporting system is not an accounting system and

duplication of expenditures is not uncommon when reporting transactions related to expenditures made from personal funds.

**Method #1:** Itemize the expenditure on the “Political Expenditures from Personal Funds” schedule (Schedule G) and check the box to indicate that you intend to seek reimbursement from political contributions. (You may not correct a report to allow reimbursement without subjecting yourself to a possible penalty.) When you reimburse yourself, which could be months or years later, report the reimbursement on the “Political Expenditures” schedule (Schedule F1).

**Example:** On December 1, 2007, Candidate A spends \$500 of her own personal funds to purchase political advertising signs. She reports the expenditure to the vendor on Schedule G and checks the box to indicate that reimbursement is intended. One year later, Candidate A reimburses herself from political contributions. She reports the reimbursement on Schedule F1. Candidate A is the payee and the purpose of the expenditure is to reimburse herself for a political expenditure made from personal funds on December 1, 2007.

We stress that if you intend to seek reimbursement from political contributions for a political expenditure of any amount made from personal funds, you must itemize the expenditure on Schedule G.

**Method #2:** Report the political expenditures made from your personal funds as a loan to your campaign on the “Loans” schedule (Schedule E). Next, report the political expenditures made from that loan on the “Political Expenditures” schedule (Schedule F1). Remember, the amount you report as a loan in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, report the reimbursement on Schedule F1.

**Example:** In one reporting period, Candidate B spends \$5,000 of his own personal funds to purchase political advertising materials. He spends \$3,000 at Business One and \$2,000 at Business Two. He reports the expenditures as a \$5,000 loan on Schedule E and then itemizes each of the two expenditures as a political expenditure on Schedule F1. A year later, Candidate B reimburses himself from political contributions. He reports the reimbursement on Schedule F1. The payee in this instance is Candidate B, the category of the expenditure is “Loan Repayment/Reimbursement,” and “political expenditure made from personal funds reported as a loan” is an acceptable brief description.

**Method #3:** Deposit personal funds in an account in which your political contributions are maintained and report that amount as a loan on the "Loans" schedule (Schedule E). Next, report the political expenditures made from that loan on the "Political Expenditures" schedule (Schedule F1). When you reimburse yourself, which could be months or years later, report the

reimbursement on Schedule F1. (Note that the reimbursement may not exceed the amount reported as a loan. Also note that personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.)

**Example:** In one reporting period, Candidate C opens a campaign bank account and deposits \$5,000 of her own personal funds into the account. She makes one \$3,000 expenditure for political advertising. Candidate C has no other activity in the reporting period. She reports the \$5,000 as a loan on Schedule E, itemizes the \$3,000 expenditure for the political advertising on Schedule F1, and includes the remaining \$2,000 on her contributions maintained at the end of the reporting period total. A year later, Candidate C reimburses herself from political contributions by disclosing the reimbursement on Schedule F1. The payee in this instance is Candidate C, the category of expenditure is "Loan Repayment/Reimbursement," and "political expenditure made from personal funds reported as a loan" is an acceptable brief description.

### Use of Political Funds to Rent or Purchase Real Property

A candidate or officeholder is prohibited from using political funds to purchase real property or to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038(a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

### Reporting Tips to Avoid Common Pitfalls: Outgoing Expenditures

***You can never go wrong by disclosing the date the credit card was charged as the expenditure date.*** For 30-day and 8-day pre-election reports, the expenditure date is the date of the credit card charge, not the date of the credit card bill. For all other reports, the expenditure date may be either the date of the charge or the date of receipt of the credit card bill that includes the expenditure.

***If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, disclose the vendor who sold you the goods or services as the payee.*** DO NOT

disclose as the payee the name of the candidate, officeholder, or committee that benefited from the expenditure. Include that person's name under the purpose description.

***Did a staff worker make political payment(s) out of his or her personal funds?*** How you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

***Staff Reimbursement Examples:***

***Case #1:*** The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will simply itemize the payment (if over the \$100 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. DO NOT disclose as the payee the name of your staff worker.

***Case #2:*** The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – You will use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

***Case #3:*** The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period BUT you reimburse the staff worker from political funds in a different reporting period – You will use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. DO NOT disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.-----

**Examples of Expenditures**

### **Payments To A Business Of The Candidate Or Officeholder**

A candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; or a position as an officer of a business.

A candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may a candidate or officeholder use political contributions to pay directly for such personal services.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. See generally [Ethics Advisory Opinion No. 35 \(1992\)](#).

A candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038(a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

### **Incurred Expenditure Obligations**

The date of an expenditure is not necessarily the date that goods or services are received. It is the date on which you incur the obligation to make a payment, as long as the amount of the payment is "readily determinable." Generally, you know the amount of an expenditure (and therefore it is readily determinable) when the obligation is incurred, but in some cases you may not know the amount until the receipt of a periodic bill. An amount is readily determinable if the vendor can provide the amount at your request.

**Example 1:** On June 29th, a filer orders political signs. On July 16th, the filer receives the invoice for the signs. The date of the expenditure is June 29th, if on that date the vendor can provide the amount the filer will owe the vendor for the signs. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred and disclose that unpaid incurred obligation on Schedule F2 in the July 15 semiannual report covering the period in which the unpaid obligation is incurred. (Note: When the filer makes the payment, he will disclose it as an outgoing payment on Schedule F1 in the report covering the period in which he pays the expenditure.)

**Example 2:** A filer maintains a campaign office. The filer does not know the cost of the office's June utilities until she receives the periodic monthly bill on July 16th. The filer will not disclose the expense as an unpaid incurred obligation on Schedule F2 in the July 15 semiannual report, since the amount was not readily determinable until after the end of the semiannual reporting period.

### Expenditures Made by Credit Card

Beginning on September 1, 2015, all expenditures made by credit card must be reported on a new schedule: "Expenditures Made by Credit Card" Schedule (F4). This requirement applies to filers of electronic and paper campaign finance reports, including candidates, officeholders, political committees, political parties, and direct campaign expenditure filers.

When a credit card is used to make a reportable expenditure, the expenditure must be reported on the new schedule by identifying the name and address of the vendor who sold the goods or services, **NOT** the credit card company that issued the credit card. The date, amount, and purpose of the expenditure must also be disclosed, in addition to other information.

Once the credit card bill is paid, the payment must also be reported using the appropriate existing disbursement schedule (e.g., Schedule F1, Schedule G, Schedule H, or Schedule I) by identifying the credit card company that receives the payment. The date, amount, and purpose of the payment must also be disclosed, in addition to other information.

Please see the following examples of reporting expenditures made by credit card:

**Example 1: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate makes a payment from her political contributions account to pay the \$1,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$1,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the office store as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Office Overhead/Rental Expense,” and a description as “Campaign Office Supplies.” In Section 9 of the schedule, the box for “Political” is also checked.
- For the payment to the credit card company: a \$1,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for campaign office supplies.”
- Both \$1,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Credit Card Bill in the Same Reporting Period:**

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes a payment from his personal funds account to pay the \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card company:

- For the credit card charge: a \$3,000 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the print shop as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising Materials.” In Section 9 of the schedule, the box for “Political” is also checked.

- For the payment to the credit card company: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
- Both \$3,000 amounts reported on each schedule will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A general-purpose committee uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card company, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card company:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
- The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

**Example 4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods:**

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card company but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card company, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

- A \$500 expenditure on the “Expenditures Made by Credit Card” Schedule (F4). The schedule identifies the newspaper as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Advertising Expense,” and a description as “Political Advertising.” In Section 9 of the schedule, the box for “Political” is also checked.
- The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card company, the candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card company was made:

- A \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card company as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

## C/OH: Glossary

### A

**Accepting a Contribution:** A candidate or officeholder must report contributions that he or she has accepted. Receipt is different from acceptance. A decision to accept a contribution must be made by the end of the reporting period during which the contribution is received. (A decision to accept a contribution made during the period covered by a Legislative Special Session report must be made by the third day after the contribution is received.)

**Failure to make a determination about acceptance or refusal:** If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

**Returning refused contributions:** If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

**AS IF-SPAC:** AS IF-Specific Purpose Committee Campaign Finance Report

### B

### C

**COA-EFS:** City of Austin Electronic Filing System

**Corporation:** Includes any of the following business associations:

(1) corporations that are organized under the Texas Business Corporation Act, the Texas For-Profit Corporation Law, the Texas Non-Profit Corporation Act, the Texas Nonprofit Corporation Law, federal law, or law of another state or nation; or

(2) the following associations, whether incorporated or not: banks, trust companies, savings and loan associations or companies, insurance companies, reciprocal or interinsurance exchanges, railroad companies, cemetery companies, government-regulated cooperatives, stock companies, and abstract and title insurance companies.

## D

**Direct Campaign Expenditure:** A "direct campaign expenditure" to benefit a candidate is not a "political contribution" to that candidate. A direct campaign expenditure is a campaign expenditure made on someone else's behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

**Example:** If you made an expenditure to prepare and distribute an endorsement letter in support of a candidate and you did not get the candidate's approval before you made the expenditure, you made a direct campaign expenditure. However, if you asked for and received the candidate's approval before making the expenditure, you made an in-kind contribution to the candidate.

## E

## F

**Financial Institution:** A corporation that has been legally engaged in the business of making loans for more than one year.

**Full Name of the Contributor:** Texas law does not allow anonymous contributions. Even if you do not itemize a contribution, you must maintain a record of all the information related to a contribution for two years after the deadline for filing the report. You must also identify the actual source of a contribution, not an intermediary.

## G

## H

## L

## M

**Modified Reporting:** On the campaign treasurer appointment (Form CTA), there is an option to choose "modified reporting" for the next election cycle. A candidate must make this selection at least 30 days before the first election to which the selection applies. Modified reporting excuses an opposed candidate from filing 30-day and 8-day pre-election reports and a runoff

report. An opposed candidate is eligible for modified reporting only if the candidate does not intend to exceed either \$500 in contributions or \$500 in expenditures in connection with an election cycle.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the candidate does not exceed one of the \$500 thresholds).

If an opposed candidate chooses modified reporting on Form CTA, but then exceeds one of the thresholds before the 30th day before the election, the candidate is no longer eligible for modified reporting and must file reports 30 days and 8 days before the election.

If an opposed candidate chooses modified reporting, but then exceeds one of the thresholds after the 30th day before the election, the candidate must file an "Exceeded \$500" report within 48 hours of exceeding the threshold. At that point, the candidate is no longer eligible for modified reporting and must file according to the regular filing schedule.

## N

**Non-Political Expenditure:** An expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, very few expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

**Examples of Non-Political Expenditures:** (1) a charitable donation, if you receive no benefit in return; (2) payments to a lobbyist to work on legislative matters.

## O

**Officeholder Expenditure:** A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities, if the expenses are not reimbursable with public money.

**Austin, Texas Officeholder Living Expense:** refers to payments made to defray ordinary and necessary expenses incurred in connection with the performance of duties or activities as a public officeholder, including payment of rent, utility, and other reasonable housing or household expenses incurred in maintaining a residence in Travis County by members of the legislature who do not ordinarily reside in Travis County. Examples include:

- Rent for Austin apartment
- Phone line and internet access for Austin apartment
- Installation expense of security system at officeholder apartment

**Opposed Candidate:** You are an "opposed" candidate if you have an opponent, including a minor party candidate, whose name is printed on the ballot. If your only opposition is a write-in candidate, you are not considered opposed for filing purposes. Note: If you are a write-in candidate, you are an "opposed" candidate for filing purposes.

## P

**Pledge:** a promise to transfer money, goods, services, or other things of value. A pledge is not a reportable contribution, unless it is accepted.

**Example:** In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

**Political Contribution:** Any transfer of or promise to transfer money, goods, services, or other thing of value, including a loan, that is given to a candidate or officeholder with the intent that it be used either:

- (1) in connection with a campaign for elective office or on a measure to be submitted to the voters; or
- (2) to defray expenses in connection with an officeholder's duties or activities, provided that the expenditures are not reimbursable from public money.

A donation of money to a candidate/officeholder at a fundraiser is a monetary contribution.

A contribution of goods or services is a non-monetary (in-kind) contribution. Examples of non-monetary (in-kind) contributions are:

- Donation of office space
- Donation of an item to be auctioned at a fundraiser
- Donation of a mailing list
- Donation of material and labor for printing campaign signs

A political contribution in the form of a pledge must be reported on the appropriate schedule. For example, a promise to give you money after the election to pay debts incurred in connection with the election is a pledge.

A loan from an incorporated financial institution that has been in business for more than a year is not considered to be a contribution, but you must report any such loans taken out for campaign or officeholder purposes on the appropriate schedule.

- (A) In this section:
  - (1) BUNDLER means a person who bundles campaign contributions. The term does not apply to an individual whose only fundraising activity is a fundraising event held at the individual's residence if the event raises funds in an aggregate amount of less than \$5,000.
  - (2) BUNDLING means the soliciting and obtaining, during a campaign period, contributions on behalf of a candidate of \$200 or more per person from five or more persons.
- (B) For each reporting period in which a candidate for whom a bundler has bundled contributions must file a report of contributions and expenditures, the candidate must also file a separate report with the City Clerk disclosing:

- (C) A candidate who receives bundled contributions shall notify each bundler of the requirements of this section. A bundler shall provide to each candidate, at the time the bundler delivers bundled contributions to the candidate, the information necessary for the candidate to report the information required by this section. The failure of a bundler to provide the information required by this subsection does not excuse any failure by a candidate to report the required information.
- (D) Except as may be further limited by Subsection (E), a person who is registered, who is required to register, or who is employed by a person who is registered or required to register under Chapter 4-8 ( *Regulation of Lobbyists* ) may not bundle contributions totaling more than five times the contribution limit set by Article III, Section 8(A)(1) of the City Charter for any one candidate in a campaign period.
- (E) This subsection applies only to a business association that is registered or required to register under Chapter 4-8 ( *Regulation of Lobbyists* ), that is owned in whole or in part by a person registered or required to register under Chapter 4-8 ( *Regulation of Lobbyists* ), that employs a person registered or required to register under Chapter 4-8 ( *Regulation of Lobbyists* ), or that compensates another person to lobby on a municipal question of interest to the business association. Partners, shareholders, principals, employees, and persons who conduct business through the same business association, are considered to be a single bundler for the purpose of this

subsection. The total amount bundled by all the partners, shareholders, principals, employees, and persons who conduct business through the same business association when added together may not exceed ten times the contribution limit set by Article III, Section 8(A)(1) of the City Charter for the entire business association for any one candidate in a campaign period.

    - (iii) the date and amount of each contribution received.
  - (c) A person is not required to report a contribution under subsections (C)(8)(a) or (C)(8)(b) if:

ARTICLE 6. - RESTRICTIONS ON CONTRIBUTIONS.

§ 2-2-51 - RESTRICTIONS ON CASH CONTRIBUTIONS.

- (A) Except as provided in Subsection (B), a candidate or officeholder who accepts cash contributions in connection with a City election must maintain a receipt book for cash contributions, listing the date of any cash contribution and the contributor's name and address. § 2-2-53 - RESTRICTIONS ON CONTRIBUTIONS BY LOBBYISTS.

- (A) The city council finds that the practice of lobbying for compensation creates a unique relationship between candidates and officeholders on the one hand, and lobbyists on the other. To preserve public confidence in the electoral process, to diminish the appearance of impropriety and special influence, and to minimize the role of political contributions in the legislative and regulatory processes and the awarding of public contracts, it is appropriate to prohibit persons who lobby the city council from making contributions to candidates for mayor and city council and to officeholders. Accordingly, no person who is compensated to lobby the city council and who is required to register with the City as a lobbyist, and no spouse of the person, may contribute more than \$25 in a campaign period to an officeholder or candidate for mayor or city council, or to a specific purpose political committee involved in an election for mayor or city council.

- (B) A specific-purpose political committee supporting or opposing a candidate in a City election that receives a contribution prohibited by Subsection (A) may not accept the contribution and must refuse and return the contribution not later than the end of the reporting period during which the contribution is received. If a specific-purpose political committee subject to this section has received an aggregate contribution total of more than the amount set by Subsection (A)(2), it may not make an expenditure in a City election until it has returned the contributions of more than the allowed amount.
- (C) This subsection does not limit a specific-purpose political committee's aggregate contribution total from natural persons eligible to vote in a postal zip code completely or partially within the Austin city limits.

- (1) was a candidate for an office other than a City office; or

- (B) This section does not apply to a contribution raised in compliance with the timing, dollar amount, and source restriction in this Chapter and City Charter, Article III, Section 8 ( *Limits on Campaign Contributions and Expenditures* ), calculated on a last-in, first-out basis, which means that the last funds received are eligible for consideration for campaign expenditures.

§ 2-2-64 - FUNDING FOR QUALIFYING CANDIDATES.

- (A) To the extent that funds are available from the Austin Fair Campaign Finance Fund, a qualifying candidate in a runoff election shall receive an equal distribution of the available funds in the Austin Fair Campaign Finance Fund. ## CHAPTER 2-7. - ETHICS AND FINANCIAL DISCLOSURE.

### ARTICLE 1. - GENERAL PROVISIONS.

#### § 2-7-1 - DECLARATION OF POLICY.

- (A) It is the policy of the City that the proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that governmental decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals, a code of ethics for all City officials and employees is adopted.
- (B) This code has the following four purposes:
- (1) To encourage high ethical standards in official conduct by City officials and employees;
  - (2) To establish guidelines for ethical standards of conduct for all such officials and employees by setting forth those acts or actions that are incompatible with the best interests of the City;
  - (3) To require disclosure by such of official and employees of private financial or other interests in matters affecting the City; and
  - (4) To serve as a basis for disciplining those who refuse to abide by its terms.
- (C) The provisions of this chapter shall not apply to political contributions, loans, expenditures, reports or regulation of political campaigns or the conduct of candidates in such campaigns.

#### § 2-7-2 - DEFINITIONS.

In this chapter:

- (1) **AFFECTED** means in the case of a person, entity or property, means reasonably likely to be subject to a direct economic effect or consequence, either positive or negative, as a result of the vote or decision in question. For instance, a person or entity owning real property, entering into a contract with the City, or seeking a permit or franchise is "affected" by votes or decisions such as zoning of the property, approval of the contract, or granting of the permit. Affected does not include those persons or entities who are subject to an indirect or secondary effect from official action. Creditors, independent contractors, or guarantors of a person "affected" by a vote or decision are not also deemed to be "affected" by virtue of their relationship with the affected person. The vote or decision need not be the only producing cause of the economic effect or consequence reasonably likely to result. In determining whether a person, entity or property is or was "affected by" a vote or decision, it shall not be necessary to prove the actual existence or occurrence of an economic effect or consequence if such effect or consequence would be reasonably expected to exist or occur. Additionally, a vote or decision to place a matter on a ballot is deemed to affect a person, entity or property to the same extent that the results of the election would effect the person, entity or property.
- (2) **CITY EMPLOYEE** or **EMPLOYEE** means any person employed by the City but does not include independent contractors hired by the City.
- (3) **CITY OFFICIAL** or **OFFICIAL**, unless otherwise expressly defined, means the mayor, members of the city council, municipal court judges (including substitute judges), city manager, assistant city managers, city clerk, deputy city clerks, city attorney, deputy city attorneys, all department heads or deputy department heads, whether such person is salaried, hired or elected, and all other persons holding positions designated by the City Charter, as it may be amended from time

to time. City official, unless otherwise expressly defined, includes individuals appointed by the mayor and city council to all City commissions, committees, boards, task forces, or other City bodies unless specifically exempted from this chapter by the city council.

- (4) DECISION means any ordinance, resolution, contract, franchise, formal action or other matter voted on by the city council or other City board or commission, as well as the discussions or deliberations of the council, board, or commission which can or may lead to a vote or formal action by that body. A decision of a City employee means any action in which the employee exercises discretionary authority, including but not limited to the issuance of permits, imposition or collection of fines or fees, authorizations for expenditures, and other non-ministerial acts.
- (5) DISCRETIONARY AUTHORITY means the power to exercise any judgment in a decision or action.
- (6) ENTITY means a sole proprietorship, partnership, limited partnership, firm, corporation, professional corporation, holding company, joint stock company, receivership, trust or any other entity recognized by law through which business may be conducted, but does not include a governmental body.
- (7) HARM means anything reasonably regarded as loss, disadvantage, or injury, including harm to another person in whose welfare the person affected has an interest.
- (8) INCIDENTAL INTEREST means an interest in a person, entity or property which is not a substantial interest and which has insignificant value, or which would be affected only in a de minimis fashion by a decision. This chapter does not establish dollar limits on the terms "insignificant value" and "de minimis," which shall have their usual meanings and be subject to interpretation on a case by case basis.
- (9) LIMITED OR DE MINIMIS USE means use of City facilities, time, equipment or supplies that:
  - (a) does not interfere with or impede the job performance or productivity of the City official or employee;
  - (b) does not interfere with or impede the City's conduct of official business;
  - (c) is not used for a personal benefit, as defined in Section 2-3-5 (*Powers and Duties*) ;
  - (d) is too small, minor or insignificant to have an economic impact; and
  - (e) is used in accordance with the law, including the City Charter, Article XII, Section 2 prohibiting the use of City resources for election campaigning.
- (10) MINISTERIAL ACT means an act performed in a prescribed manner and not requiring the exercise of any judgment or discretion.
- (11) REMOTE INTEREST means an interest of a person or entity, including a City official or employee, who would be affected in the same way as the general public. The interest of a councilmember in the property tax rate, general City fees, City utility charges, or a comprehensive zoning ordinance or similar decisions is incidental to the extent that the councilmember would be affected in common with the general public.
- (12) SUBSTANTIAL INTEREST means an interest in another person or an entity if: the interest is ownership of five percent or more of the voting stock, shares or equity of the entity or ownership of \$5,000 or more of the equity or market value of the entity; or funds received by the person from the other person or entity either during the previous 12 months or the previous calendar year equaled or exceeded \$5,000 in salary, bonuses, commissions or professional fees or \$20,000 in payment for goods, products or nonprofessional services, or 10 percent of the person's gross income during that period, whichever is less; the person serves as a corporate officer or member of the board of directors or other governing board of the for-profit entity other than a corporate entity owned or created by the city council; or the person is a creditor, debtor, or guarantor of the other person or entity in an amount of \$5,000 or more except that a home mortgage loan for the person's homestead or a loan or lease of a personal automobile shall not

be deemed a substantial interest in the creditor or guarantor if entered into at a market rate with a commercial lending institution before the previous 12 months.

- (13) SUBSTANTIAL INTEREST IN REAL PROPERTY means an interest in real property which is an equitable or legal ownership with a market value of \$5,000 or more.

- (D) On the sworn complaint of any person filed with the city clerk's office or on the commission's own initiative, the commission shall consider possible violations of a provision within the jurisdiction of the commission by City officials and employees, former City officials and employees, candidates for election to City offices, and other persons subject to the provisions set forth in Section 2-7-26 ( *Functions* ). The commission may not consider complaints against its own members.
- (E) A complainant must disclose in the complaint filed with the commission evidence actually known to the complainant tending to negate guilt or mitigate the seriousness of the offense. Further, the complainant must disclose to the commission and the respondent any additional evidence discovered during the complaint process that negates guilt or mitigates the seriousness of the offense until the commission has taken final action on the complaint.
- (F) A city official or employee may not reveal information relating to the filing or processing of a complaint, except as required for the performance of the official's or employee's official duties, or as required by law. All papers and communications relating to a complaint must be treated as confidential unless required to be made public under the Public Information Act (Chapter 552 of the *Texas Government Code* ) or other applicable law. Investigations conducted by the Office of the City Auditor or any other City department must be conducted in a confidential manner and records of any such investigations are confidential to the extent permitted by law.
- (G) Not later than the fifth working day after the city clerk receives a sworn complaint, the city clerk shall acknowledge the receipt of the complaint to the complainant and provide a copy of the complaint to the city attorney, the chair of the commission, and the respondent. The city clerk shall also send a copy of the complaint to any identified person whose contact information is listed on the complaint form.
- (H) Not later than the fifth working day after receipt of a complaint from the city clerk, the chair of the commission shall make an initial determination as to whether the complaint is within the commission's jurisdiction.

- (1) If the chair determines that a complaint is within the commission's jurisdiction, the chair shall set the complaint for a preliminary hearing not later than the 60th day after the chair's initial determination, unless agreed to by the parties or by a vote of the commission. The commission may overturn the chair's initial jurisdictional determination at the preliminary hearing.
  - (a) Not later than the 10th working day prior to the meeting, the chair shall cause a written notice of the date of the preliminary hearing to be sent to the complainant, the respondent, and any identified person whose contact information is listed on the complaint form or is reasonably ascertainable.
  - (b) For good cause, the chair may postpone a scheduled preliminary hearing on the request of the complainant, the respondent, or an identified person.

  - (a) Not later than the fifth working day after the chair determines that a complaint is not within the commission's jurisdiction, the chair shall cause a written notification of the initial determination to be sent to the complainant, the respondent, and any identified person whose contact information is listed on the complaint form or is reasonably ascertainable.
  - (b) If the commission determines that a complaint is not within its jurisdiction, not later than the 10th working day after the commission's determination, the chair shall cause a written notification of the commission's final jurisdictional determination to be sent to the complainant, the respondent, and any identified person whose contact information is listed on the complaint form or is reasonably ascertainable.
    - (i) If the commission determines that a complaint is not within the commission's jurisdiction, the commission may refer the complaint to the city auditor for possible investigation.

Subsection (F)(1)(a) and (b) shall govern the sending of notices and granting of postponements.
- (I) The commission may consider a possible violation of a provision within the jurisdiction of the commission on the commission's own initiative. Not later than the 10th working day after the commission's decision to consider a possible violation, the commission shall draft a written complaint specifying each code section or charter provision alleged to have been violated, shall file a copy of the complaint with the city clerk, and shall provide a copy of the complaint to the city attorney, the respondent, and any identified person whose contact information is obtained by the commission. A complaint initiated by the commission need not be sworn.

§ 2-7-42 - DEFENSE OF OFFICIAL OR EMPLOYEE BY CITY ATTORNEY.

In the event a complaint is filed with the Ethics Review Commission against any official or employee of the City, alleging a violation of Article 4 ( *Code of Ethics* ), if the official or employee reasonably believed the conduct charged was not prohibited by Article 4 ( *Code of Ethics* ) and acted in reasonable reliance upon a public opinion rendered by the city attorney, the city attorney shall be authorized to represent the official or employee before the commission, or to employ and pay private counsel to represent the official or employee before the commission.

§ 2-7-43 - PROHIBITION OF EX PARTE COMMUNICATIONS.

After a complaint has been filed and during the pendency of a complaint before the Ethics Review Commission, a member of the commission may not communicate directly or indirectly with any party or person about any issue of fact or law regarding the complaint, except at a meeting of the commission. This prohibition does not prohibit a communication by a city employee with the commission in the performance of the city employee's official duties.

§ 2-7-44 - PRELIMINARY HEARING.

- (A) The issue at a preliminary hearing shall be the existence of reasonable grounds to believe that a violation of a provision within the jurisdiction of the Ethics Review Commission has occurred. The complainant, or the legal counsel for the Ethics Review Commission in cases considered on the commission's own initiative, shall state the alleged violation and shall describe in narrative form the testimony and other evidence which would be presented to prove the alleged violation as stated in the written complaint. Statements at a preliminary hearing shall be under oath, but there shall be no cross-examination or requests for persons or evidence issued for the hearing. Members of the commission may question the complainant, legal counsel for the commission, or the respondent.
- (B) The respondent shall have the opportunity to respond but is not required to attend or make any statement. The respondent may describe in narrative form the testimony and other evidence which would be presented to disprove the alleged violation. If the respondent agrees that a violation has occurred, the respondent may so state and the commission may consider the appropriate sanction or prosecution.
- (C) The complainant and the respondent shall have the right of representation by counsel.
- (D) At the conclusion of the preliminary hearing, the commission shall decide whether a final hearing should be held. If the commission determines that there are reasonable grounds to believe that a violation within the jurisdiction of the commission has occurred, the commission shall schedule a final hearing. If the commission does not determine that there are reasonable grounds to believe that a violation has occurred, the complaint is dismissed. A decision to conduct a final hearing is not a finding that a violation has occurred.
- (E) The commission, at any time during the preliminary hearing, may also dismiss a complaint if the complaint does not allege conduct which would be a violation of a provision within the jurisdiction of the commission. Before a complaint is dismissed for failure to allege a violation, the complainant or

the legal counsel for the commission shall be permitted one opportunity, within a period to be specified, to revise and resubmit the complaint.

- (F) The complainant, legal counsel for the commission, and the respondent may ask the commission at a preliminary hearing to request certain persons and evidence for a final hearing, if one is scheduled.

#### § 2-7-45 - FINAL HEARING.

- (A) Unless otherwise agreed to by the parties or by a vote of the commission, the final hearing shall be held not later than the 60th day after the determination by the commission that there are reasonable grounds to believe that a violation within the jurisdiction of the commission has occurred.
- (B) For good cause, the chair may postpone a scheduled final hearing on the request of the complainant, the respondent, or an identified person.
- (C) The complainant and respondent must attend a final hearing. If the respondent fails to attend, the commission may proceed with the final hearing at the commission's discretion.
- (D) The issue at a final hearing shall be whether a violation within the jurisdiction of the commission has occurred. The commission shall make its determination based on the preponderance of the credible evidence in the record. All parties and witnesses shall make their statements under oath.
- (E) If the commission determines that a violation has occurred, the commission shall state the commission's findings in writing, shall identify each code section or charter provision that has been violated, and, not later than the 10th working day after the final hearing, the chair shall cause a copy of the commission's findings to be sent to the complainant, if any, to the respondent, to any identified person whose contact information is listed on the complaint form or is reasonably ascertainable, and to the city clerk.

#### § 2-7-46 - OATHS AND REQUESTS FOR INFORMATION.

- (A) Subject to the limitations in this section, if a complaint proceeds to a final hearing, the commission may subpoena or request witnesses to attend and testify, administer oaths and affirmations, take evidence, and subpoena or request the production of books, papers, records, or other evidence needed for the performance of the commission's duties or exercise of its powers, including its duties and powers of investigation.
- (B) Before the commission may issue a subpoena, the commission shall submit a written request for a person to appear before them, for the production of documents, or for any other evidence. All city officials and employees will cooperate with the commission to assist it in carrying out its charge, and must supply requested testimony and documents if the documents are public records as set forth in the Public Information Act (Chapter 552 of the *Texas Government Code* ) or other applicable law. Identifying information about any informant or witness in documents provided to the commission must be redacted.
- (C) The commission may issue a subpoena on its own or upon request of a complainant or respondent. If requested by a party to the complaint, the party must make a sworn request and state that the party in good faith believes that such item or testimony exists. The party must provide a detailed description of any requested items or testimony sufficient to be able to identify the items or information; must state that the party has attempted to obtain such items or information otherwise;

and, that the party in good faith believes that the person or entity whose name and address is specified in the sworn request does possess or control the requested item or information.

- (D) Any subpoena issued by the commission is subject to the following requirements:
- (1) the subpoena may only be served within the Austin-Round Rock Metropolitan Statistical Area defined as Travis, Williamson, Bastrop, Hays, Burnet, and Caldwell;
  - (2) may not be served on a current City employee;

  - (4) may not include a request for documentation which the city could withhold under the Public Information Act (Chapter 552 of the *Texas Government Code* ).
- (E) Objection to subpoena. If a subpoena is issued upon the request of a party to the complaint, a person may object to a subpoena within seven working days after receiving the subpoena. Objections to subpoenas must be in writing and submitted to the city clerk. Not later than the fifth working day after the city clerk receives the objection, the city clerk shall acknowledge the receipt of the objection to the subpoena and provide a copy of the objection to the city attorney, the chair of the commission, the complainant and the respondent. If the commission issued the subpoena upon request of the complainant or respondent, the complainant or respondent shall within three working days after receipt of the objection provide a written response to the city clerk. The city clerk shall provide notice of receipt of a response to the objection in the same manner as receipt of an objection as set forth in this subsection. The commission shall rule on the objection. If a person to whom the subpoena is properly issued fails to object to a subpoena within the time specified in this section, the person waives any objection to the subpoena.
- (F) Appeal. A person that is a party to the complaint or subject of a subpoena may appeal the commission's decision on an objection to a subpoena to the Audit and Finance Committee of the City Council by filing an appeal with the City Clerk's office no later than ten days after the commission's decision. The request for an appeal must include a concise statement detailing the reasons the person believes the commission's decision should be overruled. The City Clerk will distribute the request for an appeal in the same manner described in subsection (E) above. The staff assigned to the commission will place the appeal on the next available committee agenda in accordance with the council's committee meeting procedures. The committee may vote to adopt, reject or modify the decision of the commission. A member of the Council may not take any part in a deliberation, vote, or decision regarding a subpoena issued to the council member or is issued in a complaint alleging a violation by the council member or a member of their staff.
- (G) The commission may request assistance from the city auditor with the investigation of allegations in a complaint.
- (H) The commission may consider the city auditor's investigation at a final hearing on a complaint.

#### § 2-7-47 - PROSECUTION.

If the Ethics Review Commission determines that a violation of a provision subject to a criminal penalty has occurred, the commission shall deliver a copy of the commission's findings to the complainant, if any, the respondent, and the city attorney and may recommend prosecution or set forth requirements to be complied with in order that voluntary compliance may be had and final determination obtained.

If the respondent acted in reliance upon a public written opinion of the city attorney, the commission shall consider that fact.
- (C) If the commission determines that a violation has occurred, the commission may impose or recommend the following sanctions:
  - (1) A letter of notification is the appropriate sanction when the violation is clearly unintentional, or when the respondent's conduct complained of was made in reliance on a public written opinion of the city attorney. A letter of notification must advise the respondent of any steps to be taken to avoid future violations. The commission may direct a letter of notification to any official or employee covered by this chapter.
  - (2) A letter of admonition is the appropriate sanction if the commission finds that the violation is minor or may have been unintentional, but calls for a more substantial response than a letter of notification. The commission may admonish any official or employee covered by this chapter.
  - (3) A reprimand is the appropriate sanction when the commission finds that a violation has been committed intentionally or through disregard of this chapter. The commission may reprimand any official or employee covered by this chapter. A reprimand directed to a City official shall also be sent to the city council.   - (4) A recommendation of removal from office or a recommendation of suspension from office, including a recommendation for the length of a suspension, is the appropriate sanction when the commission finds that a serious or repeated violation of this chapter has been committed intentionally or through culpable disregard of this chapter. A recommendation regarding an unsalaried City official or a salaried official appointed by the city council shall be transmitted by the commission to the city council.
